7. INDEMNITY

7.1 Indemnity in favour of the Subscriber

The Corporation shall indemnify and save the Subscriber, each of the Affiliates and each of its agents, directors, officers, shareholders and employees (collectively, the “**Indemnified Persons**”) harmless against and from all liabilities, claims, actions, suits, proceedings, demands, losses (other than losses of profit), costs (including reasonable legal fees and expenses), damages and expenses to which the Indemnified Persons may be subject or which the Indemnified Persons may suffer or incur, whether under the provisions of any statute or otherwise, in any way caused by, or arising directly from:

- a) any order made by any one or more competent authorities as at Closing or as at the Closing of the Underlying Transaction or any inquiry, investigation (whether formal or informal) or other proceeding commenced, announced or threatened by any one or more competent authorities as at Closing or the Closing of the Underlying Transaction (not based on the activities or alleged activities of the Subscriber) prohibiting, restricting or materially affecting the trading or distribution of the Subscription Receipts or Shares Underlying the Subscription Receipts; or
- b) A) any untruth, inaccuracy or breach of any of the representations and warranties of the Corporation existing as at Closing or the Closing of the Underlying Transaction or B) any breach of the covenants of the Corporation, in each case contained in this Agreement, the Subscription Receipt Agreement or in any other certificate or document delivered by or on behalf of the Corporation hereunder or pursuant to such other documents.

7.2 Indemnity in favour of the Corporation

The Subscriber shall indemnify, defend and save the Corporation harmless against and from all liabilities, claims, actions, suits, proceedings, demands, losses (other than losses of profit), costs (including reasonable legal fees and expenses), damages and expenses to which the Corporation may be subject or which the Corporation may suffer or incur, whether under the provisions of any statute or otherwise, in any way caused by, or arising directly or indirectly from or in consequence of any actual or alleged untruth, inaccuracy or breach of: A) any of the representations and warranties or B) any of the covenants of the Subscriber, in each case, as contained in this Agreement, in the Subscription Receipt Agreement or in any other certificate or document delivered by or on behalf of the Subscriber hereunder or pursuant to such other documents.

7.3 Third party claim

- a) If any claim contemplated by Subsection 7.1 is asserted against an Indemnified Person, such Indemnified Person shall notify the Corporation (the “**Indemnifying Party**”) (provided that failure to so notify the Indemnifying Party of the nature of such claim in a timely fashion shall relieve the Indemnifying Party of liability hereunder only if and to the extent that such failure materially prejudices the Indemnifying Party's ability to defend such claim) as soon as possible of the nature of such claim and the Indemnifying Party shall be entitled (but not required) to assume the defence on behalf of the Indemnified Person of any suit brought to enforce such claim, provided, however, that the defence shall be through legal counsel selected by the Indemnifying Party and acceptable to the Indemnified Person, acting reasonably, and that no settlement may be made by the Indemnifying Party or the Indemnified Person without the prior written consent of the other, such consent not to be unreasonably withheld. The Indemnified Person shall have the right to retain separate counsel in any proceeding relating to a claim contemplated by Subsection 7.1 but the fees and expenses of such counsel shall be at the expense of the Indemnified Person, unless:
- i) the Indemnified Person has been advised by counsel that there may be a reasonable legal defence available to the Indemnified Person which is different from or additional to a defence available to an Indemnifying Party and that representation of the Indemnified Person and the Indemnifying Party by the same counsel would be inappropriate due to the actual or potential differing interests between them (in which case the Indemnifying Party shall not have the right to assume the defence of such proceedings on the Indemnified Person's behalf);
 - ii) the Indemnifying Party shall not have taken the defence of such proceedings on behalf of the Indemnified Person and employed counsel within ten (10) days after notice has been given to the Indemnifying Party of commencement of such proceedings or, having employed such counsel, have diligently pursued such defence;
 - iii) the employment of such counsel on behalf of the Indemnified Person has been authorized by the Indemnifying Party in connection with the defence of such proceedings;

and, in any such event, the reasonable fees and expenses of such Indemnified Person's counsel (on a solicitor-client basis) shall be paid by the Indemnifying Party, provided that the Indemnifying Party shall not, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one separate law firm (in addition to any local counsel) for the Indemnified Persons.

- b) If the Indemnifying Party has assumed the defence of any suit brought to enforce a claim hereunder, the Indemnified Person shall provide the Indemnifying Party with copies of all documents and information in its possession pertaining to the claim, take all reasonable actions necessary to preserve its rights to object to or defend against the claim, consult and reasonably cooperate with the Indemnifying Party in determining whether the claim and any legal proceeding resulting therefrom should be resisted, compromised or settled and reasonably cooperate and assist in any negotiations to compromise or settle, or in any defence of, a claim undertaken by the Indemnifying Party.
- c) If the indemnification provided for in this Section 7 is held by a court of competent jurisdiction to be unavailable to an Indemnified Person with respect to any liabilities, claims, actions, suits, proceedings, demands, losses (other than losses of profit), costs (including reasonable legal fees and expenses), damages and expenses referred to in this Section 7, then the Indemnifying Party, in lieu of indemnifying such Indemnified Person hereunder, shall contribute to the amount paid or payable by such proportion as is appropriate to reflect the relative fault of the Indemnifying Party, on the one hand, and of the Indemnified Party, on the other, in connection with the statement or omissions that resulted in such liabilities, claims, actions, suits, proceedings, demands, losses, costs, damages or expenses, as well as any other relevant equitable considerations.
- d) The Corporation hereby acknowledges and agrees that, with respect to this Section 7, the Subscriber is contracting on its own behalf and as agent for the other Indemnified Persons referred to in this Section 7. In this regard, the Subscriber shall act as trustee for such Indemnified Persons of the covenants of the Corporation under this Section 7 with respect to such Indemnified Persons and accepts these trusts and shall hold and enforce those covenants on behalf of such Indemnified Persons.

8. SURVIVAL OF REPRESENTATIONS AND WARRANTIES

Notwithstanding any verification conducted by the Subscriber or the Corporation as well as their representatives and agents, the representations and warranties, covenants and indemnities contemplated herein shall survive for a period of 2 years following the date of Closing of the Underlying Transaction, except with respect to tax representations and warranties, which shall continue to have full effect until the expiry of the prescription period pursuant to relevant tax legislation, provided that, in the case of fraud, the representations and warranties shall remain in effect for an unlimited period.

9. COVENANTS

9.1 Use of Subscription Proceeds

As of Closing, the Corporation agrees to use the Subscription Price in accordance with and only for the purposes of the Underlying Transaction as described in the Announcement (taking into account acquisition, financing, integration and working capital costs).

9.2 Notice of Material Adverse Change

From Closing until the Closing of the Underlying Transaction, the Corporation agrees, for information purposes only and without thereby conferring any right on the Subscriber, to notify the Subscriber as soon as possible of the occurrence, according to the judgement of the Corporation, of any Material Adverse Change affecting, to the knowledge of the Corporation, (i) the Corporation or its Material Subsidiaries, (ii) Lone Star or its Subsidiaries, (iii) the Underlying Transaction, or (iv) the Bank Financing, in each case, subject to any confidentiality obligation of the Corporation.

9.3 Registration Rights Agreement

Concurrently with or before the Closing of the Underlying Transaction, the Corporation and the Subscriber shall have entered into a registration rights agreement in French which terms shall be in the form and on the terms set forth in the English form of registration rights agreement attached as Schedule D hereto (the "**Registration Rights Agreement**").

10. PREFERENTIAL RIGHT

From the date hereof until Closing of the Underlying Transaction, the Corporation agrees to give the Subscriber a true copy of any agreement relating to the subscription of Subscription Receipts or Shares (or securities convertible into Shares) by any investor other than the Subscriber within 5 days of the said subscription. To the extent that the subscription terms and conditions offered to such other investor are more advantageous than those offered to the Subscriber in connection with the Transaction, the Subscriber reserves the right to demand the same terms and conditions as those of such other investor subscribing to Subscription Receipts or Shares (or securities convertible into Shares) by giving the Corporation notice to such effect within 5 days of receipt of the said subscription documents.

RECITALS:

- (C) CGI Europe and Logica have agreed to enter into this Agreement to set out certain mutual commitments to regulate the basis on which they are willing to implement the Offer.
- (D) CGI Group Inc. has agreed to guarantee the obligations of CGI Europe under this Agreement.

IT IS AGREED as follows:

1. Rule 2.7 Announcement

The obligations of the Parties under this Agreement (other than this Clause 1 and Clause 11.8) shall be conditional on the release of the Rule 2.7 Announcement at or before 12 noon on June 1, 2012, or such other time and date as may be agreed by CGI Europe and Logica.

2. Terms of the Offer

The terms and conditions of the Offer shall be those set out in the Rule 2.7 Announcement (including the Conditions), together with such other terms as may be agreed by CGI Europe and Logica in writing or as required by the Panel. Should CGI Europe elect to implement the Offer by means of the Takeover Offer on the terms and subject to the Conditions, the terms of the Offer shall be set out in the Takeover Offer Document.

3. Logica Share Schemes

CGI Europe and Logica agree to comply with Schedule 3 in respect of the proposals under Rule 15 of the Code relating to the Logica Share Schemes and the other matters with which it deals.

4. Regulatory Conditions

Allocation of responsibility and timing

- 4.1 CGI Europe shall have primary responsibility for obtaining all consents or approvals of any Regulatory Authority which are required in order to obtain the Clearances.
- 4.2 CGI Europe and Logica agree to make all filings and to supply all information necessary in order to obtain the consents and approvals referred to in Clause 4.1 in each case as soon as reasonably practicable.
- 4.3 Each of CGI Europe and Logica shall make an appropriate filing of a notification and report form pursuant to the HSR Act as promptly as practicable and shall supply as promptly as reasonably practicable any additional information and documentary material that may be requested pursuant to the HSR Act and take all other actions necessary to cause the expiration or termination of the applicable waiting periods under the HSR Act as soon as reasonably practicable.
- 4.4 Promptly following the date of the Rule 2.7 Announcement, CGI Europe and Logica shall meet in order to agree a plan with respect to contacting the relevant individuals within the relevant government departments and agencies in order to discuss with such individuals, as soon as reasonably practicable, any Clearance that may be required in relation to the implementation of the Offer as a consequence of Logica and/or any member of the Logica Group being party to a Relevant Logica Agreement. Following such meeting, CGI Europe and Logica shall cooperate with each other with respect to the agreed upon communication strategy in respect of such Clearances.

Further obligations

- 4.5 Without prejudice to the generality of Clauses 4.1 to 4.4 (inclusive), each of CGI Europe and Logica undertakes that, to the extent not prohibited by law or regulation, it will:
 - 4.5.1 provide to the other (or its advisers), or procure the provision to the other (or its advisers) of, draft copies of all material filings, notifications, submissions and communications to be made to any Regulatory Authority by it or on its behalf in relation to obtaining any Clearances, at such time as will allow the other a reasonable opportunity to provide comments on such filings, notifications, submissions and communications before they are submitted or sent;
 - 4.5.2 incorporate such comments made by the other as are reasonable in such material filings, notifications, submissions and communications;
 - 4.5.3 provide the other (or its nominated advisers) with copies of all material filings, notifications, submissions and communications in the form submitted or sent to any Regulatory Authority by or on its behalf in relation to obtaining any Clearances;
 - 4.5.4 give the other reasonable prior notice of, and allow persons nominated by the other to attend, all meetings and/or material telephone calls with any Regulatory Authority in connection with the obtaining of the Clearances and the implementation of the Offer and to make reasonable oral submissions during such meetings and/or telephone calls; and

- 4.5.5 promptly notify the other of any material communications from any Regulatory Authority in relation to obtaining any Clearances and provide copies thereof.
- 4.6 Each of CGI Europe and Logica undertakes, to the extent not prohibited by law or regulation, to keep the other informed of the progress towards satisfaction (or otherwise) of the Regulatory Conditions and if at any time it becomes aware of anything that may be reasonably considered to be likely to prevent any of the Regulatory Conditions from being satisfied, it shall promptly inform the other.
- 4.7 For the avoidance of doubt, nothing in this Clause 4 shall require a Party to disclose to another Party any commercially sensitive or confidential information related to its business and/or the business of any other member of the CGI Group or the Logica Group (as applicable) or any information which is not material to any Clearance and any Party may redact such information from any documents shared with another Party and/or take other reasonable steps to procure that such information is not shared with another Party.
- 4.8 In relation to any Relevant Logica Agreement, in the event that a Security Agency requests, offers or requires undertakings from CGI Europe that relate to (a) the behaviour of personnel involved in the implementation of such Relevant Logica Agreement, (b) the manner in which such Relevant Logica Agreement must be conducted or (c) secrecy as a pre-condition to granting Clearances in respect of that Relevant Logica Agreement, CGI Europe undertakes to promptly offer, accept or agree to any such undertakings in order that the relevant Clearances can be obtained as soon as reasonably practicable, provided that the terms of such undertakings are consistent with (or not materially more onerous than) undertakings previously required by such Security Agency in comparable circumstances to the Offer, and provided further that either (i) the terms of such undertakings are reasonably satisfactory to CGI Europe in the context of the successful implementation of the Offer or (ii) the Panel requires CGI Europe to give such undertakings.
- 4.9 CGI Europe shall be responsible for paying any filing, administrative or other fees levied by any Regulatory Authority for the purpose of obtaining the Clearances, unless such fees are payable by Logica as specified by the applicable local laws and regulation.
- 4.10 CGI Europe's obligations under Clause 4.8 shall be interpreted on the basis of the information supplied by or on behalf of Logica to CGI Group Inc. prior to the date of this Agreement.

5. Documentation

- 5.1 CGI Europe undertakes to provide Logica with all such co-operation, information and assistance as it may reasonably request in connection with the preparation and verification of the Scheme Document.
- 5.2 CGI Europe agrees to procure that the CGI Responsible Individuals take responsibility for the CGI Information.

6. Switching

- 6.1 CGI Europe reserves the right to elect to implement the Offer by means of the Takeover Offer at any time (the "**Right to Switch**") subject to CGI obtaining the consent of the Panel, if required.
- 6.2 If CGI Europe elects to implement the Offer by way of the Takeover Offer, CGI Europe

- 6.2 If CGI Europe elects to implement the Offer by way of the Takeover Offer, CGI Europe undertakes not to invoke the acceptance condition or lapse the Takeover Offer at any closing date on the grounds that the acceptance condition has not been satisfied prior to Day 60 (as determined in accordance with Rule 31.6 of the Code and Notes on that Rule) unless CGI Europe first announces via an RIS (such announcement not to be made prior to the 14th day after posting of the Offer Document) that the Takeover Offer will lapse if the acceptance condition has not been satisfied on the date specified in such announcement, such date being no earlier than the 14th day after the date on which such announcement is made.
- 6.3 CGI Europe agrees to submit drafts and revised drafts of any Takeover Offer Document to Logica for review and comment and, where necessary, to discuss any comments with Logica for the purposes of preparing such revised drafts.
- 6.4 Save as may be required by the Panel, CGI Europe will only despatch the Offer Document once it has obtained the prior written approval (not to be unreasonably withheld or delayed) of Logica for inclusion of the Logica Information in it.

7. Substitution

Subject to the consent of the Panel, CGI Europe reserves the right to substitute another member of the CGI Group for CGI Europe (the “**Substitution**”). If the Substitution is used to implement the Offer, references to CGI Europe in this Agreement shall be construed to refer to the Substitution.

8. Termination

- 8.1 Without prejudice to the rights of any Party that may have arisen prior to termination and, except where expressly stated to the contrary, the Parties’ obligations under this Agreement shall terminate with immediate effect and all rights and obligations of the Parties under this Agreement shall cease forthwith:
- 8.1.1 if the Scheme (or the Takeover Offer, if a Takeover Offer is made) is withdrawn or lapses in accordance with its terms and/or with the consent of the Panel (other than where such lapse or withdrawal is a result of the exercise of the Right to Switch or is otherwise to be followed by a Rule 2.7 announcement made by CGI Europe or a member of the CGI Group to implement the Offer by a different takeover offer or scheme of arrangement on substantially the same or improved terms as those of the Offer);
 - 8.1.2 if two or more of the Logica Directors withdraw their recommendation of the Scheme (or the Takeover Offer, if a Takeover Offer is made);
 - 8.1.3 if the Scheme has not become Effective by 5:00 p.m. on the Long Stop Date;
 - 8.1.4 if the Shareholder Meetings have not been held on or prior to the Meetings Long Stop Date; or
 - 8.1.5 as agreed in writing between the Parties.

- 8.2 Termination of this Agreement shall be without prejudice to the rights of any Party which have arisen prior to termination. Clauses 11.8, 11.10, 12 and 13 shall survive termination of this Agreement.

9. Warranties

- 9.1 Each of CGI Europe and CGI Group Inc. warrants to Logica on the date of this Agreement that:
- 9.1.1 it has the requisite power and authority to enter into and perform its obligations under this Agreement;
 - 9.1.2 this Agreement constitutes its binding obligations in accordance with its terms;
 - 9.1.3 the execution and delivery of, and performance of its obligations under, this Agreement will not:
 - (A) result in a breach of any provision of its constitutional documents;
 - (B) result in a breach of, or constitute a default under, any instrument to which it is a party or by which it is bound; or
 - (C) result in a breach of any order, judgment or decree of any court or governmental agency to which it is a party or by which it is bound.
- 9.2 No Party shall have any claim for breach of warranty after the Effective Date (without prejudice to any liability for fraudulent misrepresentation or fraudulent misstatement).

10. Guarantee

- 10.1 CGI Group Inc. irrevocably and unconditionally guarantees to Logica the due and punctual performance and observance by CGI Europe of all of its obligations under this Agreement (the “Guarantee”).
- 10.2 The Guarantee is to be a continuing security which shall remain in full force and effect until all of the obligations of CGI Europe under this Agreement shall have been fulfilled or shall have expired in accordance with the terms of this Agreement and the Guarantee is to be, in addition, and without prejudice to, and shall not merge with, any other right, remedy, guarantee or security which Logica may now or hereafter hold in respect of all or any of the obligations of CGI Europe under this Agreement.
- 10.3 The liability of CGI Group Inc. under the Guarantee shall not be affected, impaired or discharged by reason of any act, omission, matter or thing which, but for this provision, might operate to release or otherwise exonerate CGI Europe from its obligations hereunder including, without limitation:
- 10.3.1 any amendment, variation or modification to, or replacement of this Agreement;
 - 10.3.2 the taking, variation, compromise, renewal, release, refusal or neglect to perfect or enforce any rights, remedies or securities against CGI Europe or any other person;
 - 10.3.3 any time or indulgence or waiver given to, or composition made with, CGI Europe or any other person; or

- 10.3.4 CGI Europe becoming insolvent, going into receivership or liquidation or having an administrator appointed.
- 10.4 The Guarantee shall constitute the primary obligations of CGI Group Inc. and Logica shall not be obliged to make any demand on CGI Europe or any other person before enforcing its rights against CGI Group Inc. under the Guarantee.
- 10.5 If at any time any one or more of the provisions of the Guarantee is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions hereof shall not be in any way affected if impaired thereby.

11. Miscellaneous Provisions

11.1 Assignment

Other than following a Substitution as contemplated under Clause 7, no Party may assign (whether absolutely or by way of security and whether in whole or in part), transfer, mortgage, charge, declare itself a trustee for a third party of, or otherwise dispose of (in any manner whatsoever) the benefit of this Agreement or sub-contract or delegate in any manner whatsoever its performance under this Agreement (each of the above a “**dealing**”) and any such purported dealing in contravention of this Clause 11.1 shall be ineffective.

No variation to this Agreement shall be effective unless made in writing (which for this purpose, does not include email) and executed by each of the Parties. The expression “variation” includes any variation, supplement, deletion or replacement, however effected.

SCHEDULE 2
RULE 2.7 ANNOUNCEMENT

**NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION IN WHOLE OR IN PART, IN,
INTO OR FROM ANY JURISDICTION WHERE TO DO SO WOULD CONSTITUTE A
VIOLATION OF THE RELEVANT LAWS OF SUCH JURISDICTION**

31 May 2012

RECOMMENDED CASH ACQUISITION
of
LOGICA PLC
by
CGI GROUP HOLDINGS EUROPE LIMITED
(a wholly owned subsidiary of CGI Group Inc.)
to be effected
by means of a Scheme of Arrangement
under Part 26 of the Companies Act 2006

Summary

- The boards of directors of Logica plc (“**Logica**”) and CGI Group Inc. (“**CGI**”) are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition of Logica by CGI Holdings Europe Limited (“**CGI Europe**”), a wholly owned subsidiary of CGI, pursuant to which CGI Europe will acquire the entire issued and to be issued ordinary share capital of Logica (the “**Acquisition**”). The Acquisition will be implemented by way of a scheme of arrangement.
- Under the terms of the Acquisition:

Logica Shareholders will be entitled to receive 105 pence in cash per Logica Share.

