

# Daniel Rocheleau

Executive Vice-President and Chief Business Engineering Officer

**Born in Montreal, Quebec, Daniel Rocheleau joined CGI in 1985. Mr. Rocheleau holds the position of Executive Vice-President and Chief Business Engineering Officer. In his role, Mr. Rocheleau leads the design and negotiation of all large outsourcing contracts for CGI as well as the evolution of the company's outsourcing practice.**

Before joining CGI in 1985, Daniel Rocheleau spent 12 years in various management functions within the information technology department of the Canadian Imperial Bank of Canada (CIBC). In 2001, he was the lead negotiator and interim head of the Canada Post / CGI joint venture (Innovapost) for which he sits on the board of directors.

Mr. Rocheleau holds a Bachelors in Business Administration from Université du Québec à Montréal.

## CGI profile

At CGI, we are in the business of satisfying clients. For more than 30 years, we have operated upon the principles of sharing in clients' challenges and delivering quality services to address them.

A leading IT and business process services provider, CGI operates in 100+ offices worldwide, giving us the competitive advantage of close proximity to our clients. Through these offices, we offer local partnerships and a balanced blend of global delivery options to ensure clients receive the combination of value and expertise they require.

CGI defines success by exceeding clients' expectations and helping them achieve superior performance.
