

CGI at a glance

Satisfying clients is our business. Through a consistent, disciplined and accountable delivery approach, CGI has achieved an industry-leading track record of on-time, on-budget projects. As a result, our average client satisfaction score for the past 10 years has measured consistently higher than 9 out of 10.

OUR APPROACH

Clients tell us the way we deliver services is a primary reason they select CGI. These are the key characteristics that distinguish our approach.

- **People** – Our members are motivated, as owners, to build our company and best satisfy client needs.
- **Proximity** – Our members across 400 local offices are empowered with local decision making while bringing global capabilities.
- **Quality** – Consistent processes across our operations enable consistent outcomes that are measured and continuously improved.
- **Services** – Industry and technology expertise, end-to-end services and rich IP-based solutions deliver performance.
- **Creativity** – We drive innovation together with our clients to better support their business strategies.
- **Financial strength** – Thirty-seven years of disciplined performance and sustained growth facilitate long-term relationships and large-scale engagements.

OUR SERVICES

CGI offers a full spectrum of services, solutions and industry know-how to accelerate clients' business transformation.

- **High-end business and IT consulting** – Expertise to help grow your business, drive revenue, improve efficiency and become more agile.
- **Systems integration services** – System architecture, system development and implementation of business and technology solutions.
- **Application development and management** – Design, development, implementation, maintenance and improvement of business applications.
- **Infrastructure services** – Comprehensive infrastructure management capabilities that adapt to business requirements and service priorities.
