

Workforce Announcement

February 20, 2009

Dear Workforce Colleague:

If your organization is considering a short- or long-term project(s) in the immediate future, consider contracting with the Workforce Development Department of CGI. CGI is a reputable workforce ally with a team of experienced workforce consultants and competitively priced services.

CGI is prepared to provide...

- curriculum development and workshop delivery;
- career development, job development and job placement;
- outreach and recruitment;
- Rapid Response services;
- Client Activity Manager (eCAM), a readily customizable data system to tell your workforce story;
- one-stop operation and consulting; and
- additional customized services.

Feel free to contact me at (216) 416-6483 with any questions.

Best regards,

Pat Lonergan
Workforce Development Manager
