

# Eva Maglis

**Senior Vice-President and General Manager  
Technologies and Infrastructure**

**A member of CGI since 1998, Eva Maglis is currently Senior Vice-President and General Manager of the Technologies and Infrastructure business unit, including Document Management Services.**

Ms. Maglis began her career at Bell Canada before joining CGI. She has more than 25 years of experience in the information technology sector. Ms. Maglis has successfully led CGI's large data centers and many integration projects. She implemented the Information Technology Infrastructure Library (ITIL) service delivery model used by the infrastructure services for CGI and numerous clients. Prior to coming to Montréal, Ms. Maglis was responsible for integration and consulting services in the Greater Toronto business unit.

Ms. Maglis leads more than 3,800 professionals working in Montréal, Saguenay, Toronto, Ottawa, Halifax as well as a team in India.

She is also actively involved in the Centraide cause.

Ms. Maglis holds an Executive MBA from Columbia University.

## CGI profile

At CGI, we are in the business of satisfying clients. For more than 30 years, we have operated upon the principles of sharing in clients' challenges and delivering quality services to address them.

A leading IT and business process services provider, CGI operates in 100+ offices worldwide, giving us the competitive advantage of close proximity to our clients. Through these offices, we offer local partnerships and a balanced blend of global delivery options to ensure clients receive the combination of value and expertise they require.

CGI defines success by exceeding clients' expectations and helping them achieve superior performance.