The Acquisition price represents a premium of approximately:

- 59.8 per cent. to the Closing Price per Logica Share of 65.70 pence on 30 May 2012 (being the last Dealing Day prior to the date of this announcement);
- 49.6 per cent. to the average Closing Price of approximately 70.20 pence per Logica Share for the one month period ending on 30 May 2012 (being the last Dealing Day prior to this announcement); and
- 32.8 per cent. to the average Closing Price of approximately 79.05 pence per Logica Share for the six month period ending on 30 May 2012 (being the last Dealing Day prior to this announcement).
- The Acquisition values the entire issued and to be issued ordinary share capital of Logica at approximately £1.7 billion (C\$2.8 billion) on the basis of a fully diluted share capital of 1,646 million Logica Shares (net of option proceeds) (assuming that all rights in respect of in-the-money options under the Logica Share Schemes are exercised on the basis explained in this announcement).
- In addition, the Acquisition implies an enterprise value multiple of approximately 6.6 times Logica’s EBITDA for the 12 months ended 31 December 2011.
- The consideration payable under the Acquisition will be funded through a combination of the proceeds from the issuance of subscription receipts exchangeable for new shares in CGI to Caisse de dépôt et placement du Québec (“**CDP**”) and debt funding from Canadian Imperial Bank of Commerce (“**CIBC**”), National Bank of Canada (“**NBC**”) and The Toronto-Dominion Bank (“**TD**”) to CGI pursuant to term credit facilities under a new credit agreement and a backstop revolving credit facility under the same agreement or, if such backstop revolving credit facility is cancelled, from a syndicate of lenders including NBC, CIBC and TD pursuant to a revolving credit facility under the existing credit agreement.

- It is intended that the Acquisition be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the 2006 Act, further details of which are contained in the full text of this announcement. CGI Europe reserves the right, subject to the consent of the Panel, to effect the Acquisition by way of a Takeover Offer.
- The Logica Directors, who have been so advised by Rothschild, Bank of America Merrill Lynch and Deutsche Bank, as the independent financial advisers for the purposes of Rule 3 of the Code, consider the terms of the Acquisition to be fair and reasonable. In providing advice to the Logica Directors, Rothschild, Bank of America Merrill Lynch and Deutsche Bank have each taken into account the commercial assessments of the Logica Directors.
- Accordingly, the Logica Directors intend unanimously to recommend that Logica Shareholders vote in favour of the Scheme at the Court Meeting and in favour of the General Meeting Resolutions as each Logica Director has irrevocably undertaken to do in respect of Logica Shares he/she beneficially owns, being in aggregate a total of 2,563,207 Logica Shares, representing approximately 0.16 per cent. of the ordinary share capital of Logica in issue on 30 May 2012 (being the latest practicable date prior to this announcement). The irrevocable undertakings given by the Logica Directors will remain in full force and effect if the Acquisition is effected by way of a Takeover Offer and will cease to be binding only if the Scheme and, if applicable, any Takeover Offer lapses or is withdrawn and no new, revised or replacement scheme of arrangement or takeover offer by CGI Europe is or has been announced in accordance with Rule 2.7 of the Code. Further details of these irrevocable undertakings are set out in Appendix III to this announcement.
- In addition to the irrevocable undertakings received from the Logica Directors, CGI Europe has also received irrevocable undertakings from Schroder and Artemis, institutional shareholders of Logica, to vote in favour of the Scheme at the Court Meeting and in favour of the General Meeting Resolutions, in respect of a total of 292,127,041 Logica Shares, representing approximately 18.03 per cent. of the ordinary share capital of Logica in issue on 30 May 2012 (being the latest practicable date prior to this announcement). The irrevocable undertakings received from Schroder and Artemis will cease to be binding if a competing offer is announced under Rule 2.7 of the Code which has a value of 10 per cent. or more above 105 pence per Logica Share (in the case of Artemis only, where such competing offer is all in cash), unless CGI Europe has announced an improvement to the terms of the Acquisition within seven days of the competing offer being announced (in the case of Schroder) or made (in the case of Artemis) on terms at least as favourable as under the competing offer (in the case of Schroder only, in the reasonable opinion of Schroder). Further details of these irrevocable undertakings are set out in Appendix III to this announcement.
- In aggregate, therefore, irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and in favour of the General Meeting Resolutions have been received in respect of a total of 294,690,248 Logica Shares, representing approximately 18.19 per cent. of the ordinary share capital of Logica in issue on 30 May 2012 (being the latest practicable date prior to this announcement).
- CGI is a public company incorporated under the laws of the Province of Québec, Canada. Founded in 1976 and headquartered in Montréal, CGI is one of the largest independent providers of information technology and business process services to clients worldwide. CGI provides end-to-end services with approximately 31,000 professionals located in offices and centres of excellence in Canada, the United States, Europe and Asia Pacific. As at 31 March 2012, CGI's annualized revenue was approximately C\$4.3 billion and its order backlog was approximately C\$13.1 billion. CGI shares are listed on the TSX (GIB.A) and the NYSE (GIB) and are included in both the Dow Jones Sustainability Index and the FTSE4Good Index. As at 30 May 2012 (being the latest practicable date prior to this announcement) CGI had a market capitalisation of C\$5.4 billion (£3.4 billion).
- The Acquisition will be subject to the satisfaction or waiver of the Conditions set out in Appendix I to this announcement and in the Scheme Document. It is expected that the Scheme

Document, containing further information about the Acquisition and notices of the Court Meeting and General Meeting, together with the Forms of Proxy, will be posted to Logica Shareholders within 28 days of the date of this announcement and the Scheme will be effective by the end of September 2012, subject to the Conditions and certain further terms set out in Appendix I to this announcement.

Commenting on the Acquisition, Michael Roach, President and Chief Executive Officer of CGI, said:

“This announcement is consistent with our profitable growth strategy and with our belief that global consolidation of our industry is both necessary and inevitable. Logica is a leading business and technology service company with talented and committed employees and long-term client relationships. It further underscores our ongoing commitment to support our clients as they expand their businesses locally and globally. In addition to operational breadth and depth, the combined business will have critical mass and key blue chip client relationships.

We warmly welcome Logica’s professionals and believe that the combined business will provide new and larger growth opportunities for both CGI’s and Logica’s employees and clients, as well as offering CGI shareholders the same superior and industry leading returns we have delivered historically. We believe we have found the right acquisition at the right price and at the right time to create one of the very few truly independent global end-to-end technology services providers.”

Commenting on the Acquisition, David Tyler, Chairman of Logica, said:

“Over the past few years Logica has successfully integrated its European businesses into a single organisation with a clear brand and position in its main markets. Significant investments have been made in sales and marketing. It has established a strong presence in outsourcing which now represents 45 per cent. of the business. Logica has also cut overhead and staff costs substantially and offshore numbers have more than doubled, improving its cost competitiveness.

At the same time, industry dynamics have continued to develop. Competitive intensity has increased as the industry has globalised and scale has become an ever more important factor in cost competitiveness and service. Additionally, in Logica’s main European markets there is considerable economic uncertainty, which affects confidence and demand from both public and private clients.

Following an approach by CGI, the two companies engaged in a period of discussion around the possibility of combining the businesses. The Logica Directors consider there to be a strong industrial logic for the proposed combination with CGI. It meets clients’ requirements for a more comprehensive international presence and offers them the benefits of scale. Given the very limited geographic overlap and CGI’s strong reputation for successful integration, we believe this transaction will offer great opportunities for Logica’s people. For our shareholders, the offer represents an opportunity to realise a substantial premium in cash to the current share price.”

Relevant persons who deal in the relevant securities of the offeree company or of a paper offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any paper offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any paper offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any paper offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a paper offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

RECOMMENDED CASH ACQUISITION

of

LOGICA PLC

by

**CGI GROUP HOLDINGS EUROPE LIMITED
(a wholly owned subsidiary of CGI Group Inc.)**

to be effected

**by means of a Scheme of Arrangement
under Part 26 of the Companies Act 2006**

1 Introduction

The boards of directors of Logica and CGI are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition of Logica by CGI Europe, a wholly-owned subsidiary of CGI, pursuant to which CGI Europe will acquire the entire issued and to be issued ordinary share capital of Logica. It is intended that the Acquisition be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the 2006 Act.

2 The Acquisition

Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Appendix I to this announcement and to be set out in the Scheme Document, Logica Shareholders will be entitled to receive:

105 pence in cash per Logica Share

The Acquisition price represents a premium of approximately:

- 59.8 per cent. to the Closing Price per Logica Share of 65.70 pence on 30 May 2012 (being the last Dealing Day prior to the date of this announcement);
- 49.6 per cent. to the average Closing Price of approximately 70.20 pence per Logica Share for the one month period ending on 30 May 2012 (being the last Dealing Day prior to this announcement); and
- 32.8 per cent. to the average Closing Price of approximately 79.05 pence per Logica Share for the six month period ending on 30 May 2012 (being the last Dealing Day prior to this announcement).

The Acquisition values the entire issued and to be issued ordinary share capital of Logica at approximately £1.7 billion (C\$2.8 billion) on the basis of a fully diluted share capital of 1,646 million Logica Shares (net of option proceeds) (assuming that all rights in respect of in-the-money options under the Logica Share Schemes are exercised on the basis explained in this announcement).

In addition, the Acquisition implies an enterprise value multiple of approximately 6.6 times Logica's EBITDA for the 12 months ended 31 December 2011.

The Acquisition will be funded through a combination of the proceeds from the issuance of subscription receipts exchangeable for new shares in CGI to CDP and debt funding from CIBC, TD and NBC. Goldman Sachs, financial adviser to CGI and CGI Europe, is satisfied that

sufficient cash resources are available to CGI Europe to enable it to satisfy in full the consideration payable to Logica Shareholders in connection with the Acquisition.

3 Background to and reasons for the Acquisition

CGI strongly believes that the acquisition of Logica represents an attractive opportunity to expand its global footprint and strengthen its capabilities across the five key attributes of a global leader in IT and business process services:

- *People and culture*: an exceptional and talented team driven towards the common goal of client success and, as owners, benefit from a performance-based culture;
- *Client proximity with blended global delivery*: enhanced intimacy and service delivery bringing the best capabilities and its solutions to clients anywhere in the world, all the time;
- *End-to-end capabilities*: enhanced global offering with expanded platforms and the ability to cover the entire customer IT services supply chain;
- *Operational excellence*: proven methodologies and frameworks to ensure on-time, on-budget project delivery; and
- *Mission critical intellectual property*: expanded portfolio creates opportunities for profitable revenue growth, improved quality mix and over time, increased margins.

As a European business and technology service company Logica has unique strengths in its understanding of the European IT services market, its expertise across industry verticals and its intimate knowledge of its clients' businesses that enable Logica to create value for clients.

The proposed combination of CGI and Logica would create a leading player in the IT services sector worldwide with a meaningful presence in the Americas, Europe and Asia. Additionally, the combined resources of the two companies would provide an ideal platform to serve clients locally and globally, to win larger scale outsourcing opportunities, and to offer the combined client base a diverse portfolio of services and IP-led solutions, both in North America and Europe.

The combined business is expected to deliver integration benefits totalling £125 million (C\$200 million) by the end of the third financial year following completion. These benefits are expected to be realised at a one-off cost of £165 million (C\$265 million) over three years. Including the impact of the expected financial benefits, the Acquisition is expected to be immediately and significantly accretive in the range of 25 per cent. to 30 per cent. to CGI's adjusted earnings per share excluding integration and acquisition related costs. The accretion rate is expected to accelerate throughout the three year integration period following completion of the Acquisition. In addition, it is anticipated further revenue opportunities will be available to the combined business through the enhanced offering of both geographic and product services to clients of both CGI and Logica.

4 Recommendation

The Logica Directors, who have been so advised by Rothschild, Bank of America Merrill Lynch and Deutsche Bank, as the independent financial advisers for the purposes of Rule 3 of the Code, consider the terms of the Acquisition to be fair and reasonable. In providing advice to the Logica Directors, Rothschild, Bank of America Merrill Lynch and Deutsche Bank have each taken into account the commercial assessments of the Logica Directors.

Accordingly, the Logica Directors intend unanimously to recommend Logica Shareholders to vote in favour of the Scheme at the Court Meeting and the General Meeting Resolutions, as each Logica Director has irrevocably undertaken to do in respect of his own beneficial holdings of Logica Shares (further details of these irrevocable undertakings are contained in paragraph 5 below).

5 Irrevocable undertakings

CGI Europe has received irrevocable undertakings from each of the Logica Directors to vote in favour of the Scheme at the Court Meeting and in favour of the General Meeting Resolutions, in respect of a total of 2,563,207 Logica Shares, representing approximately 0.16 per cent. of the ordinary share capital of Logica in issue on 30 May 2012 (being the latest practicable date prior to this announcement). The irrevocable undertakings given by the Logica Directors will remain in full force and effect if the Acquisition is effected by way of a Takeover Offer and will cease to be binding only if the Scheme and, if applicable, any Takeover Offer lapses or is withdrawn and no new, revised or replacement scheme of arrangement or takeover offer is or has been announced by CGI Europe in accordance with Rule 2.7 of the Code.

CGI Europe has also received irrevocable undertakings from Schroder and Artemis, institutional shareholders of Logica, to vote in favour of the Scheme at the Court Meeting and the General Meeting Resolutions, in respect of a total of 292,127,041 Logica Shares, representing approximately 18.03 per cent. of the ordinary share capital of Logica in issue on 30 May 2012 (being the latest practicable date prior to this announcement).

The irrevocable undertakings received from Schroder and Artemis will cease to be binding if a competing offer is announced under Rule 2.7 of the Code which has a value of 10 per cent. or more above 105 pence per Logica Share (in the case of Artemis only, where such competing offer is all in cash), unless CGI Europe has announced an improvement to the terms of the Acquisition within seven days of the competing offer being announced (in the case of Schroder) or made (in the case of Artemis), on terms at least as favourable as under the competing offer (in the case of Schroder only, in the reasonable opinion of Schroder).

In aggregate, therefore, CGI Europe has received irrevocable undertakings in respect of a total of 294,690,248 Logica Shares, representing approximately 18.19 per cent. of the share capital of Logica in issue on 30 May 2012 (being the latest practicable date prior to this announcement).

Further details of the irrevocable undertakings are set out in Appendix III to this announcement.

Copies of the irrevocable undertakings will be on display on Logica's and CGI's websites (www.logica.com and www.cgi.com respectively) from 12 noon on 1 June 2012 until the end of the Acquisition.

6 Background to and reasons for the recommendation

Over the past few years Logica has successfully integrated its European businesses into a single organisation with a clear brand and position in its main markets. Significant investments have been made in sales and marketing. It has established a strong presence in outsourcing which now represents 45 per cent. of the business. Over the five years to December 2012, Logica's cost initiatives are expected to deliver approximately £200 million per annum of savings in overhead and staff costs. Offshore numbers have more than doubled, improving Logica's cost competitiveness. The accelerated restructuring programme announced in December 2011 ensured that the cost base of the business was adjusted to reflect a worsening economic climate, while creating the room to invest in platform-based services and the systems and tools needed to continue to transform the business.

At the same time, industry dynamics have continued to develop. Competitive intensity has increased as the industry has globalised and scale has become an ever more important factor in cost competitiveness and service. Additionally, in Logica's main European markets there is considerable economic uncertainty, which affects confidence and demand from both public and private clients.

Following an approach by CGI, the two companies engaged in a period of discussion around the possibility of combining the businesses. The Logica Directors consider there to be a strong industrial logic for the proposed combination with CGI. It meets clients' requirements for a

more comprehensive international presence and offers them the benefits of scale. Specifically, the combination with CGI will accelerate Logica's ability to support European clients wherever they operate in the world and ensure that its platforms can be sold to a wider global client base. The Logica Directors believe that being part of a larger and financially strong international group will accelerate the transformation of the business and will be beneficial for Logica's clients and people.

A combination with CGI will create one of the leading players worldwide with a differentiated services portfolio and strong market positions in North America and Europe. Both organisations have a focus on client intimacy and proximity enabling the delivery of high quality services both globally and locally, supported by approximately 72,000 IT professionals.

The Logica Directors' unanimous intention to recommend that Logica Shareholders vote in favour of the Acquisition follows a thorough assessment of the terms of the Acquisition by the Logica Directors, including taking advice from the Logica Financial Advisers as laid out in this announcement. In arriving at their decision to recommend the Acquisition, the Logica Directors have considered the standalone prospects of Logica. The Logica Directors have also taken into account the views of two of Logica's largest shareholders, Artemis and Schroder.

The terms of the Acquisition represent a substantial premium, in cash, equivalent to approximately:

- 59.8 per cent. to the Closing Price per Logica Share of 65.70 pence on 30 May 2012 (being the last Dealing Day prior to the date of this announcement);
- 49.6 per cent. to the average Closing Price of approximately 70.20 pence per Logica Share for the one month period ending on 30 May 2012 (being the last Dealing Day prior to this announcement); and
- 32.8 per cent. to the average Closing Price of approximately 79.05 pence per Logica Share for the six month period ending on 30 May 2012 (being the last Dealing Day prior to this announcement).

Following careful consideration of the above factors, the Logica Directors intend unanimously to recommend that Logica Shareholders vote in favour of the Acquisition, as they have committed to do in respect of their entire beneficial holdings of Logica Shares.

9 Logica current trading

10 Management, employees and locations

For more than 36 years, CGI has had a dream upon which the company has been built: "To create an environment in which we enjoy working together and, as owners, building a company we can be proud of." This approach has been an important factor in creating a growing and financially stable company with a track record of consistent financial performance and a strategy to continue acting as a global consolidator in the IT services market.

In line with this approach, CGI has a long-standing policy of recognising that people are one of its most important assets, which is strongly aligned with Logica's philosophy regarding clients and people. With more than 85 per cent. of employees also being shareholders, CGI consistently demonstrates one of the lowest attrition rates in the IT services industry. Consequently, CGI attaches great importance to the skills and experience of Logica's management team and employees.

Following completion of the Acquisition, CGI intends to combine its operations with Logica's over a three year integration period under CGI's brand. The combination is expected to deliver integration benefits which, once realised, should enable the combined entity to be more competitive in the IT services market through a combination of expanded breadth of product and service offerings, combined talent and extended market coverage. Realisation of the integration benefits is subject to a detailed review of the operations to assess and identify opportunities (subject to any applicable law and consultation processes) including the potential for the removal of duplication, optimising fixed assets (e.g. real estate and telephony) and

combining procurement. In addition, the review will seek to identify opportunities arising from expanded product and service offerings, team alignment and a combined customer base.

CGI has assured the Logica Directors that existing employment rights, including pension entitlements, of all Logica employees will be fully respected following completion of the Acquisition.

CGI fully respects the different employee representation structures across the countries in which Logica operates, and recognises the constructive relationship that Logica has developed with employee representative groups across its business. CGI is committed to continuing to support this.

The non-executive directors of Logica intend to resign as Logica Directors on the completion of the Acquisition.

11 Logica Share Schemes and other incentive matters

Appendix VI summarises the arrangements proposed to be implemented in relation to the Logica Share Schemes in connection with the Acquisition, together with certain other matters relating to management incentivisation.

12 Financing

The cash consideration payable under the Acquisition is being financed by a combination of:

- cash proceeds from the issuance of C\$999,999,995.86 of subscription receipts of CGI (the “**Subscription Receipts**”) to CDP pursuant to a subscription agreement dated 31 May 2012 (the “**Subscription Agreement**”) entered into by CDP and CGI a subscription receipt agreement dated 31 May 2012 (the “**Subscription Receipt Agreement**”) entered into by CDP, CGI and Computershare Trust Company of Canada, as subscription receipt agent (the “**Subscription Receipt Agent**”) and a registration rights agreement (the “**Registration Rights Agreement**”) which CGI and CDP have agreed to enter into prior to or at completion of the Acquisition; and
- debt to be provided by CIBC, NBC and TD under a credit agreement dated as of 31 May 2012 co-arranged by CIBC, National Bank Financial and TD Securities (the “**Credit Agreement**”), which provides for £1.245 billion senior unsecured term loan credit facilities and a C\$1.5 billion senior unsecured backstop revolving credit facility (the “**Backstop Revolving Credit Facility**”) to be available to CGI to finance in part the Acquisition, the fees and expenses incurred in connection therewith and the repayment of all indebtedness of the Logica Group outstanding on the day of the Acquisition; provided, however, that if the Backstop Revolving Credit Facility is cancelled as contemplated in the Credit Agreement, CGI will access the revolving credit facility available to it under the C\$1.5 billion credit agreement dated as of 2 December 2011 with, *inter alios*, NBC, as administrative agent of the lenders, and NBC, Caisse centrale Desjardins, CIBC, Citibank, N.A., Canadian Branch, TD and the other financial institutions named therein, as lenders.

