

# Providing the best mix of local and global delivery

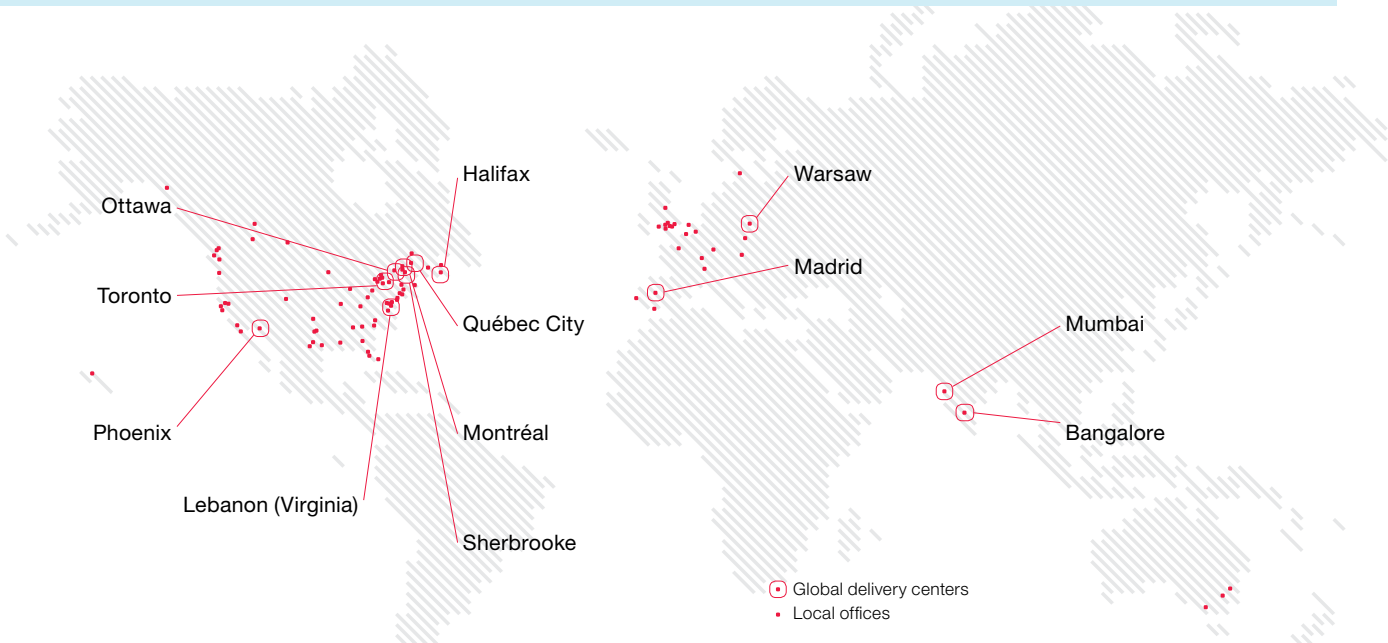

## Strong local presence with global reach

With 25,500 members in 100+ offices across 16 countries, CGI adheres to the fundamental belief that having a strong local presence with clients is critical to our joint success. This client-proximity business model

combined with global delivery options provide clients with a strong local presence and a best-fit mix of global sourcing. The result: highly accountable services delivered at the best value.

## Global delivery

Our growing and unique global delivery model comprises 12 delivery centers across 5 countries and 5,000 members representing 20 percent of our total workforce.
