## CERTIFICATIONS

### CMMI Level 5

In 2005, CGI's India operations obtained the highest quality level rating of the Software Engineering Institute's (SEI) Capability Maturity Model (CMMI Level 5) for their software process capability.

### CMMI Level 3, version 1.2

In 2007 CGI's centers of excellence specializing in development in Montreal and Quebec City obtained CMMI Level 3, version 1.2 certification, as defined by the Software Engineering Institute's (SEI) Capability Maturity Model® Integration (CMMI)

### CMMI Level 3

In 2007 CGI's Atlantic Global Delivery Center (AGDC) in Halifax, Nova Scotia and Charlottetown, Prince Edward Island attained CMMI Level 3 as defined by the Software Engineering Institute Capability Maturity Model® Integration (CMMI). This was achieved 9 months after the center's ISO 9001:2000 certification and within two and a half years of the establishment of the AGDC.

### ISO 9001 Certified

CGI developed a significant competitive advantage by becoming, in 1994, the first North American company in its category to secure ISO 9001 certification for its Project Management Framework. In 2004, CGI secured ISO 9001 quality certification for its Shareholder Partnership Management Framework, which defines how the company manages long-term relationships with shareholders. CGI has now achieved this certification for its entire CGI Management Foundation covering its three major stakeholders-clients, members (the term CGI uses for employees) and shareholders.