Subscription Agreement, Subscription Receipt Agreement and Registration Right Agreement

Further details of the equity subscription agreements are set out in Appendix VII.

Credit Agreement

Under the Credit Agreement, CGI has agreed, among other things, that:

- except as required by the Panel, the Court, the Code or any other applicable law, regulation or regulatory body, it shall not waive, amend or modify any condition or permit the waiver, amendment or modification of any condition of the Scheme if such waiver, amendment or modification is material and would reasonably be expected to have a material adverse effect on the Scheme or material effect on the interests of any

of the Finance Parties without the consent of the Co-Lead Arrangers and the Majority Lenders (as each such term is defined in the Credit Agreement) (such consent not to be unreasonably withheld or delayed); and

- it shall not permit CGI Europe to declare the Takeover Offer unconditional as to acceptances until CGI Europe has acquired or unconditionally contracted to acquire not less than 90 per cent. in value of the shares to which the Takeover Offer relates and, where the shares are voting shares, not less than 90 per cent. of the voting rights carried by those shares (or in each case, if required by the Panel and agreed by the Co-Lead Arrangers (as such term is defined in the Credit Agreement), such lesser percentage (being at least 75 per cent.) as the Panel specifies).

Goldman Sachs, financial adviser to CGI and CGI Europe, is satisfied that sufficient cash resources are available to CGI Europe to enable it to satisfy in full the consideration payable to Logica Shareholders in connection with the Acquisition.

13 Confidentiality Agreement

Logica and CGI entered into a confidentiality agreement on 27 April 2012 (the “**Confidentiality Agreement**”), pursuant to which, amongst other things, CGI has undertaken to, unless Logica gives its express consent in writing, (i) keep confidential certain non-public information relating to the Logica Group; (ii) use such information solely for the purpose of evaluating, negotiating, advising upon or implementing a potential transaction; and (iii) not to disclose such information to third parties (other than certain permitted disclosees) unless permitted by the terms of the Confidentiality Agreement.

CGI has further undertaken that it will not, and will procure that none of its group entities will, directly or indirectly, without Logica’s prior written consent:

- for a period of 12 months from the date of the Confidentiality Agreement, employ or offer to employ, or solicit for employment or endeavour to entice away, any individual who is at any time during that period: (i) an officer of, or an employee holding an executive or management position with, Logica or any of its group undertakings and with whom CGI and/or its group undertakings had direct contact in their consideration of a potential transaction with Logica; or (ii) a member of the Logica Executive Committee or specified senior executives, provided that the placing of an advertisement of a post available to members of the public generally and the employment of any persons pursuant to any such advertisement shall not be considered as a breach of the Confidentiality Agreement; and
- for a period of 24 months from the date of the Confidentiality Agreement, use in any way any Confidential Information (as defined in the Confidentiality Agreement) in order to deal with or seek to agree to deal with, or seek the custom of, any of Logica’s customers or customers of any of its group undertakings which is or has been such a customer at any time in the 24 months from the date of the Confidentiality Agreement or the 12 months before the date of the Confidentiality Agreement, provided that CGI and its group undertakings shall not be prevented by this undertaking from dealing with any existing or prospective customers in the ordinary course of business, as long as CGI or they do not refer in any way to the proposed transaction or refer in any way to Confidential Information.

The undertakings set out in the Confidentiality Agreement terminate 24 months after the date of the Confidentiality Agreement.

14 Cooperation Agreement

Logica and CGI Europe entered into a cooperation agreement on 31 May 2012 in connection with the Acquisition (the “**Cooperation Agreement**”).

Pursuant to the Cooperation Agreement, (i) Logica and CGI Europe have each agreed to co-operate in relation to the obtaining of any and all consents, clearances, permissions and waivers as may be necessary, and the making of all filings as may be necessary, from or under the law, regulations or practices applied by any applicable regulatory authority in connection with the Acquisition; and (ii) Logica and CGI Europe have each agreed to work together to implement certain appropriate proposals in relation to the Logica Share Schemes and the employment benefits more fully detailed in paragraph 11 above and Appendix VI.

15 Conditions

The Scheme is subject to the Conditions and further terms set out in Appendix I to this announcement and to be set out in the Scheme Document.

The Conditions in paragraph 1 of Appendix I to this announcement provide that the Acquisition is conditional on:

- the approval of the Scheme by a majority in number of the Scheme Shareholders present and voting (and entitled to vote), representing not less than 75 per cent. in value of the Scheme Shares voted, either in person or by proxy, at the Court Meeting no later than 20 August 2012 or such later date (if any) selected by Logica as CGI Europe may agree;
- the approval of the General Meeting Resolutions by the Logica Shareholders by the requisite majorities at the General Meeting no later than 20 August 2012 or such later date (if any) selected by Logica as CGI Europe may agree; and
- the sanction of the Scheme by the Court (in either case, with or without modification but subject to any modification being on terms acceptable to Logica and CGI Europe), confirmation of the Capital Reduction and the registration of the Court Orders and the Statement of Capital with the Registrar of Companies no later than 16 November 2012.

Any Logica Shares issued before the Reduction Record Time will be subject to the terms of the Scheme. The Amended Logica Articles will include provisions requiring any Logica Shares issued after the Reduction Record Time (other than to CGI Europe and/or its nominees) to be automatically transferred to CGI Europe on the same terms as the Acquisition (other than terms as to timings and formalities). The provisions of the Amended Logica Articles will avoid any person (other than CGI Europe and its nominee(s)), holding shares in the capital of Logica after the Effective Date.

16 Structure of the Acquisition

It is intended that the Acquisition will be effected by means of a Court-sanctioned scheme of arrangement under Part 26 of the 2006 Act. The Scheme is an arrangement between Logica and the Scheme Shareholders and is subject to the approval of the Court.

The purpose of the Scheme is to provide for CGI Europe to become the holder of the entire issued and to be issued ordinary share capital of Logica. This is to be achieved by the cancellation of the Scheme Shares held by Scheme Shareholders and the application of the reserve arising from such cancellation in paying up in full a number of new shares in Logica (which is equal, in nominal value, to the number of Scheme Shares cancelled) and issuing them to CGI Europe, as a result of which Scheme Shareholders will receive cash consideration on the basis set out in paragraph 2 of this announcement.

The Scheme requires the approval of Scheme Shareholders at the Court Meeting. The resolution to approve the Scheme at the Court Meeting must be approved by a majority in number of the Scheme Shareholders present and voting (and entitled to vote), either in person or by proxy, representing not less than 75 per cent. in value of the Scheme Shares held by such Scheme Shareholders. Implementation of the Scheme will also require the passing of the resolutions to approve certain matters relating to the Scheme and the Capital Reduction

(requiring approval by the requisite majorities at the General Meeting, which will be held immediately after the Court Meeting).

Once the necessary approvals from Logica Shareholders have been obtained and the other Conditions have been satisfied or (where applicable) waived, the Scheme must be approved by the Court. The Scheme will then become effective upon delivery of the Court Order(s) and the Statement of Capital as approved by the Court to the Registrar of Companies.

Upon the Scheme becoming effective:

- it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting (and if they attended whether or not they voted in favour); and
- share certificates in respect of Logica Shares will cease to be valid and entitlements to Logica Shares held within the CREST system will be cancelled.

Further details of the Scheme, including an indicative timetable for the Acquisition, will be set out in the Scheme Document, which is expected to be despatched to Logica Shareholders and, for information only, to persons with information rights and to holders of options granted under the Logica Share Schemes, as soon as practicable and, in any event, within 28 days of the date of this announcement.

CGI Europe reserves the right, subject to Panel consent, to elect to implement the Acquisition by way of a Takeover Offer on terms more fully described in paragraph 19 below.

17 Disclosure of interests in Logica Shares

As at the close of business on 30 May 2012, being the last practicable date prior to the publication of this announcement, save for: (i) the disclosures in this paragraph 17; and (ii) the irrevocable undertakings referred to in paragraph 5 above, none of CGI Europe or any of its respective directors or any member of the CGI Group or, so far as CGI Europe is aware, any person acting, or deemed to be acting, in concert with CGI Europe:

- has an interest in, or right to subscribe for or has borrowed or lent any Logica Shares or any securities convertible or exchangeable into Logica Shares (including pursuant to any long exposure, whether conditional or absolute, to changes in the price of securities);
- has the right to subscribe for or purchase the same or hold any options (including traded options) in respect of or has any right to acquire any Logica Shares or holds any derivatives referenced to Logica Shares;
- has any short position in (whether conditional or absolute and whether in-the-money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery in relation to Logica Shares or derivatives referenced to Logica Shares; or
- has procured an irrevocable commitment or letter of intent to vote in favour of the Acquisition in respect of Logica Shares or derivatives referenced to Logica Shares.

Furthermore, no arrangement exists with CGI Europe or Logica or any person acting in concert with CGI Europe or Logica in relation to Logica Shares. For these purposes, an “arrangement” includes any indemnity or option arrangement, any agreement or any understanding, formal or informal, of whatever nature, relating to Logica Shares which may be an inducement to deal or refrain from dealing in such securities.

18 Delisting and re-registration

It is intended that dealings in Logica Shares will be suspended at 5.00 p.m. London time on the Business Day prior to the Effective Date. It is further intended that an application will be made

to each of the UK Listing Authority and Euronext Amsterdam on the Effective Date for the cancellation of trading in Logica Shares on its market for listed securities and the UK Listing Authority will be requested to cancel the listing of Logica Shares on the Official List to take effect shortly after the Effective Date.

On the Effective Date, share certificates in respect of Logica Shares will cease to be valid and should be destroyed. In addition, entitlements to Logica Shares held within the CREST system will be cancelled.

It is also intended that, following the Effective Date and after its shares are delisted, Logica will be re-registered as a private limited company pursuant to the relevant provisions of the 2006 Act.

19 General

CGI Europe reserves the right, subject to Panel consent, to elect to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, the Acquisition will be implemented on substantially the same terms as those which would apply to the Scheme (subject to appropriate amendments, including an acceptance condition set at 90 per cent. of the shares to which such offer relates or such lesser percentage, being more than 50 per cent., as CGI Europe may decide and the Panel may agree).

The Acquisition will be subject to the Conditions and other terms set out in Appendix I to this announcement and set out in the Scheme Document and the Forms of Proxy. The Scheme Document will include full details of the Scheme, together with notices of the Court Meeting and the General Meeting and the expected timetable of the Acquisition.

The Acquisition will be governed by English law and will be subject to the jurisdiction of the courts of England and Wales and subject to the applicable requirements of the Code, the Panel, the London Stock Exchange, Euronext Amsterdam and the FSA.

The bases and sources of certain financial information contained in this announcement are set out in Appendix II. Certain terms used in this announcement are defined in Appendix VIII.

The Acquisition relates to the shares of an English company and is proposed to be effected by means of a scheme of arrangement under the laws of England and Wales. Moreover, the Acquisition is subject to the disclosure requirements and practices applicable in the United Kingdom and under the City Code to schemes of arrangement, which differ from the disclosure requirements of the US proxy solicitation rules and tender offer rules. If CGI exercises its right to implement the Acquisition of the Logica Shares by way of a Takeover Offer, the Takeover Offer will be made in compliance with applicable US securities laws and regulations.

Unless otherwise determined by CGI Europe or required by the Code, and permitted by applicable law and regulation, the Acquisition will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Scheme by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this announcement and all documents relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this announcement and all documents relating to the Acquisition (including custodians, nominees and trustees) must not mail or otherwise distribute or send them in, into or from such jurisdictions where to do so would violate the laws in that jurisdiction.

The availability of the Acquisition to Logica Shareholders who are not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions in which they are resident. Persons who are not resident in the United Kingdom should inform themselves of, and observe, any applicable requirements.

Dealing Disclosure Requirements

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any paper offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any paper offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any paper offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (London time) on the 10th business day following the announcement in which any paper offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a paper offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any paper offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any paper offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any paper offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a paper offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. If you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure, you should contact the Panel's Market Surveillance Unit on +44 (0) 20 7638 0129.

Part B: Certain further terms of the Acquisition

- 3 To the extent permitted by law and subject to the requirements of the Panel, CGI Europe reserves the right to waive in whole or in part, all or any of the Conditions set out in paragraph 2 above.
- 4 The Acquisition will lapse and the Scheme will not proceed, if, prior to the commencement of the Court Meeting, the European Commission adopts a decision pursuant to Article 6(1)(c) of the Council Regulation initiating proceedings in relation to the Acquisition or any matter arising from the Acquisition, or any matter arising from the Acquisition (including, but not limited to, any public interest consideration) is referred to the Competition Commission in the United Kingdom.
- 5 If CGI Europe is required by the Panel to make an offer for Logica Shares under the provisions of Rule 9 of the Code, CGI Europe may make such alterations to any of the Conditions and terms of the Acquisition as are necessary to comply with the provisions of that Rule.
- 6 Conditions 2 (a) to (i) (inclusive) must be fulfilled, be determined by CGI Europe to be or remain fulfilled or (if capable of waiver) be waived by 11.59 p.m. on the date immediately preceding the date of the Scheme Court Hearing, failing which the Scheme will lapse.

Notwithstanding the paragraph above and subject to the requirements of the Panel, CGI Europe reserves the right in its sole discretion to waive all or any of Conditions 2(a) to (i) inclusive, in whole or in part and to proceed with the Scheme Court Hearing prior to the fulfilment, satisfaction or waiver of any of Conditions 2(a) to (i) inclusive.

CGI Europe shall be under no obligation to waive (if capable of waiver), to determine to be or remain fulfilled or to treat as fulfilled any of Conditions 2 (a) to (i) (inclusive) by a date earlier than the latest date specified above for the fulfilment of that Condition, notwithstanding that the other Conditions (or any of them) may at such earlier date have been waived (if capable of waiver) or fulfilled and that there are, at such earlier date, no circumstances indicating that any such Condition may not be capable of fulfilment.

- 7 CGI Europe reserves the right to elect, with the prior written consent of the Panel, to implement the Acquisition by way of a Takeover Offer. In such event, the Acquisition will be implemented on substantially the same terms subject to appropriate amendments, including (without limitation) an acceptance condition set at 90 per cent. (or such less percentage, being more than 50 per cent., as CGI Europe may, subject to the rules of the Code and the consent of the Panel, decide) of the shares to which such offer relates, so far as applicable, as those which would apply to the Scheme.
- 8 The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of the Restricted Jurisdictions. Persons who are not resident in the United Kingdom should inform themselves about and observe any applicable requirements.
- 9 The Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other

electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any jurisdiction where to do so would violate the laws of that jurisdiction.

- 10** In the event that the Acquisition is to be implemented by way of a Takeover Offer, Logica Shares will be acquired under the Acquisition free from all liens, equities, charges, encumbrances and other interests and together with all rights attaching thereto, including voting rights and the right to receive and retain in full all dividends and other distributions (if any) announced, declared, made or paid on or after 17 May 2012. Any New Logica Shares will be issued on the same basis. Insofar as a dividend or other distribution is proposed, declared, made or payable by Logica in respect of a Logica Share on or after 17 May 2012, the price payable under the Acquisition in respect of that Logica Share will be reduced by the amount of the dividend and/or distribution, except insofar as the Logica Share is or will be acquired pursuant to the Acquisition on a basis which entitles CGI Europe alone to receive the dividend or distribution directly from Logica and to retain it.
- 11** Rule 13.5(a) of the Code states that “an offeror should not invoke any condition or pre-condition so as to cause the offer not to proceed, to lapse or be withdrawn unless the circumstances which give rise to the right to invoke the condition or pre-condition are of material significance to the offeror in the context of the offer.” The Conditions in paragraphs 1 and (with respect to a decision by the European Commission under Article 6(1)(c) or, following a referral by the European Commission pursuant to Article 9(3)(b) or 9(5), a decision by the competent authority in the United Kingdom to refer the matter to the Competition Commission) paragraph 2(a) of Part A are not subject to Rule 13.5(a) of the Code.
- 12** The Acquisition will be governed by English law and will be subject to the jurisdiction of the English courts and to the Conditions and further terms set out in this Appendix I and to be set out in the Scheme Document.

APPENDIX II

SOURCES OF INFORMATION AND BASES OF CALCULATION

In this announcement, unless otherwise stated, or the context otherwise requires, the following bases and sources have been used:

1. Financial information relating to:
 - Logica is extracted (without adjustment) from the audited consolidated financial statements for the Logica Group for the financial year ended 31 December 2011; and
 - CGI is extracted (without material adjustment) from the audited consolidated financial statements of CGI for the financial year ended 30 September 2011.
2. The value of the Acquisition is calculated on the basis of the fully diluted number of Logica Shares (at the Acquisition price) in issue referred to in paragraph 4.
3. As at the Close of Business on 30 May 2012, being the last practicable date before the date of this announcement, Logica had in issue 1,620,160,491 Logica Shares. The International Securities Identification Number for Logica Shares is GB0005227086.
4. The fully diluted share capital of Logica (being 1,646,488,083 Logica Shares) is calculated on the basis of 1,620,160,491 Logica Shares in issue on 30 May 2012, and in addition up to 26,327,592 further Logica Shares which may be issued on or after the Announcement Date following the exercise of options, or settled via alternative means, which have a price of 105 pence or less, or via the vesting of awards under the Logica Share Schemes on the basis explained in this announcement.
5. Unless otherwise stated, all prices and closing prices for Logica Shares are closing middle market quotations derived from the Daily Official List.
6. The premium calculations per Logica Shares have been calculated by reference to:
 - 59.8 per cent. to the Closing Price per Logica Share of 65.70 pence on 30 May 2012 (being the last Dealing Day prior to the date of this announcement);
 - 49.6 per cent. to the average Closing Price of approximately 70.20 pence per Logica Share for the one month period ending on 30 May 2012 (being the last Dealing Day prior to this announcement); and
 - 32.8 per cent. to the average Closing Price of approximately 79.05 pence per Logica Share for the six month period ending on 30 May 2012 (being the last Dealing Day prior to this announcement).
7. The reference to the implied enterprise value multiple is based on the value of Logica's fully diluted share capital (as calculated in note 4 above) assuming 105 pence per Logica Share plus Logica's net debt as at 31 December 2011 of £321.6 million all divided by Logica's EBITDA of £311.5m for the year ended 31 December 2011.
8. Unless otherwise stated in this announcement £1 = C\$1.60.

Such Logica Shares represent approximately 14.34 per cent. of the existing issued ordinary share capital of Logica.

The irrevocable undertaking received from Schroder will cease to be binding if:

- (a) the Scheme Document or Offer Document, as the case may be, has not been posted within 28 days after the date of this announcement (or within such longer period as CGI Europe, with the consent of the Panel, determines, being not more than eight weeks after the date of this announcement);
- (b) the Scheme terminates or lapses in accordance with its terms or otherwise becomes incapable of ever becoming effective, provided that CGI Europe has not, within 12 days of the Scheme having so terminated or lapsed, announced in accordance with Rule 2 of the Code that it intends to implement the Acquisition by way of a Takeover Offer or any new scheme of arrangement;
- (c) in the event that the Acquisition is implemented by way of a Takeover Offer, the Takeover Offer is withdrawn or lapses; or

Artemis

CGI Europe has received an irrevocable undertaking from Artemis in respect of 59,835,080 Logica Shares which it manages on behalf of clients and in respect of which it is able to exercise discretionary and voting control, representing approximately 3.69 per cent. of the existing issued ordinary share capital of Logica:

- (a) CGI Europe announces, with the consent of the Panel, that it does not intend to make or proceed with the Acquisition and no new, revised or replacement Scheme or Takeover Offer is announced by CGI Europe in accordance with Rule 2.7 of the Code at the same time; or
- (b) the Scheme does not become effective or, as applicable, the Takeover Offer lapses or is withdrawn and no new, revised or replacement scheme of arrangement or takeover offer is or has been announced in accordance with Rule 2.7 of the Code; or
- (c) a third party announces in accordance with Rule 2.7 of the Code a firm intention to make or makes a competing offer (howsoever structured) without preconditions where the consideration is payable entirely in cash on terms which represent an improvement of 10 per cent. or more on the value of the consideration offered under the Acquisition as at the date on which such competing offer is announced unless CGI Europe has announced an improvement to the terms of the Acquisition within seven days of such competing offer being made such that the terms of the improved Acquisition are at least as favourable as under the competing offer.

APPENDIX IV

Commenting on today's announcement, Andy Green, CEO, said:

"This is a solid performance underpinning our full year guidance. We have made good progress with clients in delivering against current contracts as well as winning and implementing new business. Our restructuring actions are fully on track and will help drive improvement in profitability in the second half."

