

# David Anderson

## Executive Vice-President and Chief Financial Officer

**David Anderson joined CGI in 1998. He became Senior Vice-President and Corporate Controller in 2001 and is now Executive Vice-President and Chief Financial Officer. In this role, David is responsible for creating value for all stakeholders through managing key functions including mergers and acquisitions, internal audit, finance and treasury.**

David Anderson has close to 30 years of experience in senior financial roles within the technology and services industry.

Prior to joining CGI, Mr. Anderson worked for Bell Sygma Inc. as their Chief Financial Officer and prior to that held leadership positions in treasury, controllership, administration and financial systems development for Digital Equipment Corporation.

Mr. Anderson started his career with Coopers & Lybrand (now part of PricewaterhouseCoopers) in Ottawa, where he obtained the professional designations of Chartered Accountant and Certified Management Accountant.

Mr. Anderson sits on the Board of Directors of FinanciaLinx Corporation and CGI Federal. He holds a Bachelor of Commerce Degree from the Carlton University in Ottawa.

### CGI profile

At CGI, we are in the business of satisfying clients. For more than 30 years, we have operated upon the principles of sharing in clients' challenges and delivering quality services to address them.

A leading IT and business process services provider, CGI operates in 100+ offices worldwide, giving us the competitive advantage of close proximity to our clients. Through these offices, we offer local partnerships and a balanced blend of global delivery options to ensure clients receive the combination of value and expertise they require.

CGI defines success by exceeding clients' expectations and helping them achieve superior performance.
