

One-Stop Management

COMPANY PROFILE

At CGI, we're committed to helping ensure sustainable and high-quality jobs for American workers. A leading IT and business process services provider with 27,000 professionals operating in 100+ offices worldwide, CGI is a major partner to federal, state, provincial, local and municipal governments in the United States, Canada, Europe and Australia.

Combining 15-plus years of hands-on experience with deep workforce process and technology expertise, CGI provides professional, organizational training, and human resource assistance to employers, governmental agencies, and non-profit organizations to facilitate problem solving and to improve overall performance. In addition, CGI has developed leading edge information systems solutions designed to address the challenges that are characteristic of government and not-for-profit settings.

For more information about our workforce development solutions, please visit us at www.cgi.com or contact Michael McManus at (216) 416-6408 or Nicole Simpson at (216) 898-1366.

One-Stop Operation

CGI uses its unique blend of expertise and resources to deliver innovative one-stop services focusing on the collective needs of all job seekers.

- Integration of multiple partners
- Management of performance measures per state and local guidelines
- Implementation of universal documentation throughout one-stop based on goals and needs of all partners
- Delivery of services to dislocated workers and adult population
- Proposal/ grant writing

Data Management

CGI developed a customized Internet database, eCAM, used by both the one-stop personnel and the job seekers as a method to track all aspects of the job search. eCAM integrates the core service areas and knowledge requirements of today's human service organizations with the adaptability and flexibility to support future needs.

- Enrollment, reporting and billing
- Workshop scheduling
- Case management
- Employer/ job database
- Labor market information

Consulting

CGI has an extensive record of inter-organizational collaboration and strategic partnerships in which agencies work together and leverage one another's strengths and assets to create a better vision.

- One-stop services
- Local partnering
- Enhancing WIA performance
- Outreach and recruitment
- Leveraging training dollars
- Proposal writing/ project procurement