Outlook

Our full year revenue and margin guidance remains unchanged despite our expectation of a subdued second quarter given the impact of elections in several countries and a cautious economic outlook for our main markets. Full year revenue growth is expected to be in the range of -2% to +2% and we expect our full year 2012 operating margin to be above 6.5% even in tough market conditions.*

We have made good progress with our restructuring programmes in the Benelux, Sweden and Infrastructure Management (IM). We continue to expect to see the savings of £25 to £35 million coming through, largely in the second half of the year.

We expect to deliver against our key 2012 objectives. Our Benelux business will return to profit in 2012; our Swedish business will deliver an improved margin and our IM business will be strongly competitive going forward.

* See Profit Forecast report in Appendix V for Logica plc for the year ending 31 December 2012

Net debt/EBITDA at the end of 2012 is expected to be around 1.0x, after the expected cash impact of the restructuring of between £60 to £70 million (the bulk of which will be in the first half).

Progress on execution and control

Our continued focus on strengthening delivery assurance and our contract accounting Centre of Excellence are aimed at ensuring that we implement projects successfully for our clients, resolve issues as they arise and take a prudent view on contracts, to allow us to deliver high quality earnings. We are making good progress in fully embedding the processes across the organisation.

Progress with clients

Our progress with clients continues to be based on delivering against current contracts as well as winning and implementing new business. We are seeing a wide spread of smaller and medium sized orders in the pipeline with good opportunities in the Public Sector and Transport, Trade and Industrial (TTI).

We continue to deliver well against longer term contracts like the Crown Prosecution Service where our work successfully implementing case management reached its tenth year. Q1 also marked the first anniversary of our major contracts with Shell and SOCA, with transition completed on both contracts.

Our new orders in the quarter totalled £1,057 million, against a record order book in the first quarter of last year (Q1 2011: £1,393 million) when we signed a number of long term Outsourcing contracts.

Progress on labour

The increase in employee numbers over the last twelve months to 41,267 (Q1 2011: 39,864) was due to the addition of 1,200 through the Grupo Gesfor acquisition in May 2011.

Growth in headcount in our offshore centres over the last year was 24%, with approximately 7,300 in these centres at the end of March (Q1 2011: 5,900). We have now reached 1,000 employees in the Philippines, a 40% increase since the first quarter of 2011.

With attrition running at around 13% (Q1 2011: 14%), we are continuing to recruit in areas of high demand across most of our markets.

The restructuring programme announced on 14 December 2011 is fully on track.

Service line performance

Outsourcing

	Three months to March		
£m	2012	2011	Change
Backlog at end of period	2,513	2,623	(4)%
Orders	448	749	(40)%
Revenue	407	409	0%
Orders by type	2012	2011	Change
Applications Management (AM)	186	302	(38)%
Infrastructure Management (IM)	212	267	(21)%
Business Process Outsourcing (BPO)	50	180	(72)%
Revenue by type	2012	2011	Change
Applications Management (AM)	196	211	(7)%
Infrastructure Management (IM)	166	155	7%
Business Process Outsourcing (BPO)	45	43	5%

Orders in the quarter were £448 million (Q1 2011: £749 million), reflecting the uneven nature of contract awards in this part of the business and the strong order performance in Q1 2011.

We signed a seven-year BPO contract for meter-2-cash and customer management services for Danish utility Tre-for. During the quarter we also signed new contracts with Energy and Utilities and Trade, Transport and Industrial clients in France. Since the end of the quarter we signed a five-year managed services contract with Queensland Rail worth AUD \$33 million (£21 million) to transition and manage the State-owned rail company's newly-established ICT infrastructure platform.

Revenue for the quarter was stable on 2011 at £407 million, as we have reached a steady state of delivery into a number of significant contracts in Northern and Central Europe and Sweden. In the first quarter of 2011 we also saw the implementation of various Applications Management contracts in France.

Consulting and Professional Services

	Three months to March		
£m	2012	2011	Change
Book to bill %	108	114	n.a.
Orders	609	644	(5)%
Revenue	564	565	0%

Book to bill remains strong at 108% (Q1 2011: 114%), with a good level of orders signed particularly in Northern and Central Europe. This was partially offset by weaker performances in the UK and Sweden.

Consulting and Professional Services revenue showed a resilient performance - flat at £564 million (Q1 2011: £565 million).

Segmental performance

France

	Three months to March		
£m	2012	2011	Change
Orders	240	222	8%
Consulting and Professional Services book to bill %	96	103	n.a.
Revenue	217	219	(1)%

Order intake for the first quarter was strong, up 8% on the first quarter of last year, with good performance in the Outsourcing business, particularly with our Trade, Transport and Industrial clients. During the quarter we also renewed a series of contracts with Energy and Utilities clients.

As anticipated, Consulting and Professional Services book to bill was below 2011 as a result of the uncertainty surrounding the French elections and slow decision making in Financial Services.

Revenue was down 1% to £217 million, as a result of lower utilisation than Q1 2011. This expected slowdown in activity was against a very strong start in 2011, when we implemented a number of important Applications Management contracts.

Northern and Central Europe

	Three months to March		
£m	2012	2011	Change
Orders	340	241	41%
Consulting and Professional Services book to bill %	162	132	n.a.
Revenue	210	206	2%

Order intake saw a 41% increase on the first quarter of last year, primarily driven by orders signed in Denmark and a number of small wins in Finland and Germany.

Consulting and Professional Services book to bill was very strong at 162%.

We signed contracts with Finnish energy and utilities providers Savon Voima and Tripower, using Microsoft Dynamics in order to increase the range of services available online and allowing their customers to react faster to changes in the energy market. In Germany we signed a four-year Applications Management contract with Barmer GEK, the largest statutory health insurer in the country for the development, test and support of their operational application systems.

Revenue for the quarter was up 2% to £210 million, with growth in Energy and Utilities and Financial Services offsetting a weaker performance in Transport, Trade and Industrial and Telecoms.

UK

	Three months to March		
£m	2012	2011	Change
Orders	101	515	(80)%
Consulting and Professional Services book to bill %	74	101	n.a.
Revenue	191	179	7%

Total orders in the first quarter were £101 million (2011 Q1: £515 million).

Total order intake and Consulting and Professional Services book to bill were down on a very strong first quarter in 2011, reflecting the uneven nature of contract awards in an Outsourcing-led business on the back of previously disclosed contracts with the Serious Organised Crime Agency (SOCA) and Shell. Excluding these orders, the underlying order performance was 5% down year on year.

Revenue was up 7% to £191 million with good performance in both Outsourcing and Consulting and Professional Services. System design and third party implementation work under our major contracts with Shell and SOCA, together with good growth in Energy and Utilities and the Public Sector drove the strong performance year on year.

Sweden

	Three months to March		
£m	2012	2011	Change
Orders	159	159	0%
Consulting and Professional Services book to bill %	68	127	n.a.
Revenue	154	155	(1)%

Order intake was £159 million, in line with the first quarter of last year. The increase of new Outsourcing orders signed was offset by a slow start to the year in Consulting and Professional Services.

Revenue was down 1% on 2011 at £154 million, with commercial sectors down 2% as a result of the weaker demand in Financial Services and Telecoms.

We have made good progress on implementing the restructuring programme. We continue to expect this to contribute to improved margin in Sweden.

Our expectation of second half growth is based on a solid longer term pipeline and backlog despite continued softness in shorter term work.

Benelux

	Three months to March		
£m	2012	2011	Change
Orders	113	169	(33)%
Consulting and Professional Services book to bill %	101	97	n.a.
Revenue	111	118	(6)%

New orders signed in the quarter totalled £113 million and included a new case management project with the European Patent Office and a new SEPA win with a large Dutch financial services client.

The 33% decrease in orders was against a strong first quarter of 2011 when we won an €80 million (£66 million) Outsourcing contract with an important Dutch client.

Revenue was down 6% to £111 million as a result of weakness in the Financial Services sector.

The restructuring programme is on track with the majority of exits expected in the second and third quarters of the year. We remain confident that this will result in a return to profitability in 2012.

International

	Three months to March		
£m	2012	2011	Change
Orders	104	87	20%
Consulting and Professional Services book to bill %	110	122	n.a.
Revenue	88	97	(9)%

We saw a strong start of the year in orders, up 20% on 2011 as a result of Outsourcing contract wins in our Australian business.

Revenue was down 9% against the first quarter of 2011. The phasing of new Australian contracts and the ramp down of growth in Brazil under a number of contracts slowed revenue in the quarter, despite good growth in North America.

Since the end of the quarter we also signed a five-year managed services contract with Queensland Rail worth AUD \$33 million (£21 million) to transition and manage the State-owned rail company's newly-established ICT infrastructure platform.

The new orders signed in the quarter will be significant contributors to returning the cluster back to revenue growth in the second half.

Financial position

Net debt/EBITDA at the end of 2012 is expected to be around 1.0x, after the expected cash impact of the restructuring of between £60 to £70 million (the bulk of which will be in the first half).

As disclosed in the 2011 Annual Report and Accounts, the Group received a €59 million VAT claim from French tax authorities in 2009. This claim related to the VAT treatment of goods exported from France during the years 2004 to 2006. The Administrative Court of Montreuil has now rendered an adverse ruling on the claim and Logica is required to make a cash payment of €59 million to the French tax authorities, which includes penalties and interest.

The Group continues to consider this claim without merit and is exercising its right to appeal, including challenging the demand for payment through the appropriate channels. This is likely to result in a protracted legal process.

APPENDIX V

LOGICA PROFIT FORECAST

PART A: PROFIT FORECAST FOR LOGICA PLC FOR THE FINANCIAL YEAR ENDING 31 DECEMBER 2012

1. GENERAL

Logica made the following public announcement on 11 May 2012 within its first quarter earning release:

“Our full year revenue and margin guidance remains unchanged despite our expectation of a subdued second quarter given the impact of elections in several countries and a cautious economic outlook for our main markets. Full year revenue growth is expected to be in the range of -2% to +2% and we expect our full year 2012 operating margin to be above 6.5% even in tough market conditions.”

In the above statement, full year revenue growth relates to the anticipated revenue growth for the financial year ended 31 December 2012 compared with the reported revenue for the financial year ending 31 December 2011 reported in Logica’s 2011 Annual Report and Accounts adjusted for acquisitions (“pro-forma revenue”) and rebased to 2012 average exchange rates. Operating margin is defined as the operating margin adjusted for depreciation and amortisation of intangibles, exceptional items and for the effect of acquisitions and disposals.

The guidance given on 11 May 2012 set an expectation of an adjusted operating profit higher than £253 million based on a GBP/EUR exchange rate for 2011 of £1: €1.15. The actual profit in a situation where the minimum guidance of minus 2% revenue and margin of 6.5% was achieved will depend on the actual exchange rates. Assuming an average exchange rate of £1: €1.23, the expectation of full year operating profit, before exceptional items, would be higher than £242 million.

The above statement “*the expectation of full year operating profit, before exceptional items, would be higher than £242 million,*”* for the financial year ending 31 December 2012 constitutes a profit forecast for the purposes of the Code. The Logica Directors have considered and reconfirm the Logica Profit Forecast.

2. BASIS OF PREPARATION

The Logica Profit Forecast has been prepared on a basis consistent with the accounting policies for Logica, which are in accordance with IFRS and those which Logica anticipates will be applicable for the full year ending 31 December 2012.

The Logica Directors have prepared the Logica Profit Forecast based on the unaudited management accounts for the 4 month period from 1 January 2012 to 30 April 2012 and a forecast of the results for the 8 month period ending 31 December 2012.

3. ASSUMPTIONS

The Logica Directors have prepared the Logica Profit Forecast on the basis of the following assumptions:

3.1 Factors outside the influence or control of Logica Directors

- There will be no material change to existing prevailing global, and in particular European, macroeconomic and political conditions during the year ending 31 December 2012.
- There will be no material changes in market conditions within the European IT services industry over the 8 month forecast period to 31 December 2012 in relation to either customer demand or competitive environment.
- The announcement of the proposed acquisition of Logica by CGI will not result in any material changes to Logica’s obligations to clients, its ability to negotiate new business, resolve contract disputes or to the retention of key management.
- The Euro and Rupee exchange rates, and inflation and tax rates in Logica’s principal markets will remain materially unchanged from the prevailing rates.
- There will be no material change in Logica’s labour costs, including medical and pension and other post-retirement benefits driven by external parties or regulations.

- There will be no material adverse events that will have a significant impact on Logica's financial performance
- There will be no material change in legislation or regulatory requirements impacting on Logica's operations or its accounting policies.

3.2 Factors within the influence or control of the Logica Directors

- Current contract negotiations with a number of clients will conclude materially as the Logica Directors would reasonably expect based on Logica's past experience.
- No material new client contract issues will arise beyond those that are already known to the Logica Directors at the current time and built into the forecasts.
- The Logica Profit Forecast excludes any exceptional transaction and transition costs associated with the proposed acquisition of Logica by CGI.
- There will be no material acquisitions or disposals of businesses during the financial year ending 31 December 2012.
- There will be no material change in the present management or control of Logica or its existing operational strategy.

The Logica Directors who are solely responsible for the Logica Profit Forecast have received the following letters from PricewaterhouseCoopers, Rothschild, Deutsche Bank and Bank of America Merrill Lynch relating to the Logica Profit Forecast.

Dear Sirs

Logica PLC

We report on the profit forecast comprising the statement by Logica PLC (the “**Company**”) and its subsidiaries (together the “**Group**”) for the year ending 31 December 2012: “the expectation of full year operating profit, before exceptional items, would be higher than £242 million.” (the “**Profit Forecast**”). The Profit Forecast and the material assumptions upon which it is based, are set out in Part A of Appendix V of the joint announcement issued by the Company and CGI Holdings Europe Limited (a wholly owned subsidiary of CGI Group Inc.) (“**CGI**”) under Rule 2.7 of the City Code on Takeovers and Mergers issued by the Panel on Takeovers and Mergers (the “**City Code**”) dated 31 May 2012 (the “**Rule 2.7 Announcement**”).

This report is required by Rule 28.3(b) of the City Code and is given for the purpose of complying with that rule and for no other purpose. Accordingly, we assume no responsibility in respect of this report to CGI or any other person connected to, or acting in concert with, CGI or to any other person who is seeking or may in future seek to acquire control of the Company (an “**Alternative Offeror**”) or to any other person connected to or acting in concert with an Alternative Offeror.

Responsibilities

It is the responsibility of the directors of the Company (the “**Directors**”) to prepare the Profit Forecast in accordance with the requirements of the City Code.

It is our responsibility to form an opinion as required by Rule 28.3(b) of the City Code as to the proper compilation of the Profit Forecast and to report that opinion to you.

Save for any responsibility which we may have to those persons to whom this report is expressly addressed and to the shareholders of the Company and for any responsibility arising under Rule 28.3(b) of the City Code to any person as and to the extent therein provided, to the fullest extent permitted by law we do not

assume any responsibility and will not accept any liability to any other person for any loss suffered by any such other person as a result of, arising out of, or in connection with this report or our statement, required by and given solely for the purposes of complying with Rule 28.4 of the City Code, consenting to its inclusion in the Rule 2.7 Announcement.

Basis of Preparation of the Profit Forecast

The Profit Forecast has been prepared on the basis stated in Part A of Appendix V of the Rule 2.7 Announcement and is based on the unaudited management accounts for the four months ended 30 April 2012 and a forecast to 31 December 2012. The Profit Forecast is required to be presented on a basis consistent with the accounting policies of the Group.

Basis of Opinion

We conducted our work in accordance with the Standards for Investment Reporting issued by the Auditing Practices Board in the United Kingdom. Our work included evaluating the basis on which the historical financial information included in the Profit Forecast has been prepared and considering whether the Profit Forecast has been accurately computed based upon the disclosed assumptions and the accounting policies of the Group. Whilst the assumptions upon which the Profit Forecast are based are solely the responsibility of the Directors, we considered whether anything came to our attention to indicate that any of the assumptions adopted by the Directors which, in our opinion, are necessary for a proper understanding of the Profit Forecast have not been disclosed or if any material assumption made by the Directors appears to us to be unrealistic.

We planned and performed our work so as to obtain the information and explanations we considered necessary in order to provide us with reasonable assurance that the Profit Forecast has been properly compiled on the basis stated.

Since the Profit Forecast and the assumptions on which it is based relate to the future and may therefore be affected by unforeseen events, we can express no opinion as to whether the actual results reported will correspond to those shown in the Profit Forecast and differences may be material.

Opinion

In our opinion, the Profit Forecast has been properly compiled on the basis of the assumptions made by the Directors and the basis of accounting used is consistent with the accounting policies of the Group.

Yours faithfully

APPENDIX VI

LOGICA SHARE SCHEMES AND OTHER INCENTIVE MATTERS

Logica Share Schemes

Options and awards granted under the Logica Share Schemes which are not already exercisable or vested will become exercisable or will vest as a result of the Acquisition. Letters will be sent to the participants in the Logica Share Schemes explaining the effect of the Scheme on their share options and awards.

All Logica Shares issued or transferred on the exercise of options or vesting of awards under the Logica Share Schemes before the relevant record date for the Scheme (“**Scheme Record Time**”) will be subject to the terms of the Scheme. The Scheme will not extend to Logica Shares issued after the Scheme Record Time. However, it is proposed to amend the articles of association of Logica at the General Meeting to provide that, if the Scheme becomes effective, any Logica Share issued or transferred after the Scheme Record Time will be automatically transferred to CGI in consideration for the payment by CGI of 105 pence in cash for each Logica Share so transferred.

The Logica 2005 Sharesave Scheme and Logica 2005 International Sharesave Scheme (together the Logica Sharesave Schemes)

Options granted under the Logica Sharesave Schemes will be exercisable for a period of six months following the Effective Date (as the board of Logica has exercised its power to extend the exercise period beyond the basic one month specified in the plan rules). These options will only be exercisable to the extent of savings made under the related savings contract at the time of exercise together with any accrued interest or bonus due.

CGI Europe intends to offer compensation to certain participants in the Logica Sharesave Schemes who exercise their options in the six month period following the Effective Date in recognition of the early exercise of their options. The compensation payable will be equal to the gain (that is 105 pence per Logica Share minus the relevant exercise price) for each additional Logica Share the participant would have received had he/she continued saving for an additional period of 12 months from the Effective Date or, if shorter, until the maturity of his/her savings contract. The options to which this compensation proposal relates are those granted in 2010 at an exercise price of 96 pence per share and those granted in 2012 at an exercise price of 71 pence per share.

Options under the Logica Sharesave Schemes will cease to be exercisable after the date falling six months after the Effective Date but participants may continue to hold their options and, subject to the rules of the Logica Sharesave Schemes, exercise those options on the maturity of the related savings contract. Participants who choose to do this will not be entitled to the compensation payment described above.

Logica Employee Share Matching Plan

Under this all-employee plan, participants’ rights to free matching shares will be exercisable over the full number of Logica Shares under the award at the time of the Acquisition. Participants would continue to have a right to exercise at a later date, but as they would have disposed of the underlying invested shares, the number of matching free shares would be reduced on a pro-rata basis.

Logica Executive Share Plans

The Executive Share Plans comprise the Restricted Share Plan (“**RSP**”), the Partners’ Incentive Plan (“**PIP**”), the Partners’ Performance Multiplier Plan (“**PPMP**”), the Deferred Investment Share Plan (“**DISP**”) and the Long Term Incentive Plan (“**LTIP**”). Outstanding awards under the Executive Share Plans would normally vest at various dates up to mid-2015. The number of Logica Shares which may be released to participants on vesting of the awards is, under certain plans, determined by the extent to which applicable performance conditions are satisfied. These awards will vest immediately on completion of the Acquisition to the extent that the Logica Remuneration Committee (the “**Committee**”) determines, subject to the rules of each of the plans.

In the case of the RSP, PIP and PPMP, the Committee has broad discretion to determine vesting levels, having regard to factors including any performance conditions and time elapsed. To encourage the retention of senior executives and management of Logica (including the Logica Executive Directors), and with the agreement of CGI Europe, the Committee will exercise its discretions under these plans so that:

- (a) 50 per cent. of each participant's aggregate share awards under these plans will vest on the sanction of the Scheme and become due on the Effective Date. The relevant number of Logica Shares will be acquired by participants at that time and subsequently would be acquired, by CGI Europe under the Scheme and the relevant cash proceeds paid to participants, subject to the participant's right to elect to receive the cash proceeds on 30 April 2013 instead; and
- (b) the balance of 50 per cent. of the Logica Shares under these aggregate awards would vest and be satisfied in equal amounts on 31 May 2013 and 31 January 2014. Vesting of each tranche of shares would be dependent on the participant remaining in service until the stated date, or if he/she has ceased employment, the participant not having ceased employment through resignation (other than constructive dismissal) or dismissal for cause (defined by reference to the participant's terms of employment as in force on 1 May 2012). In the event of a participant's cessation of employment where entitlement to vesting of an award is preserved, such award will vest on the cessation date and payment in respect of that award will be made no later than 14 days after the date of cessation.

