

Doug McCuaig

**Senior Vice-President and General Manager
Western Canada, Ontario and Atlantic Canada**

Doug McCuaig is responsible for managing client relationships and delivering consulting, systems integration, outsourcing and managed services to clients based in Western Canada, Ontario and Atlantic Canada. Clients include those in financial services, government, healthcare, manufacturing, distribution and retail as well as in communications and utilities.

As a member of CGI's Management Committee, Mr. McCuaig represents Canadian operations and participates in the development and execution of CGI's global strategy.

Mr. McCuaig is the leader of the Global Banking Sector Council for CGI and is responsible for the development and implementation of CGI's global banking strategy. He has been involved in many transformation projects and managed services solutions for numerous major financial institutions.

He is also the executive sponsor of CGI's Canadian Healthcare Centre of Expertise and will guide the development of CGI's strategy, solutions and services in this important growth area.

Mr. McCuaig joined CGI in March 2004 from Cap Gemini Ernst & Young (CGEY) where he held the position of Senior Vice-President and Managing Director, Consulting Services, Canada. He began his career at Ernst and Young in 1989 (then referred to as Woods Gordon/Clarkson Gordon) and had been a Partner since 1995 as well as a member of Ernst & Young's Partnership Board. At Ernst & Young, Mr. McCuaig led many practices including Strategy, Customer Relationship Management (CRM), Supply Chain Strategy and Management (SCM), Enterprise Risk Management and Finance and Employee Transformation (FET).

Mr. McCuaig sits on a number of boards including the International Advisory Board of the Schulich School of Business at York University, the Canadian Chamber of Commerce, the Toronto Board of Trade (BOT) as Vice Chair of the Policy and Advocacy Committee and the Information Technology Association of Canada (ITAC) Executive Committee as Treasurer. He also sits on the IT committee for Mount Sinai Hospital.

He holds an MBA in Marketing & International Business from McMaster University having completed his undergraduate studies at the University of Western Ontario and Ryerson University. He has also received executive management training at Kellogg School of Management at Northwestern University in Chicago.

CGI profile

At CGI, we are in the business of satisfying clients. For more than 30 years, we have operated upon the principles of sharing in clients' challenges and delivering quality services to address them.

A leading IT and business process services provider, CGI operates in 100+ offices worldwide, giving us the competitive advantage of close proximity to our clients. Through these offices, we offer local partnerships and a balanced blend of global delivery options to ensure clients receive the combination of value and expertise they require.

CGI defines success by exceeding clients' expectations and helping them achieve superior performance.
