

Daniel Rocheleau

Executive Vice-President and Chief Business Engineering Officer

Born in Montreal, Quebec, Daniel Rocheleau joined CGI in 1985. Mr. Rocheleau holds the position of Executive Vice-President and Chief Business Engineering Officer. In his role, Mr. Rocheleau leads the design and negotiation of all large outsourcing contracts for CGI as well as the evolution of the company's outsourcing practice.

Before joining CGI in 1985, Daniel Rocheleau spent 12 years in various management functions within the information technology department of the Canadian Imperial Bank of Canada (CIBC). In 2001, he was the lead negotiator and interim head of the Canada Post / CGI joint venture (Innovapost) for which he sits on the board of directors.

Mr. Rocheleau holds a Bachelors in Business Administration from Université du Québec à Montréal.

CGI profile

Founded in 1976, CGI is among the largest independent information technology (IT) and business process services firms in the world. CGI and its affiliated companies employ approximately 27,000 professionals based in over 100 offices in 16 countries. CGI provides end-to-end services to clients worldwide, utilizing a flexible and cost efficient delivery model that combines on-site and off-site operations.

Services and capabilities

From providing consulting and systems integration services to managing IT and business functions on behalf of our clients, CGI provides an all-encompassing offering that includes the planning, design, implementation and management of highly effective IT environments. Our global delivery capabilities include onsite, home-shore, near-shore and off-shore options, giving our clients the flexibility to choose the model that best meets their needs.

Through our vertical expertise in financial services, government and healthcare, telecommunications and utilities, retail and distribution and manufacturing, we provide clients with a partner that is not only expert in IT, but expert in their industries. This combination of business knowledge and technology expertise allows us to help our clients adapt as their industries change, and in the process, allows us to help evolve the industries in which we operate.