In the case of the DISP and LTIP, the Committee is unlikely to be able to determine that any material number of Logica Shares will vest on the Acquisition. In relation to these plans, CGI Europe has agreed to make a cash payment equal to the amount due on full vesting of the Logica Shares under these awards (or will procure that Logica makes such a payment). The payment will be made in three instalments on the same basis as payment under the other Executive Share Plans as set out in (a) and (b) above. Likewise, entitlement to the May 2013 and January 2014 instalments would be subject to the same employment-related conditions as set out in (b) above. This arrangement relates to an aggregate of 3,282,600 Logica Shares (having a value of £3.57 million at the Acquisition price), of which 569,539 (£620,797) relate to Andy Green and 374,522 (£408,229) relate to Himanshu Raja. Rothschild, Bank of America Merrill Lynch and Deutsche Bank each consider these proposals to be fair and reasonable.

Logica 1996 Executive Share Option Scheme

Options granted under the scheme are already exercisable and will remain exercisable, subject to the rules of the scheme, until the tenth anniversary of the relevant option grant date.

Other incentive matters

In relation to the service contracts of the Logica Executive Directors and the seven other persons comprising the Logica Executive Committee, CGI Europe has agreed that if any of those individuals is dismissed (or constructively dismissed) before 31 January 2014 his service contracts will be honoured without mitigation and with contractual payments in lieu of notice being made at the time of their cessation of employment.

In relation to bonuses for the 2012 financial year, Logica and CGI Europe have agreed that the Logica Executive Directors and Logica Executive Committee members will, at the time of completion of the Acquisition, be paid "at target" bonuses prorated to reflect the duration of the 2012 financial year up to closing.

The arrangements in relation to service contracts and 2012 bonuses for Logica's Executive Directors and Executive Committee members have been implemented with CGI Europe's agreement in order to ensure that Logica's senior team remains focused on ensuring stability in the business at a potentially unsettling time for clients, employees and other stakeholders.

Rothschild, Bank of America Merrill Lynch and Deutsche Bank each consider these proposals to be fair and reasonable.

APPENDIX VII

FURTHER DETAILS ON THE EQUITY FINANCING ARRANGEMENTS

Subscription Agreement and Subscription Receipt Agreement

Pursuant to the Subscription Agreement, CDP has subscribed for 46,707,146 Subscription Receipts, at a price of C\$21.41 per Subscription Receipt, for aggregate gross proceeds of C\$999,999,995.86. The aggregate subscription price is held in escrow by the Subscription Receipt Agent in accordance with the Subscription Receipt Agreement. The subscription has been made on a prospectus exempt basis under applicable Canadian law.

Pursuant to the Subscription Receipt Agreement, the Subscription Receipts will be automatically exchanged, without additional payment, for Class A subordinate voting shares of CGI (“**CGI Shares**”) on a one-for-one basis, and the aggregate subscription price for the Subscription Receipts will be released by the Subscription Receipt Agent to CGI immediately prior to completion of the Acquisition, subject to the satisfaction or waiver of the following conditions:

- that except to the extent required by the Code, the Panel, the Court, or any other applicable law, regulation or regulatory body, the Conditions shall have been satisfied without amendment or without being waived, except for any amendment or waiver that is not material and does not have a material adverse effect on the interest of holders of Subscription Receipts;
- that there shall have been no increase in the price per share payable in the Acquisition;
- that the Debt Financing Agreements shall not have been amended or waived, except as contemplated therein or for any amendment or waiver that is not material and does not have a material adverse economic effect on the Debt Financing;
- that certain specified material representations and warranties of CGI set out in the Subscription Agreement shall not have ceased to be true and accurate in all material respects; and
- that CGI shall have obtained all requisite consents, waivers and authorizations required by the competent authorities, including regulatory and stock exchange authorities, in relation to the issuance of the underlying CGI Shares.

If these conditions are not satisfied or waived on or prior to the date that is 180 days following the date of the Subscription Receipt Agreement (27 November 2012), or if the Acquisition lapses or is withdrawn, then the Subscription Receipts will be automatically terminated and cancelled, and the aggregate subscription price plus accrued interest will be returned by the Subscription Receipt Agent to the holders of Subscription Receipts.

The Subscription Agreement contains customary representations and warranties by CDP to CGI and an indemnity from CDP in favour of CGI in respect of breaches of covenants or representations and warranties by CDP. The Subscription Agreement also contains customary representations and warranties by CGI to CDP and an indemnity from CGI in favour of CDP in respect of breaches of covenants or representations and warranties by CGI and in respect of orders, investigations or other proceedings prohibiting, restricting or materially affecting the trading or distribution of the Subscription Receipts or underlying CGI Shares. The representations, warranties and indemnities will be in effect for a period of two years following completion of the Acquisition, except for customary exceptions for tax matters and in the case of fraud.

Under the Subscription Agreement, CDP has reserved the right to syndicate a portion of its participation in the Subscription Receipts to reduce its ownership or control over CGI Shares to below 20 per cent. (on a non-diluted basis), taking into account the Subscription Receipts and the CGI Shares already owned or controlled by CDP, and CGI has undertaken to cooperate with CDP and provide all required documentation, at CDP’s expense, to ensure the success of such syndication. In the event that such syndication is completed prior to or concurrently with closing of the Acquisition, CGI will participate in the selection process of the syndicate members to reasonably ensure the profile and financial capacity of the potential investor.

The Subscription Agreement provides that, for the period prior to the completion of the Acquisition, CGI has undertaken to send to CDP a copy of any agreement relating to the subscription to Subscription Receipts for CGI Shares (or securities convertible into CGI Shares) by any investor other than CDP within five days of such subscription. To the extent that the terms and conditions offered to such other investor are more advantageous, CDP has reserved the right to require the same terms and conditions by written notice to CGI within five days of receipt of the relevant subscription agreement.

The Subscription Agreement also provides that, for the period prior to completion of the Acquisition, CGI will notify CDP, for information purposes only and without thereby conferring any right on CDP, as soon as possible of the occurrence of any material adverse change, to the knowledge of CGI, affecting CGI, Logica, the Acquisition, or the Debt Financing, in each case, subject to any confidentiality obligation of CGI.

Pursuant to the Subscription Agreement, CGI will reimburse, up to an aggregate maximum amount of C\$100,000, the fees and expenses incurred by CDP in connection with the Subscription Agreement, including reasonable fees and disbursements of legal counsel.

Registration Rights Agreement

Pursuant to the Subscription Agreement, CGI and CDP have agreed to enter into the Registration Rights Agreement prior to or at completion of the Acquisition.

Pursuant to the Registration Rights Agreement, CDP will have the right, as long as it beneficially owns or exercises control or direction over 15 per cent. or more of the outstanding CGI Shares, to recommend to CGI one nominee to be part of any slate proposed by CGI and included in a proxy circular relating to the election of directors of CGI, provided that the CDP nominee shall have no material relationship with CGI or CDP, that he/she shall be eligible to serve as a director under CGI's laws of incorporation and articles and that his/her nomination shall be subject to a favourable recommendation of the Corporate Governance Committee of CGI's Board of directors.

The Registration Rights Agreement will provide that CDP will be entitled, at any time and from time to time, as long as it beneficially owns or exercises control or direction over 20 per cent. or more of all outstanding CGI Shares, to require CGI to file a Canadian prospectus and take such other steps as may be reasonably necessary to facilitate a secondary offering in Canada, at CDP's expense, the whole upon the terms and conditions set forth in the Registration Rights Agreement.

In addition, if CGI proposes to make a distribution in Canada for its own account or if an existing shareholder proposes to make a distribution in Canada through a secondary offering, CGI will be required, at that time, upon request by CDP, provided that it beneficially owns or exercises control or direction over 15 per cent. of the outstanding CGI Shares, use commercially reasonable efforts to cause to be included in such distribution the CGI Shares that CDP has requested to be included, up to a maximum of 15 per cent. of the CGI Shares to be offered in such distribution, with expenses to be shared on a pro rata basis, the whole upon the terms and conditions set forth in the Registration Rights Agreement.

The Registration Rights Agreement will provide that, in connection with any prospectus-exempt sale by CDP in Canada or in the US, CGI will be required to use commercially reasonable efforts, at CDP's expense, to assist CDP and its representatives in the preparation of the required documentation and to allow any prospective buyer to conduct reasonable due diligence on CGI.

If CGI proposes to file a registration statement for the distribution of CGI Shares to the public in the United States, CDP and CGI will, prior to such distribution taking place, supplement the Registration Rights Agreement so as to provide CDP with registration rights enabling distribution of CGI Shares to the public in the United States, that are substantially equivalent to the registration rights that will be provided under the Registration Rights Agreement.

SCHEDULE 3

LOGICA SHARE SCHEMES

Logica and CGI Europe agree that the following arrangements will, where appropriate subject to the Offer becoming effective in all respects, be implemented with respect to the Logica Share Schemes and certain employment arrangements.

Without prejudice to the obligations of CGI Europe under Rule 15 of the Code, CGI Europe's obligations in this Schedule:

- (a) with respect to share options and share awards, apply to those arising under the terms of the relevant plans and arrangements as in force at the date of this Agreement on the terms disclosed in writing to CGI Group Inc. prior to 29 May 2012 and as presented in the Agreed Form Spreadsheet; and
- (b) with respect to service agreements, bonus entitlements and indemnity and insurance arrangements, apply to those agreements, entitlements and arrangements disclosed in writing to CGI Group Inc. prior to 29 May 2012.

1. EMPLOYEE SHARE SCHEME MATTERS

1.1 The Agreed Form Spreadsheet summarises outstanding options and awards in respect of Logica Shares granted to employees under the share schemes referred to therein as of the dates set forth therein.

1.2 Logica and CGI Europe agree that it is their commercial intention that, subject to the rules of the Logica Share Schemes, options and awards under the Logica Share Schemes become exercisable or vest as a consequence of the Offer. Accordingly they agree that if the Offer is effected, as is planned, by way of the Scheme and scheme counsel is of the opinion that the Scheme is not for the purposes of or in connection with the reconstruction of Logica or its amalgamation with another company, they will document the Scheme as "a general offer by way of scheme of arrangement" if this will assist in enabling options and awards held under any of the Logica Share Schemes to be exercised pursuant to the rules of those schemes in consequence of a general offer.

1.3 Logica and CGI Europe acknowledge that options and awards under certain of the Logica Share Schemes may in any event become capable of vesting and/or becoming exercisable early in consequence of the Court's sanction of the Scheme. Logica and CGI Europe agree that if this is in fact the case and if the Offer is effected by way of a scheme of arrangement, the timetable for its implementation shall so far as practicable (consistently with Logica's and CGI Europe's objective that the Effective Date should precede the Long Stop Date by as long as possible) be fixed so as to enable such options and awards under the relevant Logica Share Schemes to be exercised or vest in sufficient time to enable the resulting Logica Shares acquired by participants in the relevant Logica Share Schemes to participate in the Offer in accordance with its terms so that their Logica Shares are acquired by cancellation pursuant to the Scheme.

1.4 If the Offer is effected by way of the Scheme, CGI Europe agrees that the Articles of Association of Logica can be (and will remain) amended as described in the 2.7 Announcement so that any Logica Shares issued after the Record Date pursuant to the exercise or vesting of options or awards under the Logica Share Schemes will be acquired by CGI Europe on terms equivalent to those

available to other holders of Logica Shares under the Offer (other than in respect of certain terms relating to procedure and timing of satisfaction).

1.5 CGI Europe agrees that if necessary in order to obtain a corporation tax deduction in respect of the exercise of any option or vesting of any award under the Logica Share Schemes, Logica and CGI Europe shall seek to retain the admission to listing on the Official List of the UK Listing Authority and to trading on the London Stock Exchange of the Logica Shares for a period of two business days following the date of which CGI Europe obtains control of Logica for the purposes of the Logica Share Schemes.

Sharesave Schemes and Share Matching Plan

1.6 If, as is planned, the Offer is implemented by way of the Scheme and the Scheme becomes effective, options granted under the Logica 2005 UK Sharesave Scheme and the Logica 2005 International Sharesave Scheme (together the “**Logica Sharesave Schemes**”) will then be exercisable for a period of six months following the Effective Date (as the Board of Logica intends to exercise its power to extend the initial exercise period beyond the basic one month specified in the rules), these options will only be exercisable to the extent of savings made under the related savings contract at the time of exercise together with any accrued interest or bonus due to the relevant employee at that time. Accordingly, CGI Europe intends to offer compensation to certain participants in the Logica Sharesave Schemes who exercise their options in the six month period following the Effective Date in recognition of the early exercise of their options. The compensation payable will be equal to the net gain (that is 105 pence per Logica Share minus the relevant exercise price) for each additional Logica Share the participant would have received had they continued saving for an additional period of twelve months from the Effective Date or, if shorter, until the end of the maturity period under his or her savings contract. The compensation payment will be subject to and reduced by deductions for income tax payable and employee’s social security contributions. The options to which this compensation proposal relates are those granted in 2010 at an exercise price of 96 pence per share and those granted in 2012 at an exercise price of 71 pence per share.

1.7 If, as is planned, the Offer is effected by way of the Scheme and the Scheme becomes effective, options under the Logica Sharesave Schemes will cease to be exercisable after the date falling six months after the Effective Date but participants may continue to hold their options and, subject to the rules of the Logica Sharesave Schemes, exercise those options within the exercise period following maturity of the related savings contract. Participants who choose to do this will not be entitled to the compensation payment described in paragraph 1.6 above.

1.8 In respect of the Logica Employee Share Matching Plan, Logica and CGI Europe have agreed that awards will cease to be exercisable 6 months following the Effective Date (this being the post-Effective Date exercise period specified in the rules), but participants may continue to hold their award and, subject to the rules of the plan, exercise their award within the normal vesting window under the plan (that is, between the third and tenth anniversaries of the grant of the award).

Executive Share Plans

1.9 CGI Europe acknowledges that the extent to which awards under the Restricted Share Plan (“**RSP**”), the Partners’ Incentive Plan (“**PIP**”) and the Partners Performance Multiplier Plan (“**PPMP**”) vest in connection with the Offer is to be determined in accordance with the rules of the relevant plans and actions taken and discretions exercised pursuant to those rules by the remuneration committee of Logica (or other duly constituted committee of the Board as appropriate). In particular CGI Europe acknowledges Logica’s statement that the Remuneration Committee has broad discretion

to determine vesting levels, having regard to factors which includes performance conditions and time elapsed. To encourage the retention of senior executives and management of Logica (including the Executive Directors) after the Effective Date Logica agrees that, with CGI Europe's agreement, it will procure that the Remuneration Committee will exercise its discretions under these plans so that:

- (a) 50 per cent. of each participant's aggregate share awards under these plans will vest on the sanction of the Scheme and become due on the Effective Date. The relevant number of Logica Shares would be issued to the employee share trust ("EST") prior to the Scheme Record Time so that on the Effective Date those shares would be acquired by CGI Europe under the Scheme and then the relevant cash proceeds would be paid to participants within 14 days of the Effective Date, (subject to the participants' right to elect to receive the cash proceeds on 30 April 2013 irrespective of whether he remains in employment of the Logica Group); and
- (b) the balance of 50 per cent. of the Logica Shares under these aggregate awards would vest and be satisfied in equal amounts on 31 May 2013 and 31 January 2014. Vesting of each tranche of shares would be dependent on the participant remaining in service until the stated date, or if he has ceased employment, the participant not having ceased employment through resignation (other than constructive dismissal) or dismissal for cause (defined by reference to the participant's terms of employment as in force on 1 May 2012). In the event of a participant's cessation of employment where entitlement to vesting of an award is preserved, such award will vest on the cessation date and payment in respect of that award will be made no later than 14 days after the date of cessation. The intention of Logica and CGI Europe is that Logica would satisfy these awards on vesting by either making a cash payment equal to the price per Logica Share offered by CGI Europe under the Offer multiplied by the vested number of Logica Shares or by issuing the requisite number of Loan Star Shares and acquiring those shares for the same consideration payable in respect of Logica Shares under the Scheme and pursuant to the amended Logica Articles of Association, with, in each case, cash payments subject to deductions for income tax payable and employee's social security contributions.

1.10 In the case of the Deferred Investment Share Plan and the Long Term Incentive Plan, CGI Europe acknowledges that the Remuneration Committee is unlikely to be able to determine that any material number of Logica Shares will vest on the Effective Date and accordingly CGI Europe has agreed to make a cash payment equal to the amount due on full vesting of the Logica Shares under these awards (or will procure that Logica makes such a payment). The payment would be made in three instalments on the same basis as payment under the RSP, PIP and PPMP as set out in 1.9 (a) and (b) above, with entitlements to the 31 May 2013 and 31 January 2014 instalments being subject to the employment-related conditions set out in 1.9 (b) above. Logica and CGI Europe will discuss whether these payments can be more tax efficiently made by Logica and seek to implement them in that manner if appropriate.

1.11 Options granted under the Logica 1996 Executive Share Option Scheme are already exercisable and CGI Europe agrees that they will remain exercisable, subject to the rules of the plan, until the tenth anniversary of the relevant option grant date.

Satisfaction of Awards and/or Options in Cash

1.12 Logica and CGI Europe agree that, without prejudice to the generality of the foregoing and in accordance with the rules of the Logica Share Schemes, if, after consultation with CGI Europe, Logica reasonably considers it appropriate for tax, securities law or administrative reasons, CGI Europe or Logica will offer to holders of options and awards who are not resident in the United Kingdom (or any other persons so permitted in accordance with the rules), a cash sum equal to the

latent profit in their option or award (being the difference between the price per Logica Share offered by CGI Europe under the Offer and the exercise price of that option or award (if any) and less any required deductions for income tax and employee's social security contributions) in satisfaction of (or where relevant in return for agreeing to cancel) their option or award. This paragraph does not apply to arrangements covered by 1.9 or 1.10 above.

Employee Share Trust

1.13 Logica agrees that the trustee of the EST will use the Logica Shares registered in its name at the Scheme Record Time, or issued to it subsequently, to satisfy awards under the RSP, PIP and/or PPMP to the extent awards under such plans vest on or following the court sanction of the Scheme.

1.14 Logica shall issue to the trustee of the EST immediately prior to the court sanction of the Scheme the number of Logica shares required to enable the EST to satisfy the first tranche of RSP, PIP and PPMP awards which vest upon the court sanction of the scheme.

2. EMPLOYMENT MATTERS

2.1 CGI Europe intends that the existing employment rights, including pension entitlements, of the management and employees of the Logica Group will be fully respected.

2.2 Logica and CGI Europe hereby agree:

- (a) in relation to the service contracts in force at 1 May 2012 of the Executive Directors of Logica and the seven other persons comprising its Executive Committee, CGI Europe has agreed that if any of those individuals are terminated (including constructive dismissal) by the Logica Group, other than for cause (determined by reference to the participant's service contract), before 31 January 2014 their service contracts will be honoured without mitigation and with contractual payments in lieu of notice being made at the time of their cessation of employment;
- (b) in relation to bonuses for the 2012 financial year, Logica and CGI Europe have agreed that the Executive Directors and Executive Committee members will, at the time of completion of the Offer, be paid "at target" bonuses pro-rated to reflect the duration of the 2012 financial year up to closing; and
- (c) the arrangements in relation to service contracts and 2012 bonuses for Logica's Executive Directors and Executive Committee members have been implemented with CGI Europe's agreement in order to ensure that Logica's senior team remains focused on ensuring stability in the business at a potentially unsettling time for clients, employees and other stakeholders.

2.3 CGI Europe shall procure that Logica shall maintain the level of cover provided by its current directors' and officers' liability insurance for both current and former directors and officers of Logica Group (including run off cover for a period of six years following a director's or officer's retirement) for acts and omissions up to and including the Effective Date, to include directors and officers who retire or whose employment is terminated as a result of the Offer. Such insurance shall be with reputable insurers and provide cover at least as broad in its scope as that provided to current directors as at the date of this Agreement. Further, CGI Europe shall procure that Logica complies with its obligations as in force as at 1 May 2012 to indemnify the directors of Logica in accordance with the terms of their respective service agreements, letters of appointment or separate deeds of indemnity, as the case may be.

2.5 **Backstop Nature of Revolving Facility**

- 2.5.1 Forthwith upon announcement of its intention to make the UK Target Acquisition, the Cdn Borrower hereby agrees to request the consent of the lenders under its Existing Revolving Credit Agreement to the Required Amendments. The Cdn Borrower hereby agrees to use commercially reasonable efforts to obtain the Required Amendments as soon as reasonably practicable after announcement of its intention to make the UK Target Acquisition. The Revolving Facilities and the Revolving Commitments (including, for greater certainty, the Cdn Swingline Facility and the US Swingline Facility) shall be automatically and permanently cancelled on the date that the Cdn Borrower shall have received approval of the requisite lenders under the Existing Revolving Credit Agreement for the Required Amendments and the Existing Revolving Credit Agreement (as thereby amended) is in full force and effect.

