

Sovera® Physician Credentialing

Say goodbye to your paper...

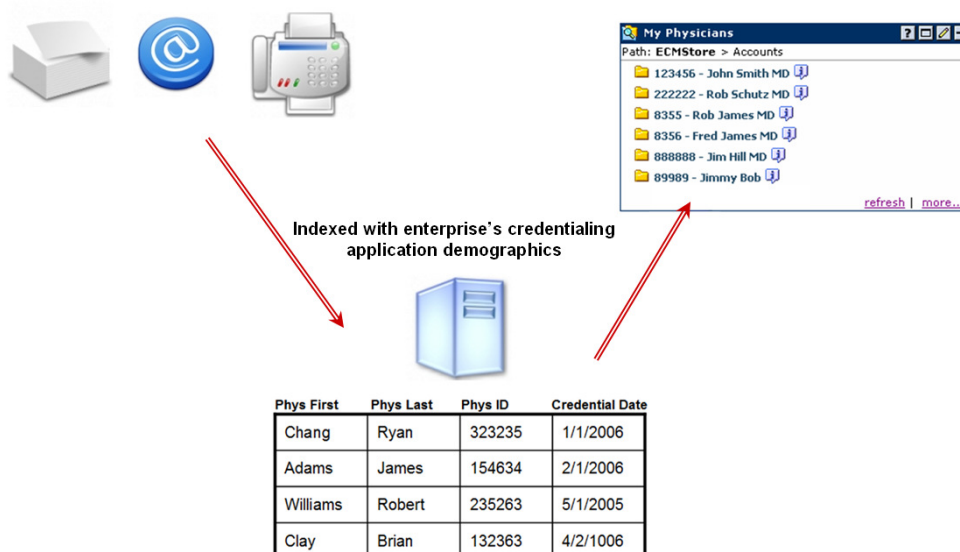

Benefits of the Solution include:

1. Allows for all forms of documents to enter the system including
 - Scanned Paper Documents
 - Faxed Paper Documents
 - Electronic files sent via e-mail or on disk
2. Integration with the enterprise's credentialing application or database for easy indexing of documents. No duplicate data entry!
3. Auto-generated document checklist keeps track of incomplete applications and missing documents
4. Automatic e-mail reminder letters sent to physicians who are missing applications/documents
5. Image Enabling allows users to view Credentialing documents (stored in Sovera) from within the enterprise's credentialing application or database
6. Automatic e-mail alerting committee members of application that is completed and available for viewing
7. Simultaneous online viewing of applications by multiple committees
8. Can e-mail or fax electronic files to those without access to system.
 - Generic Credentialing Application/Renewal
 - Quality Reports
 - Peer Reference Letters