2.6 **Facility Limit**

- 2.6.1 As of the date of this Agreement, the amount of the Cdn Revolving Facility is Cdn\$1,500,000,000. Except for temporary excesses arising from the Administrative Agent's allocation of BA's in accordance with subsection 4.2.2 and except as hereinafter contemplated in subsection 2.6.6 in respect of the Cdn Swingline Lender, the Cdn Revolving Loan of each Cdn Lender shall not exceed its Cdn Revolving Commitment.

- 2.6.3 As of the date of this Agreement, the amount of (i) the Term Loan A Credit Facility is £625,000,000; (ii) the Term Loan B Credit Facility is £310,000,000; and (iii) the Term Loan C Credit Facility is £310,000,000. - 2.6.4 The Cdn Borrower acknowledges that, as of the date of this Agreement, the aggregate maximum amount available to it under the Cdn Revolving Facility and the Cdn Swingline Facility is limited to Cdn\$1,500,000,000 and that the Cdn Swingline Facility is being made available to it by the Cdn Swingline Lender as part of the Cdn Revolving Facility. Consequently, any Loan under the Cdn Swingline Facility shall reduce, by an equal amount, the amount available under the Cdn Revolving Facility and shall reduce the amount available under the Cdn Swingline Commitment Amount and any repayment of any Loan under the Cdn Swingline Facility shall increase, by an equal amount, the amount available under the Cdn Revolving Facility and shall increase the amount available under the Cdn Swingline Commitment Amount.
- 2.6.5 The US Borrower acknowledges that, as of the date of this Agreement, the aggregate maximum amount available to it under the US Revolving Facility and the US Swingline Facility is limited to Cdn\$0 and that the US Swingline Facility is being made available to it by the US Swingline Lender as part of the US Revolving Facility. Consequently, any Loan under the US Swingline Facility shall reduce, by an equal amount, the amount available under the US Revolving Facility and shall reduce the amount available under the US Swingline Commitment Amount and any repayment of any Loan under the US Swingline Facility shall increase, by an equal amount, the amount available under the US Revolving Facility and shall increase the amount available under the US Swingline Commitment Amount.
- 2.6.6 Provided no Default has occurred and is continuing, each Swingline Lender, as a Lender under the applicable Revolving Facility, hereby agrees to make available to the applicable Borrower its Rateable Share of any Advance requested by such applicable Borrower or to be made under the applicable Revolving Facility in accordance with this Agreement, even though the making of such Advance may result in the amount of the applicable Revolving Loan of such Swingline Lender exceeding the applicable Revolving Commitment of such Swingline Lender, if and only if the undrawn amount remaining available under the applicable Revolving Facility is equal to or greater than the Loan under the applicable Swingline Facility.
- 2.6.7 The Borrowers covenant and agree that the total outstanding amount of all Advances under the Cdn Revolving Facility, the Cdn Swingline Facility, the US Revolving Facility and the US Swingline Facility, at any time, shall never exceed the sum of the Cdn Revolving Commitment and the US Revolving Commitment, as at such time; the Administrative Agent and the Swingline

Lenders having no obligation whatsoever to monitor, in any way, the foregoing undertaking.

- 2.6.8 The Borrowers covenant and agree that the total outstanding amount of all Advances under the Term Loan A Credit Facility, the Term Loan B Credit Facility and the Term Loan C Credit Facility, respectively, at any time, shall never exceed the Term Loan A Commitments, the Term Loan B Commitments and the Term Loan C Commitments, respectively, as at such time; the Administrative Agent having no obligation whatsoever to monitor, in any way, the foregoing undertaking.
- 2.6.9 Where under any of the terms hereof, a Revolving Facility or a Term Loan Credit Facility is cancelled, reduced or terminated (other than as a result of adjustments in the Revolving Facilities pursuant to Section 2.17), same may not subsequently be increased, any such cancellation, reduction or termination thereof being permanent. Unless otherwise expressly provided under the terms hereof (including under Sections 2.17 and 2.20), any reduction of a Revolving Facility or a Term Loan Credit Facility shall be apportioned as among the applicable Commitments of the applicable Lenders under that Credit Facility on a Rateable Share basis of that Credit Facility.

2.7 **Revolving/Term Nature and Availability**

- 2.7.1 During the Revolving Period, each Revolving Facility is available on a revolving basis such that, subject to all the terms and conditions of this Agreement, the applicable Borrower may reborrow the whole or any part of any Advance previously repaid to the extent of, in the case of an Advance under the Cdn Revolving Facility, the then Available Cdn Revolving Facility and, in the case of an Advance under the US Revolving Facility, the then Available US Revolving Facility.
- 2.7.2 During the Revolving Period, each Swingline Facility is available on a revolving basis such that subject to all the terms and conditions of this Agreement, the applicable Borrower may reborrow the whole or any part of any Advance previously repaid to the extent of, in the case of an Advance under the Cdn Swingline Facility, the then Available Cdn Swingline Facility and in the case of an Advance under the US Swingline Facility, the then Available US Swingline Facility.
- 2.7.3 The Cdn Revolving Facility is available (i) in Canadian Dollars, by way of Prime Rate Loans or the issuance of BA's, (ii) in US Dollars, by way of US Base Rate Loans or Libor Loans, (iii) in Sterling and Euros, by way of Libor Loans, and (iv) by way of the issuance of LCs denominated in Canadian Dollars, US Dollars, Sterling, Euros and other Agreed Foreign Currencies.

and (iii) by way of the issuance of LCs denominated in US Dollars, Sterling, Euros and other Agreed Foreign Currencies.

- 2.7.5 The Cdn Swingline Facility is available (i) in Canadian Dollars by way of Prime Rate Loans, and (ii) in US Dollars, by way of US Base Rate Loans.
- 2.7.6 The US Swingline Facility is available in US Dollars by way of US Prime Rate Loans.
- 2.7.7 Each Term Loan Credit Facility is available (i) in Canadian Dollars, by way of Prime Rate Loans or the issuance of BA's, (ii) in US Dollars, by way of US Base Rate Loans or Libor Loans, (iii) in Sterling and Euros, by way of Libor Loans.
- 2.7.8 Each Term Loan Credit Facility shall be available in multiple drawings to be made on or before the date that is not later than 60 days after the expiry of the Certain Funds Period and any unused amount of the Commitment under each Term Loan Credit Facility shall be automatically permanently cancelled as at the close of business on such date. The Term Loan Credit Facilities shall not revolve and any amount that is repaid or prepaid under a Term Loan Credit Facility may not be reborrowed and shall permanently reduce the applicable Term Loan Commitments (and each applicable Lender's Term Loan Commitment ratably). Prior to the initial Advance under any Term Loan Credit Facility, the Cdn Borrower shall make arrangements satisfactory to the Co-Lead Arrangers for the repayment of any existing indebtedness of UK Target that is required by its terms to be repaid as a result of the closing of the UK Target Acquisition or otherwise could reasonably be expected to result in a default or event of default under any material indebtedness of the Cdn Borrower or any of its Subsidiaries as a result of the closing of the UK Target Acquisition.

2.8 **Borrowing Procedures under Revolving Facilities**

- 2.8.1 In order to obtain a Drawdown under the Cdn Revolving Facility or the Term Loan Credit Facilities, the Cdn Borrower must, and in order to obtain a Drawdown under the US Revolving Facility, the US Borrower must, deliver to the Administrative Agent a Draw Request by the times and stipulating the information specified hereunder. Once delivered, no Draw Request may subsequently be revoked or withdrawn by the Borrowers.
- 2.8.2 The proceeds of each Drawdown by way of Direct Advance requested by way of Draw Request shall, to the extent received by the Administrative Agent from the Lenders of the applicable Credit Facility under which such Drawdown is requested, or, to the extent not so received, at the Administrative Agent's sole and unfettered discretion as per Section 2.20, be disbursed by the Administrative Agent on the Drawdown Date by bank transfer to the credit of the applicable Borrower's Account.

- 2.8.3 With respect to each Drawdown by way of the issuance of BAs, the BA Proceeds relating to such BAs shall, to the extent received by the Administrative Agent from the applicable Lenders, or, to the extent not so received, at the Administrative Agent's sole and unfettered discretion as per Section 2.22, be disbursed by the Administrative Agent on the Drawdown Date by bank transfer to the credit of the Borrower's Account of the Cdn Borrower.
- 2.8.4 With respect to each Drawdown by way of the issuance of an LC, the relevant LC Issuing Lender shall disburse such Drawdown by delivering on the Drawdown Date the requested LC to the Borrower that requested same or to the Person designated by such Borrower.
- 2.8.5 Where prior to crediting such funds to the appropriate Borrower's Account as provided above, the Administrative Agent receives from the Borrower that requested such Drawdown, in form and substance satisfactory to the Administrative Agent, an unconditional and irrevocable direction of payment instructing the Administrative Agent as to how to dispose of such funds (including by way of wire transfer of funds), or alternatively, a particular Draw Request provides such a direction of payment, the Administrative Agent shall credit such funds to the appropriate Borrower's Account as provided above and immediately thereafter shall comply with such direction of payment and for all purposes of this Agreement, such funds, irrevocably and conclusively, shall be deemed to have been disbursed to such Borrower, if they are disposed of in the manner contemplated in any such direction of payment.

2.9 **Borrowing Procedures under the Swingline Facilities**

- 2.9.1 Drawdown under each Swingline Facility may be obtained by the applicable Borrower by way of overdrafts on any of such Borrower's Operating Accounts. Any cheque or payment instruction or debit authorization from the applicable Borrower and resulting in an overdraft in such Borrower's Operating Account will be deemed to be a request for a Swingline Loan in an amount that is sufficient to cover such overdraft.
- 2.9.2 Any overdraft created, in each case, by the applicable Swingline Lender as hereinabove provided in the applicable Borrower's Operating Account shall be a Prime Rate Loan, a US Base Rate Loan or a US Prime Rate Loan, as the case may be.
- 2.9.3 If (i) any Swingline Loan shall be outstanding on the last Business Day of any week, (ii) any Swingline Loan is or will be outstanding on a date when any Borrower requests that a Revolving Loan be made, (iii) the aggregate outstanding principal amount of the Cdn Swingline Loan or the US Swingline Loan, as the case may be, shall exceed at any time the then existing Cdn Swingline Commitment Amount or the US Swingline Commitment Amount, as the case may be, or (iv) any Default shall occur and be continuing, then the applicable Swingline Lender (by request to the Administrative Agent) may require each applicable Lender (other than the applicable Swingline Lender)

and each such Lender irrevocably agrees, at the request of the Administrative Agent, to make a Revolving Loan (which shall initially be funded as a Prime Rate Loan, a US Base Rate Loan or a US Prime Rate Loan, as the case may be) in an amount equal to such Lender's applicable Rateable Share of the aggregate principal amount of such Swingline Loan then outstanding (such outstanding Swingline Loan hereinafter referred to as the "**Refunded Swingline Loans**"). On or before 1:00 P.M. (Montréal time) on the Business Day on which each such Lender shall receive a request from the Administrative Agent to make Revolving Loans as provided in the preceding sentence, each applicable Lender shall wire transfer to an account specified by the Administrative Agent the amount so requested in same day funds and such funds shall be applied by the applicable Swingline Lender to repay the Refunded Swingline Loan. At the time the applicable Lenders make the above referenced Revolving Loans, the applicable Swingline Lender shall be deemed to have made, in consideration of the making of the Refunded Swingline Loan, a Revolving Loan in an amount equal to the applicable Swingline Lender's applicable Rateable Share of the aggregate principal amount of the Refunded Swingline Loan.

- 2.9.4 Upon the making (or deemed making, in the case of the applicable Swingline Lender) of any Revolving Loan pursuant to subsection 2.7.3, the amount so funded shall become an outstanding applicable Revolving Loan and shall no longer be owed as a Swingline Loan. All interest payable with respect to any Revolving Loans made (or deemed made, in the case of the applicable Swingline Lender) pursuant to subsection 2.7.3 shall be appropriately adjusted to reflect the period of time during which the applicable Swingline Lender had an outstanding Swingline Loan in respect of which such Revolving Loans were made. Each Lender's obligation to make the Revolving Loans referred to in subsection 2.7.3 shall be unconditional and irrevocable and shall not be affected by any circumstance, including (i) any set-off, counterclaim, recoupment, defense or other right which such Lender may have against the applicable Swingline Lender, any Borrower or any Person for any reason whatsoever, (ii) the occurrence or continuance of any Default, (iii) any adverse change in the condition (financial or otherwise) of any Restricted Credit Party, (iv) the acceleration or maturity of any Obligations or the termination of any Commitment after the making of any Swingline Loan, (v) any breach of any Operative Document by any Person, or (vi) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

2.10 **Voluntary Cancellation or Reduction of the Facilities**

- 2.10.1 At any time during the Revolving Period, the Cdn Borrower may voluntarily cancel or reduce the Cdn Revolving Facility or the Cdn Swingline Facility and the US Borrower may voluntarily cancel or reduce the US Revolving Facility or the US Swingline Facility, in each case, in whole or in part, in minimum amounts of Cdn\$5,000,000 and in whole multiples of Cdn\$1,000,000. At any time from and after the date of this Agreement, the Cdn Borrower may voluntarily cancel or reduce any Term Loan Credit Facility, in each case, in

whole or in part, in minimum amounts of £10,000,000 and in whole multiples of £1,000,000.

- 2.10.2 Prior to the effective date of any cancellation or reduction the Cdn Borrower or the US Borrower, as the case may be, shall deliver to the Administrative Agent a Reduction Notice. Where any such voluntary reduction results in a repayment of the whole or any part of any Loans, then the Cdn Borrower or the US Borrower, as the case may be, shall attach to the aforesaid notice a Repayment Notice.
- 2.10.3 Where the Cdn Borrower requests a cancellation of the whole of any Credit Facility, then, on the effective date of such cancellation, the Cdn Borrower shall repay the entire amount of the applicable Loans (including the Cdn Swingline Loan in the case of a cancellation of the Cdn. Revolving Facility) outstanding on such date including any Stand-By Fee and interest accrued and unpaid as at such date as well as any losses and expenses incurred or suffered by any Lender or the Administrative Agent as a result of such cancellation.
- 2.10.4 Where the US Borrower requests a cancellation of the whole of the US Revolving Facility, then, on the effective date of such cancellation, the US Borrower shall repay the entire amount of the US Revolving Loans and the US Swingline Loan outstanding on such date including any Stand-By Fee (as pertains to the US Revolving Facility) and interest accrued and unpaid as at such date as well as any losses and expenses incurred or suffered by any US Lender or the Administrative Agent as a result of such cancellation.
- 2.10.5 Any Reduction Notice shall be delivered to the Administrative Agent at least five (5) Business Days prior to the effective date of the relevant reduction provided that where such reduction results in a repayment of the whole or any part of the Libor Loans, then the Reduction Notice shall be delivered at least five (5) Banking Days prior to the effective date of such reduction. Once delivered, no Reduction Notice may be revoked or withdrawn by the Borrowers.
- 2.10.6 Unless under the provisions of this Agreement a reduction applies specifically to one of the Revolving Facilities, the Borrowers may, in the relevant Reduction Notice, specify to which of the Revolving Facilities such reduction applies or in which proportion it applies between the Cdn Revolving Facility and the US Revolving Facility.

2.11 **Repayment of Entire Loans**

- 2.11.1 The Cdn Borrower hereby binds and obliges itself to repay on the last day of the Revolving Period the entire amount of the Cdn Revolving Loans and the Cdn Swingline Loan outstanding on such date in principal, interest, fees and accessories and interest on arrears of interest, fees and accessories.

- 2.11.2 The US Borrower hereby binds and obliges itself to repay on the last day of the Revolving Period the entire amount of the US Revolving Loans and the US Swingline Loan outstanding on such date in principal, interest, fees and accessories and interest on arrears of interest, fees and accessories.

- 2.11.5 The Cdn Borrower hereby binds and obliges itself to repay on the Term Loan C Maturity Date the entire amount of the Loans outstanding under the Term Loan C Credit Facility on such date in principal, interest, fees and accessories and interest on arrears of interest, fees and accessories.

2.12 **Compulsory Repayment of Excess Loans**

- 2.12.1 Where under any circumstances, including any voluntary reduction of the Cdn Revolving Facility (including any reduction of the Cdn Revolving Facility resulting from an adjustment to the Revolving Facilities pursuant to Section 2.15) but excluding as a result solely of Exchange Rate fluctuations, the sum of the Cdn Revolving Loans and the Cdn Swingline Loan exceeds the Cdn Revolving Facility, then the Cdn Borrower shall forthwith repay such portion of the Cdn Revolving Loans as will reduce such excess to nil.
- 2.12.2 Where under any circumstances, including any voluntary reduction of the US Revolving Facility (including any reduction of the US Revolving Facility resulting from an adjustment to the Revolving Facilities pursuant to Section 2.15) but excluding as a result solely of Exchange Rate fluctuations, the sum of the US Revolving Loans and the US Swingline Loan exceeds the US Revolving Facility, then the US Borrower shall forthwith repay such portion of the US Revolving Loans as will reduce such excess to nil.
- 2.12.3 Where under any circumstances, including any voluntary reduction of a Term Loan Credit Facility but excluding as a result solely of Exchange Rate fluctuations, the Loans outstanding under a Term Loan Credit Facility exceeds the applicable Commitment in respect of such Term Loan Credit Facility, then the Cdn Borrower shall forthwith repay such portion of the applicable Loans as will reduce such excess to nil.
- 2.12.4 Concurrently with any repayment under this Section, the Cdn Borrower or the US Borrower, as the case may be, shall pay any losses and expenses incurred

or suffered by any Lender or the Administrative Agent as a result of such repayment, to the extent provided for in this Agreement;

- 2.12.5 Concurrently with any such repayment, the Cdn Borrower or the US Borrower, as the case may be, shall issue a Repayment Notice.

2.13 **Compulsory Repayment of Loans as a Result of Exchange Rate Fluctuations**

- 2.13.1 Where the Administrative Agent determines that as a consequence of fluctuations in the Exchange Rate, (i) the sum of the Cdn Revolving Loans and the Cdn Swingline Loan exceeds by more than 5% the Cdn Revolving Facility, (ii) the sum of the US Revolving Loans and the US Swingline Loan exceeds by more than 5% the US Revolving Facility, or (iii) the sum of the Cdn Revolving Loans, the Cdn Swingline Loan, the US Revolving Loans and the US Swingline Loan exceeds the aggregate amount of the Revolving Facilities, the Administrative Agent may deliver to the Cdn Borrower or the US Borrower, as the case may be, a written notice requiring the Cdn Borrower or the US Borrower, as the case may be, to repay such portion of the Cdn Revolving Loans or the US Revolving Loans, as the case may be, as will reduce such excess to nil.
- 2.13.2 Where the Administrative Agent determines that as a consequence of fluctuations in the Exchange Rate, the Loans outstanding under a Term Loan Credit Facility exceeds by more than 3% the applicable Commitment under such Term Loan Credit Facility, the Administrative Agent may deliver to the Cdn Borrower a written notice requiring the Cdn Borrower to repay such portion of the applicable Loans as will reduce such excess to nil.
- 2.13.3 The Cdn Borrower and the US Borrower hereby bind and oblige themselves to repay within three (3) Business Days of receipt of such request such portion of the relevant Cdn Revolving Loans (in the case of the Cdn Borrower), the US Revolving Loans (in the case of the US Borrower), or the applicable Term Loans outstanding under the applicable Term Loan Credit Facility, as applicable, as will reduce such excess to nil. Concurrently with any such repayment, the Cdn Borrower or the US Borrower (as the case may be) shall issue a Repayment Notice.

2.14 **Voluntary Repayment of Loans**

- 2.14.1 At any time during the Revolving Period, the Cdn Borrower may voluntarily repay the whole or any part of the Cdn Revolving Loans or the Cdn Swingline Loan, and the US Borrower may voluntarily repay the whole or any part of the US Revolving Loans or the US Swingline Loan, in each case, in whole or in part, in minimum amounts of Cdn\$5,000,000 and in whole multiples of Cdn\$1,000,000.
- 2.14.2 At any time from and after the date of this Agreement, the Cdn Borrower may voluntarily repay the whole or any part of the Term Loans, in each case, in

whole or in part, in minimum amounts of £10,000,000 and in whole multiples of £1,000,000.

2.14.3 The Cdn Borrower or the US Borrower, as the case may be, shall issue a Repayment Notice prior to any such repayment of the Cdn Revolving Loans, the US Revolving Loans or Term Loans, as the case may be.

2.14.4 Where any such voluntary repayment relates to the whole or any part of the BA Liabilities or Libor Loans, then such repayment shall only be made on the Selected Maturity Date of the Selected Amounts proposed to be so repaid and the amount of such repayment shall be equal to the Selected Amounts proposed to be so repaid.

2.15 **Repayment Notice**

2.15.1 Unless otherwise specified or required hereunder, any Repayment Notice shall be delivered to the Administrative Agent at least:

2.15.1.1 one (1) Business Day prior to the date of the relevant repayment if such repayment relates only to Prime Rate Loans, US Base Rate Loans or US Prime Rate Loans;

2.15.1.2 three (3) Banking Days prior to the date of the relevant repayment if such repayment relates in whole or in part to Libor Loans; and

2.15.1.3 in all other cases, two (2) Business Days prior to the date of the relevant repayment.

Once delivered, no Repayment Notice may be revoked or withdrawn by the Borrowers.

2.15.2 In the Repayment Notice, the Cdn Borrower or the US Borrower, as the case may be, may specify to which Types of Loans the repayment shall be imputed. In the event the Cdn Borrower or the US Borrower, as the case may be, fails to deliver a Repayment Notice or if the Repayment Notice is incomplete, then such repayment shall be applied in accordance with the provisions of Section 9.2.

2.16 **Additional Borrowers**

From and after the date of the first Advance of the Term Loan Credit Facilities, the Cdn Borrower may, upon giving not less than 15 days prior written notice to the Administrative Agent, designate (i) one or more of its Cdn Restricted Subsidiaries as an Additional Cdn Borrower under the Cdn Revolving Facility, or (ii) one or more of its US Restricted Subsidiaries as an Additional US Borrower under the US Revolving Facility, or (iii) one or more of its Foreign Restricted Subsidiaries as an Additional Foreign Borrower under the Cdn Revolving Facility or the US Revolving Facility, in each case by delivering to the Administrative Agent an Additional Borrower Accession Agreement executed by such Additional Cdn Borrower, Additional US Borrower or Additional Foreign Borrower, as the case may be, the Restricted

Credit Parties and the Administrative Agent, together with an opinion of the Restricted Credit Parties' Counsel in form and substance satisfactory to the Administrative Agent, and such other certificates, agreements, instruments and other documents as the Administrative Agent may reasonably request. Upon such delivery and subject to this Section 2.16, such Additional Cdn Borrower, Additional US Borrower or Additional Foreign Borrower, as the case may be, shall for all purposes of this Agreement be a Borrower hereunder and a party to this Agreement.

In addition to the foregoing, the Cdn Borrower shall obtain the prior written consent of the Majority Lenders with respect to any Foreign Restricted Subsidiary it intends to designate as an Additional Foreign Borrower hereunder pursuant to the terms of this Section 2.16, which consent shall not be unreasonably withheld but shall be subject to the satisfaction of all relevant “know your client checks” as set out in Section 22.19 and to the negotiation and conclusion between the Cdn Borrower and the Administrative Agent, acting on the instructions of the Majority Lenders, of terms and conditions to be applicable to such Foreign Restricted Subsidiary in respect of its inclusion as a Borrower hereunder and its rights and obligations under the Operative Documents.

The Administrative Agent shall promptly send a copy of the written notice from the Cdn Borrower contemplated under the first paragraph of Section 2.16 in respect of an Additional Foreign Borrower to each relevant Lender. Each Lender may, to the extent that the funding of such Foreign Additional Borrower by such Lender would be prohibited under Applicable Law or contravene applicable Lender policy and by notice to the Administrative Agent, refuse to be a Lender to an Additional Foreign Borrower within three (3) Business Days from receipt of such notice from the Administrative Agent.

2.17 Reallocations amongst Revolving Facilities

2.17.1 From and after the date of the first Advance of the Term Loan Credit Facilities, the Cdn Borrower may, upon giving not less than 10 days prior written notice to the Administrative Agent (a “**Facility Reallocation Request**”), request that the amount of the Revolving Facilities be apportioned differently as between the Cdn Revolving Facility and the US Revolving Facility. A Facility Reallocation Request may request a change (increase or decrease) in each such component of the Revolving Facilities (including, for greater certainty, the Swingline Facilities) so long as (i) the aggregate Revolving Commitments determined after such reallocation is made would not exceed the amount of the aggregate Revolving Commitments in effect immediately before such reallocation is made, (ii) the Cdn Swingline Commitment Amount and the US Swingline Commitment Amount, respectively, determined after such reallocation is made would not exceed the Cdn Revolving Facility and the US Revolving Facility, respectively, determined after such reallocation is made, and (iii) the sum of the Cdn Swingline Commitment Amount and the US Swingline Commitment Amount determined after such reallocation is made would not exceed the Aggregate Swingline Commitment Amount. Any such Facility Reallocation Request shall not be delivered more than once during any fiscal quarter of the Cdn Borrower.

2.17.2 Promptly following receipt of a Facility Reallocation Request, the Administrative Agent shall notify each Lender and request each Lender to

approve the modifications requested therein. Each Lender may, subject to the provisions of the immediately following sentence of this subsection 2.17.2, elect to approve or refuse such Facility Reallocation Request by notice to the Administrative Agent to such effect. If a Lender or an Affiliate of such Lender is able to increase or assume a Revolving Commitment under a Revolving Facility so requested of such Lender pursuant to a Facility Reallocation Request in an amount that equals a reduction under the other Revolving Commitment of such Lender (or Affiliate thereof) pursuant to such Facility Reallocation Request without suffering any legal, regulatory or economic loss and expense, such Lender will not unreasonably withhold its approval of the Facility Reallocation Request. The Administrative Agent shall, promptly following receipt of such information, notify the Cdn Borrower of all Lenders which have approved such Facility Reallocation Request and those which have refused.

- 2.17.3 On or before the last Business Day of the fiscal quarter of the Cdn Borrower during which any Facility Reallocation Request is submitted to the Administrative Agent, the Cdn Borrower shall notify the Administrative Agent as to whether or not it wishes to modify the Revolving Commitments of the Lenders in accordance with the approvals and refusals of the Lenders to such Facility Reallocation Request. If the Cdn Borrower notifies the Administrative Agent that it does not wish to so modify the Revolving Commitments, then no such modification shall take place. If, however, the Cdn Borrower notifies the Administrative Agent that it wishes to so modify the Revolving Commitments, then the Administrative Agent shall promptly notify the Lenders of such fact and the Revolving Commitments of those Lenders which have consented to such Facility Reallocation Request shall be automatically modified as of the first Business Day of the fiscal quarter of the Cdn Borrower following the expiry of the 10-day notice period referred to in subsection 2.17.1 to the extent they have agreed to the changes requested and thereupon each component of the Revolving Facilities shall be modified accordingly and the Rateable Share of the respective Lenders in respect of the applicable Revolving Commitments and Revolving Loans shall be adjusted accordingly.

2.18 **Extension of the Revolving Period**

- 2.18.1 From and after the date of the first Advance of the Term Loan Credit Facilities, in any given year, or in any subsequent year if not requested in any such given year, the Borrowers may request that the Revolving Period be extended for a period of one (1) year pursuant to each such request (each such period to commence on the day immediately following the last day of the then current Revolving Period), by delivering to the Administrative Agent an Extension Request no earlier than 90 days and no later than 45 days prior to each anniversary of the date of this Agreement.
- 2.18.2 Upon receipt of an Extension Request, the Administrative Agent shall deliver a copy thereof to each Lender and no later than 30 days following the receipt thereof from the Administrative Agent, each such Lender shall inform the

Administrative Agent of its decision to extend or not to extend the Revolving Period. The decision of a Lender to extend the Revolving Period is irrevocable. The failure by a Lender to inform the Administrative Agent of its decision within such period shall result in such Lender being deemed to have refused to extend its Revolving Period. Upon receipt by the Administrative Agent of the notices of acceptance or refusal (or deemed refusal) from the Lenders, the Administrative Agent shall promptly inform the Borrowers and the Lenders of the results.

- 2.18.3 If the aggregate amount of the Revolving Commitments of the Lenders that have agreed to extend the Revolving Period represents 662/3% or less of the Revolving Facilities, then the then current Revolving Period shall not be extended and shall expire in accordance with its terms unless subsequently extended in accordance with this Section 2.16.
- 2.18.4 If the aggregate amount of the Revolving Commitments of the Lenders that have agreed to extend the Revolving Period represents more than 662/3% of the Revolving Facilities, then, with respect to each Dissenting Lender, the Borrowers shall have the right, within one (1) year of the date on which the Extension Request is delivered to the Administrative Agent pursuant to Section 2.18.1, and at their sole expense and effort and upon notice to such Dissenting Lender and the Administrative Agent, to replace such Dissenting Lender as contemplated in Section 2.19 or cancel its Revolving Commitment as contemplated in Section 2.20, provided, however, that no Default has occurred and is continuing on the effective date of such replacement or cancellation, as the case may be.
- 2.18.5 If, within one (1) year of the date on which the Extension Request is delivered to the Administrative Agent pursuant to Section 2.18.1, the Borrowers have replaced all Dissenting Lenders as contemplated in Section 2.19 or cancelled their respective Revolving Commitments as contemplated in Section 2.20, then the Revolving Period shall be extended as hereinabove mentioned.
- 2.18.6 If, within one (1) year of the date on which the Extension Request is delivered to the Administrative Agent pursuant to Section 2.18.1, the Borrowers have not replaced all Dissenting Lenders as contemplated in Section 2.19 or cancelled their respective Revolving Commitments as contemplated in Section 2.20, then the then current Revolving Period shall not be extended and shall expire in accordance with its terms unless subsequently extended in accordance with this Section 2.18.

2.19 **Replacement of Dissenting Lenders**

With respect to each Dissenting Lender that the Borrowers desire to replace, and provided there does not then exist any Default:

- 2.19.1 the Borrowers shall initially be required to ask each Lender who has agreed to extend its Revolving Period, through the Administrative Agent, if it desires to

have the Loan or any portion thereof of such Dissenting Lender Assigned to it and to assume the corresponding portion of the Revolving Commitment of such Dissenting Lender. If more than one Lender shall accept the foregoing offer, in whole or in part, then any such Assignment of the Loan or any portion thereof of such Dissenting Lender and any such assumption of the corresponding portion of the Revolving Commitment of such Dissenting Lender shall be allocated on a Rateable Share basis;

- 2.19.2 in the event that no such Lender informs the Administrative Agent within ten (10) Business Days of such request of the Borrowers of its intention to proceed with such an Assignment and assumption or in the event that the aggregate amount of the Loan and the Revolving Commitment that the Lenders desire to have Assigned to them is less than the amount of the Loan and the Revolving Commitment of such Dissenting Lender, the Borrowers may request that such portion of the Loan and the Revolving Commitment of such Dissenting Lender be Assigned to one or more financial institutions, the whole in accordance with Section 22.5; provided, however, that the Borrowers shall pay to the Administrative Agent the fees contemplated in paragraph 22.5.1.4.

2.20 **Cancellation of the Revolving Commitments of Dissenting Lenders**

With respect to each Dissenting Lender whose Revolving Commitment the Borrowers desire to cancel, the Borrowers shall so notify in writing the Administrative Agent and such Dissenting Lender five (5) Business Days prior to the effective date of such cancellation. On the effective date of such cancellation, the Revolving Commitment of such Dissenting Lender shall be cancelled and the Borrowers shall repay the entire amount of the Revolving Loan of such Dissenting Lender.

2.21 **Accordion Feature**

- 2.21.1 At any time from and after the date of the first Advance of the Term Loan Credit Facilities and provided that no Default has occurred and is continuing, the Borrowers may, by notice to the Administrative Agent, request that on the terms and subject to the conditions contained in this Agreement, the Lenders or New Lenders provide up to an aggregate amount of Cdn\$750,000,000 in additional loan commitments consisting, at Borrowers' option, of either Cdn Revolving Commitments or US Revolving Commitments (the “**Additional Revolving Commitments**”) or a combination thereof; provided, however, that any request for an increase shall be in a minimum amount of Cdn\$50,000,000;
- 2.21.2 Upon receipt of such notice, the Administrative Agent shall use commercially reasonable efforts to arrange for the Lenders to provide such Additional Revolving Commitments, provided that the Administrative Agent will first offer each of the Lenders that then has a Revolving Commitment under the Revolving Facilities a *pro rata* portion (based upon the applicable Revolving Facility, at such time) of any such Additional Revolving Commitments. Nothing contained in this Section or otherwise in this Agreement is intended to

commit any Lender or any Agent to provide any portion of any such Additional Revolving Commitments.

- 2.21.3 To the extent that any Lenders or New Lenders agree, in their sole discretion, to provide any Additional Revolving Commitments, (i) the applicable Revolving Facilities and the applicable Revolving Commitments shall be increased by the amount of the Additional Revolving Commitments agreed to be so provided, (ii) at such time and in such manner as the Borrowers and the Administrative Agent shall agree, the Lenders shall assign and assume outstanding applicable Revolving Loans held by each Lender to conform to the respective percentages of the applicable Revolving Commitments of the Lenders, and (iii) the Borrowers shall execute and deliver any amendments, supplements or modifications to any Operative Document as the Administrative Agent may reasonably request.

2.22 **Temporary Advances by Administrative Agent**

- 2.22.1 Unless the Administrative Agent shall have received a written notice from any given Lender by 5:00 P.M. (Montréal time) on the Business Day prior to any Drawdown Date, or is otherwise informed prior to making any Drawdown proceeds available to the relevant Borrower as contemplated in subsections 2.8.2 and 2.8.3, that such Lender will not make such proceeds available to the Administrative Agent, the Administrative Agent may assume that such Lender shall make such proceeds available on the relevant Drawdown Date in accordance with the applicable provisions of this Agreement, and the Administrative Agent may, in reliance upon such assumption but at its sole and unfettered discretion, make available to the relevant Borrower, on such Drawdown Date, the Rateable Share (as pertains to the relevant Facility) of such Lender of such proceeds.
- 2.22.2 If the relevant Lender does not make its Rateable Share of such proceeds available to the Administrative Agent and the Administrative Agent does make available to the relevant Borrower such Lender's Rateable Share of such proceeds, such Lender shall pay its Rateable Share of such proceeds to the Administrative Agent on demand, together with interest thereon, for each day from and including the date such Rateable Share is made available by the Administrative Agent to the relevant Borrower to but excluding the date of repayment to the Administrative Agent, at a fluctuating rate per annum equal to the higher of the interbank rate for overnight funds or the rate charged to the Administrative Agent by its correspondent, plus 0.25%. A certificate of the Administrative Agent submitted to any such Lender with respect to any amount owing under this subsection 2.20.2 shall be conclusive, absent manifest error. If such amount and interest thereon is so made available to the Administrative Agent, such payment to the Administrative Agent by such Lender shall constitute such Lender's Advance on the Drawdown Date for all purposes of this Agreement. If such amount is not so made available to the Administrative Agent, then the Administrative Agent shall notify the relevant Borrower of such failure and, without in any way affecting or otherwise

diminishing the obligation of such Lender to pay such amount to the Administrative Agent on demand, on the third Business Day following the Drawdown Date, the relevant Borrower shall pay to the Administrative Agent such Rateable Share together with interest thereon for each day that the relevant Borrower had the use of such Rateable Share of the requested Advance at an annual rate applicable to such Advance computed and payable in the manner herein contemplated. A certificate of the Administrative Agent submitted to such Borrower with respect to any amount owing under this subsection shall be prima facie evidence thereof, absent manifest error.

- 4.2.2 The aggregate face amount of an issue of BAs shall be apportioned as among the applicable Lenders on a Rateable Share basis. Where such apportionment results in the aggregate face amount of BAs to be accepted by a Lender for the same Selected Period not to be a whole multiple of Cdn\$100,000, such aggregate face amount shall be increased or reduced by the Administrative Agent in its sole discretion to the nearest whole multiple of Cdn\$100,000, without affecting the aggregate face amount of BAs accepted by the applicable Lenders for the same Selected Period.

4.3 **Lenders to Accept Drafts**

Each applicable Lender hereby severally and neither jointly nor solidarily agrees to accept as BAs, on each Issuance Date, an aggregate face amount of Drafts equal to the amount specified to such Lender by the Administrative Agent pursuant to Section 4.2.

4.4 **Stamping Fee**

- 4.4.1 In connection with and in consideration for the acceptance by each applicable Lender of Drafts as contemplated in Section 4.3, the Cdn Borrower shall pay to each applicable Lender, a stamping fee equal to the product resulting from multiplying the face amount of each Draft so accepted by such Lender by a fraction, the numerator of which shall consist of the product resulting from multiplying the applicable Relevant Margin in effect on the relevant Issuance Date by the number of days in the Selected Period applicable to such BA and the denominator of which shall consist of 365.
- 4.4.2 Where during any Selected Period, the Relevant Margin changes, on the Reset Date upon which such change has taken effect (or when the Administrative Agent is unable to proceed on the Reset Date, within five (5) Business Days of any request from the Administrative Agent), the Cdn Borrower, on the one hand, and the Administrative Agent, for the account of the applicable Lenders, on the other hand, shall settle as among themselves any amounts resulting from any adjustment of the Relevant Margin during such Selected Period, taking into consideration the Relevant Margin that would have been applicable on the date of any such change to any outstanding Advance made by way of BAs as of and from the date of any such change, the remaining term of the applicable Selected Period and the face amount of the relevant BAs. The applicable Lenders and the Cdn Borrower, through the Administrative Agent, shall pay to each other, as required, the appropriate amounts resulting from any such adjustment.
- 4.4.3 In payment of the Stamping Fee payable in connection with any BA, each applicable Lender shall retain from the Discounted Proceeds relating to such BA an amount equal to such Stamping Fee.

4.5 **Lenders to Discount BAs**

- 4.5.1 Each applicable Lender hereby severally and neither jointly nor solidarily agrees to purchase the BAs accepted by it under the terms hereof on the Issuance Date of such BAs for an amount equal to the Discounted Proceeds of such BAs.
- 4.5.2 Any BA so purchased by any Lender may be held by it for its own account or sold or traded in (y) the money market, either directly or through securities brokers or dealers, in accordance with such arrangements as such Lender may consider appropriate to make or (z) a clearing house within the meaning of the *Depository Bills and Notes Act* (Canada).

4.6 **Lenders to Make BA Proceeds Available to Administrative Agent**

On each Issuance Date, each applicable Lender shall make available to the Administrative Agent, the BA Proceeds relating to the BAs accepted and purchased by it on such date.

4.7 **Payment of BAs**

On each Selected Maturity Date, the Cdn Borrower shall pay the face amount of all BAs maturing on such date. Where the Cdn Borrower fails to make such payment, the Cdn Borrower shall be deemed to have requested that portion of the BA Liabilities corresponding to the BAs then maturing to be converted on such Selected Maturity Date into a Prime Rate Loan.

4.8 **Waiver**

The Cdn Borrower shall not claim from any Lender any days of grace for the payment at maturity of any BA issued and accepted by that Lender. Furthermore, the Cdn Borrower waives any defence to payment which might otherwise exist if for any reason a BA issued hereunder shall be held by or for the account of a Lender in its own right at the maturity thereof.

4.9 **Obligations Absolute**

The obligations of the Cdn Borrower with respect to BAs hereunder are unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following circumstances:

- 4.9.1 any lack of validity or enforceability of any Draft accepted by any Lender as a BA, except where such lack of validity or enforceability shall have resulted from such Lender's intentional or gross fault or wilful misconduct or that of its directors, officers, employees, advisors, representatives and agents; or
- 4.9.2 the existence of any defence, right of action, right of compensation or set-off or claim of any nature whatsoever which the Cdn Borrower may at any time have or have had against the holder of a BA, the Administrative Agent, a Lender or any other Person, whether in connection with this Agreement or otherwise.

4.10 **Power of Attorney to Sign Drafts**

In order to facilitate the issuance of BAs hereunder, the Cdn Borrower hereby authorizes each of the applicable Lenders to sign, endorse and complete Drafts on its behalf in handwritten or by facsimile or mechanical signature or otherwise and once so signed, endorsed and completed, to purchase, discount and negotiate same or, as the case may be, deposit same in a clearing house as contemplated in the Depositary Bills and Notes Act (Canada), the whole as and when deemed necessary by any such Lender for all purposes of this Article 4. In this regard, the parties hereto do hereby agree as follows:

- 4.10.1 all Drafts so signed, endorsed and completed on behalf of the Cdn Borrower by any Lender shall bind the Cdn Borrower as fully and effectually as if signed in the handwriting of and duly issued by the proper signing officers of the Cdn

Borrower;

- 4.10.2 neither the Administrative Agent nor the Lenders nor any of their respective directors, officers, employees or representatives shall be liable for any action taken or omitted to be taken by it or them under this Article 4, except for its or their own intentional or gross fault or wilful misconduct;
- 4.10.3 the Cdn Borrower shall pay upon demand to each applicable Lender, the face amount of any form of Draft which on its face appears or purports to have been issued by the Cdn Borrower and circulated fraudulently or without authority by any Person other than the Administrative Agent, the applicable Lenders or any of their respective directors, officers, employees or representatives and which was subsequently presented to a Lender for payment and paid by such Lender and shall indemnify and hold harmless such Lender from and against any and all losses and expenses which may be imposed on or incurred by or asserted against such Lender in any way relating to, arising out of or resulting from such fraudulent, unauthorized or illegal issuance or use of such Drafts, except where such fraudulent, unauthorized or illegal issuance or use of such Drafts shall have resulted from such Lender's intentional or gross fault or wilful misconduct or that of its directors, officers, employees, advisors, representatives and agents. To the extent the Cdn Borrower shall have paid such payment relating to, arising out of, or resulting from, such fraudulent unauthorized or illegal issuance or use of such Drafts and to the extent further that such fraudulent, unauthorized or illegal issuance or use of such Drafts shall have resulted from such Lender's intentional or gross fault or wilful misconduct, such Lender shall promptly reimburse to the Cdn Borrower the amounts so paid by the Cdn Borrower and shall furthermore indemnify and hold harmless the Cdn Borrower from and against any and all losses and expenses incurred by or asserted against the Cdn Borrower in any way relating to, arising out of, or resulting from, such fraudulent, unauthorized or illegal issuance or use of such Drafts. Subject to the immediately proceeding sentence, following any such payment by the Cdn Borrower, any amount recovered by the applicable Lender from a third party in connection with such Draft shall be remitted to the Cdn Borrower by such Lender forthwith after deducting therefrom any amounts (including the reasonable costs and expenses incurred by such Lender in connection with such recovery) not otherwise paid by the Cdn Borrower; and
- 4.10.4 upon the request of the Cdn Borrower, any Lender shall cancel all of the forms of Drafts which shall have been signed, endorsed and completed by such Lender on behalf of the Cdn Borrower as hereinabove contemplated in this Section and which shall not as yet have been issued in accordance with such instructions of the Cdn Borrower, provided that under such circumstances, such Lender shall have no liability for failing to make any further requested Advance by way of BAs.

4.11 **Special Provisions with respect to Non-BA Lenders**

- 4.11.1 The provisions of this Article 4 shall apply to any Non-BA Lender, save and except that such Non-BA Lender shall perform its obligations under this Article not by the acceptance of bills of exchange or, as the case may be, depository bills as such expression is defined in the Depository Bills and Notes Act, but rather, subject to all of the terms and conditions of this Agreement, shall make direct Advances to the Cdn Borrower equal to its Rateable Share of any Advance that, pursuant to a Draw Request or a Conversion Request, the Cdn Borrower may request, be or become outstanding by way of BAs.
- 4.11.2 The principal amount of the Indebtedness of the Cdn Borrower towards such Non-BA Lender with respect to any Advance made by such Non-BA Lender under this Section 4.11, shall be equal to the face amount of any BA Equivalent Note issued by the Cdn Borrower in order to evidence such Advance.
- 4.11.3 In order to provide such Non-BA Lender with comparable benefits to those enjoyed by the other Lenders under this Article 4, in connection with each BA Equivalent Note issued by the Cdn Borrower to such Non-BA Lender, such Non-BA Lender shall make available to the Cdn Borrower an amount equal to the BA Proceeds relating to such BA Equivalent Note.
- 4.11.4 Save as otherwise expressly altered by this Section 4.11, the remaining provisions of this Agreement pertaining to BAs shall apply in all respects to such BA Equivalent Notes and such Non-BA Lender *mutatis mutandis*.

Other than as set out in Section 6.9 and subject to the terms of Section 6.10, each LC shall by its terms be stated to expire on a date no later than the earlier to occur of (i) one (1) year after the last day of the Revolving Period, and (ii) three (3) years from the date of its issuance or extension;

- 6.1.3 the beneficiary of each LC so requested, the conditions of payment under each such LC and all other information required to prepare each such LC;

Where the Cdn Borrower requests the issuance of an LC, then the relevant Draw Request or Conversion Request must be delivered to the Cdn LC Issuing Lender and when the US Borrower requests the issuance of an LC, then the relevant Draw Request or Conversion Request must be delivered to the US LC Issuing Lender.

No LC may be requested to be issued under any of the Revolving Facilities where as a result of the issuance of such LC, the aggregate LC Liabilities then outstanding would exceed Cdn\$200,000,000.

If reasonably acceptable to the relevant Borrower, an LC Issuing Lender may cause an LC denominated in an Agreed Foreign Currency to be issued by an Affiliate of such LC Issuing Lender. Such an LC shall be considered to be an LC and such LC Issuing Lender shall be considered to be the issuer of the LC, for all purposes of the Operative Documents.

6.2 **Issuance of LCs**

Provided all conditions of this Agreement have been met, by no later than 11:00 A.M. (Montréal time) on the relevant Issuance Date, the relevant LC Issuing Lender shall deliver to the Borrower that requested same, or to the Persons designated in the relevant Draw Request or Conversion Request, the LCs requested to be issued on such date.

6.3 **LC Fee**

The Cdn Borrower (in the case of an LC requested under the Cdn Revolving Facility) or the US Borrower (in the case of an LC requested under US Revolving Facility) shall pay to the Administrative Agent in connection with any LC:

- 6.3.1 a fee, which shall be in the amount determined by the Administrative Agent to be equal to the sum of the products for each day during the Selected Period of such LC of (a) the Stated Amount of such LC at the end of the day, multiplied by (b) the quotient of (i) the Relevant Margin divided by (ii) (A) 365 in the case of an LC requested under the Cdn Revolving Facility, and (B) 360 in the case of an LC requested under the US Revolving Facility. Such fee shall be paid quarterly in arrears on the first Business Day of each calendar quarter until the Stated Amount of such LC is reduced to nil, at which time the final payment of such fee shall be paid;
- 6.3.2 in addition to the amounts payable under subsections 6.3.1 and 6.3.3, a fee payable in accordance with the fee schedule of the LC Issuing Lender issuing same in force from time to time with respect to the issuance, renewal, amendment or cancellation of such LC; and
- 6.3.3 in addition to the amounts payable under subsections 6.3.1 and 6.3.2, a fronting fee, calculated and payable in the same manner as the fee referred to in

subsection 6.3.1, save that the reference to the Relevant Margin in clause (b) thereof shall be replaced by a reference to 0.25% per annum.

6.4 **Distribution of LC Fee**

Upon receipt of any payment on account of the LC Fee applicable to any LC, the Administrative Agent shall forthwith distribute same among the Lenders as follows:

- 6.4.1 to the LC Issuing Lender that issued such LC, for its own account and exclusive benefit, the fees referred to in subsections 6.3.2 and 6.3.3; and
- 6.4.2 to the Lenders (including the Lender that is also the LC Issuing Lender) the fee referred to in subsection 6.3.1 on a Rateable Share basis of the Revolving Facility under which such LC is issued.

6.5 **Payment by a LC Issuing Lender under LCs**

- 6.5.1 The aggregate principal amount or amounts of monies paid by a LC Issuing Lender at any time and from time to time under any LC which is in excess of the amount previously provided to such LC Issuing Lender by the Cdn Borrower or the US Borrower, as the case may be, in connection with such LC, shall constitute an Advance:
 - 6.5.1.1 to the Cdn Borrower under the Cdn Revolving Facility where such LC was issued under such Revolving Facility, in a principal amount equal to such unreimbursed disbursement (if denominated in Canadian Dollars or US Dollars) or the equivalent in Canadian Dollars of such unreimbursed disbursement determined at the rate of exchange quoted to the Administrative Agent by the Cdn LC Issuing Lender (if denominated in any other currency), and shall form part of the Cdn Revolving Prime Rate Loans or the Cdn Revolving US Base Rate Loans, as the case may be; and
 - 6.5.1.2 to the US Borrower under the US Revolving Facility where such LC was issued under such Revolving Facility, in a principal amount equal to such unreimbursed disbursement (if denominated in US Dollars) or the equivalent in US Dollars of such unreimbursed disbursement determined at the rate of exchange quoted to the Administrative Agent by the US LC Issuing Lender (if denominated in any other currency) and shall form part of the US Revolving US Prime Rate Loans.
- 6.5.2 Where a LC Issuing Lender shall have received a demand for payment under any LC it has issued hereunder and has determined to effect payment, unless it shall have been previously put into funds by the Cdn Borrower (where such LC was issued under the Cdn Revolving Facility) or the US Borrower (where such LC was issued under the US Revolving Facility) sufficient to effect such payment, it shall issue a written notice to the Administrative Agent and the Cdn Borrower or the US Borrower (as the case may be) advising them of the

amount of and the currency in which such payment shall be made by such LC Issuing Lender and, if such currency shall not be Cdn Dollars or US Dollars, the equivalent of such amount, based on the applicable exchange rate, in Cdn Dollars (in the case of an LC issued under the Cdn Revolving Facility) or US Dollars (in the case of an LC issued under the US Revolving Facility), and requesting that:

- 6.5.2.1 where such LC was issued under the Cdn Revolving Facility, the Cdn Lenders make an Advance by way of Cdn Revolving Prime Rate Loans or Cdn Revolving US Base Rate Loans, as the case may be, equal to such equivalent amount by the Business Day next following such notice; and
- 6.5.2.2 where such LC was issued under the US Revolving Facility, the US Lenders make an Advance by way of US Revolving US Prime Rate Loans equal to such equivalent amount by the Business Day next following such notice.
- 6.5.3 Where the Administrative Agent has received such a notice prior to 11:00 A.M. (Montréal time), on any Business Day, it shall issue a notice to the applicable Lenders under Section 21.1 and the applicable Lenders, by no later than 11:00 A.M. (Montréal time) on the Business Day following the receipt of such notice from the Administrative Agent, shall make available to the Administrative Agent, in the Administrative Agent's Account, by wire-transfer of funds, in each currency which has been requested, in same-day funds, the amount or amounts specified for such Lender in the aforesaid notice. The Administrative Agent shall on such Business Day disburse the amounts requested by a LC Issuing Lender, on behalf of the applicable Lenders, by crediting the funds it shall have received to the account of such LC Issuing Lender at its LC Issuing Office.
- 6.5.4 In the event that a LC Issuing Lender shall have effected payment under a LC prior to receipt of the amounts requested from the Administrative Agent, such LC Issuing Lender shall have the exclusive benefit of the interest accruing on such amounts under the terms of this Agreement.
- 6.5.5 Where the Administrative Agent receives a notice from a LC Issuing Lender at any time after 11:00 A.M. (Montréal time) on any Business Day, it shall be deemed to have received such notice prior to 11:00 A.M. (Montréal time) on the following Business Day.
- 6.5.6 Subject to the provisions of Section 6.7, the Cdn Borrower covenants and agrees to indemnify the Cdn LC Issuing Lender for any amount which it may be required to pay under any LC issued by it under the terms hereof and the US Borrower covenants and agrees to indemnify the US LC Issuing Lender for any amount which it may be required to pay under any LC issued by it under the terms hereof.

6.6 **Lenders' Covenant to each LC Issuing Lender**

- 6.6.1 Each Cdn Lender does hereby unconditionally and irrevocably covenant and agree to and in favour of the Cdn LC Issuing Lender, to purchase, at the request of the Cdn LC Issuing Lender, up to its Rateable Share (as it pertains to the Cdn Revolving Facility) of any amount the Cdn LC Issuing Lender is required to pay under any LC issued under the Cdn Revolving Facility which may be outstanding, its claim against the Cdn Borrower for any amount the Cdn LC Issuing Lender may be required to pay under any LC issued under the Cdn Revolving Facility which may be outstanding. Each Cdn Lender hereby covenants to pay to the Cdn LC Issuing Lender as a purchase price of such claim an amount equal to such Rateable Share, in the manner and within the delays contemplated in Section 6.5. Any arrears on the payment of any such Rateable Share shall bear interest on a Prime Rate Basis if the amount of such arrears is denominated in Canadian Dollars or on a US Base Rate Basis if the amount of such arrears is denominated in US Dollars.
- 6.6.2 Each US Lender does hereby unconditionally and irrevocably covenant and agree to and in favour of the US LC Issuing Lender, to purchase, at the request of the US LC Issuing Lender, up to its Rateable Share (as it pertains to the US Revolving Facility) of any amount the US LC Issuing Lender is required to pay under any LC issued under the US Revolving Facility and which may be outstanding, its claim against the US Borrower for any amount the US LC Issuing Lender may be required to pay under any LC issued under the US Revolving Facility which may be outstanding. Each US Lender hereby covenants to pay to the US LC Issuing Lender such Rateable Share, in the manner and within the delays contemplated in Section 6.5. Any arrears on the payment of any such Rateable Share shall bear interest on a US Prime Rate Basis.

6.7 **Obligations Absolute**

The obligations of the Cdn Borrower and the US Borrower with respect to LCs hereunder are unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following circumstances:

- 6.7.1 any lack of validity or enforceability of any draft or other document presented in connection with any payment requested under any LC except in the event of the LC Issuing Lender's (that issued such LC) intentional or gross fault or wilful misconduct or that of its directors, employees, advisors, representatives and agents; or
- 6.7.2 the existence of any defence, right of action, right of compensation or set-off or claim of any nature whatsoever which the Cdn Borrower or the US Borrower may at any time have or have had against the beneficiary of a LC, the LC Issuing Lenders, the other Finance Parties or any other Person, whether in connection with this Agreement or otherwise.

Neither the LC Issuing Lenders nor any of their respective correspondents, participants or assignees shall be liable or responsible for any of the matters described in clauses 6.7.1 or 6.7.2; provided, however, that anything in such clauses to the contrary notwithstanding, the Cdn Borrower may have a claim against the Cdn LC Issuing Lender and the US Borrower may have a claim against the US LC Issuing Lender, in each case, to the extent, but only to the extent, of any direct, as opposed to consequential, punitive or exemplary damages suffered by the Cdn Borrower or the US Borrower, as the case may be, that are found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such LC Issuing Lender's intentional or gross fault or wilful misconduct or that of its directors, employees, advisors, representatives and agents.

6.8 **Existing LCs**

The parties hereto expressly acknowledge and agree that as of and from the date a letter of credit is designated as an Existing LC by the Administrative Agent:

- 6.8.2 each one of the issuing lenders thereunder shall continue to be considered to be a Cdn LC Issuing Lender with respect to such Existing LCs issued by it or by an Affiliate;
- 6.8.3 the Borrowers shall pay an LC Fee with respect to such Existing LCs calculated in accordance with the provisions of Section 6.3 and distributed in accordance with the provisions of Section 6.4.

6.9 **Other LCs**

Subject to compliance with the terms of Section 6.10, the Borrowers may request LCs, up to a maximum of aggregate LC Liabilities of Cdn\$50,000,000 (but subject to the maximum aggregate LC Liabilities amount set out in the second to last paragraph of Section 6.1), which expire on a date no later than five (5) years from the date of its issuance or extension. Each LC Issuing Lender may elect to approve or refuse, at its sole and unfettered discretion, any request made by the Borrowers under this Section 6.9 by notice to the Borrowers and the Administrative Agent to such effect.

6.10 **Repayment of LCs under certain Circumstances**

If (x) any Event of Default shall occur and be continuing or (y) there shall exist any LCs which expire on a date which is later than the then last day of the Revolving Period, then, in the case of (x) above, on the Business Day that the Borrowers receive notice from the Administrative Agent (acting on the instructions of the Majority Lenders) or from any LC Issuing Lender and, in the case of (y) above, without demand or notice of any kind and at least one (1) Business Day prior to the then last day of the Revolving Period, each of the Cdn Borrower (with respect to all such LCs issued under the Cdn Revolving Facility) and the US Borrower (with respect to all such LCs issued under the US Revolving Facility) shall repay all such outstanding LCs, in an amount in

Canadian Dollars or US Dollars (for each such LC denominated in Canadian Dollars or US Dollars, respectively), the Equivalent amount in Canadian Dollars (for each such LC denominated in any other currency) or, if requested by the relevant LC Issuing Lender, in the currency in which the relevant LC is denominated, as the case may be, equal to the aggregate LC Liability of all such LCs, and such repayment shall be held and applied in the manner set out in Section 9.5. The agreements of the Borrowers under this Section 6.10 shall survive the termination of the Facilities.

ARTICLE 7

- 8.1.1 The Cdn Borrower hereby covenants and agrees to pay to the Administrative Agent for the account of each Cdn Lender, with respect to such Cdn Lender's Cdn Revolving Commitment, a stand-by fee equal for each day to the percentage per annum set out in Schedule "C" applicable on each such day to the Cdn Revolving Facility. Such fee is computed daily by the Administrative Agent on the daily balance of the Available Cdn Revolving Commitment of such Cdn Lender, as of and from the date that is 21 days after the date of this Agreement until the last day of the Revolving Period.
- 8.1.2 The US Borrower hereby covenants and agrees to pay to the Administrative Agent for the account of each US Lender, with respect to such US Lender's US Revolving Commitment, a stand-by fee equal for each day to the percentage per annum set out in Schedule "C" applicable on each such day to the US Revolving Facility. - 8.1.3 The Cdn Borrower hereby covenants and agrees to pay to the Administrative Agent for the account of each Term Loan Lender, with respect to such Term Loan Lender's applicable Term Loan Commitment, a stand-by fee equal for each day to the percentage per annum set out in Schedule "C" applicable on each such day to the Term Loan Credit Facilities. Such fee is computed daily by the Administrative Agent on the daily balance of the Available Term Loan Commitment of such Term Loan Lender, as of and from the date of this Agreement until the expiry of the Certain Funds Period.
- 8.1.4 The Stand-By Fees are payable quarterly in arrears on (i) in respect of the Revolving Facilities, the first Business Day of each fiscal quarter of the Borrowers; and (ii) in respect of the Term Loan Credit Facilities, on or before the fourth Business Day of each fiscal quarter of the Borrowers . The first such payment of the Stand-By Fees shall become due and payable on the first (or on or before the fourth, as applicable) Business Day after the fiscal quarter ending after the date of this Agreement and the last payment thereof (i) in respect of the Revolving Facilities shall become due and payable on the last day of the Revolving Period; and (ii) in respect of the Term Loan Credit Facilities, on the expiry of the Certain Funds Period, in each case, whether or not such day

The percentages per annum referred to in subsections 8.1.1, 8.1.2 and 8.1.3 are based on a 365-day year.

8.2 **Agency Fees**

The Borrowers solidarily covenant and agree to pay to the Administrative Agent, for its exclusive benefit, the fees contemplated in a separate letter agreement executed by the Administrative Agent and the Cdn Borrower from time to time, the whole in accordance with the terms and conditions of said letter agreement. The obligations of the Borrowers with respect to the payment of such fees shall form part of the Obligations.

ARTICLE 9

All payments or repayments, as the case may be:

- 9.1.1 of principal under any of the Loans or any part thereof, shall be made in the same currency in which such Loans are outstanding;

- 9.1.7 of amounts referred to in Article 18 and Article 19, shall be made in the same currency as the losses and expenses to which they relate.

9.2 **Imputation of Payments**

- 9.2.1 Where the Cdn Borrower makes a payment or repayment of the Cdn Revolving Loans, unless the Cdn Borrower issues to the Administrative Agent a Repayment Notice, the Administrative Agent shall apply such payment or repayment:
- 9.2.1.1 first, in reduction of the Cdn Revolving Prime Rate Loans and/or Cdn Revolving US Base Rate Loans; and then
 - 9.2.1.2 in reduction of such of the Cdn Revolving Libor Loans, BA Liabilities and/or Cdn Revolving LC Liabilities as the Administrative Agent considers appropriate.
- 9.2.2 Where the US Borrower makes a payment or repayment of the US Revolving Loan, unless the US Borrower issues to the Administrative Agent a Repayment Notice, the Administrative Agent shall apply such payment or repayment:
- 9.2.2.1 first, in reduction of the US Revolving US Prime Rate Loans; and then
 - 9.2.2.2 in reduction of such of the US Revolving Libor Loans and/or US Revolving LC Liabilities as the Administrative Agent considers appropriate.
- 9.2.3 Where the Cdn Borrower makes a payment or repayment of a Term Loan, unless the Cdn Borrower issues to the Administrative Agent a Repayment Notice, the Administrative Agent shall apply such payment or repayment:

 - 9.2.3.2 in reduction of such of the Libor Loans and/or BA Liabilities thereunder as the Administrative Agent considers appropriate.
- 9.2.4 Where the relevant Borrower issues to the Administrative Agent a Repayment Notice, then such payment or repayment shall be applied in accordance with the provisions of such Repayment Notice.

9.3 **Compulsory Repayment of BA Liabilities, Libor Loans and/or LC Liabilities**

Where any of the Borrowers is required to make a repayment, then, if the amount of the repayment required to be made is greater than:

- 9.3.1 in the case of the Cdn Revolving Loans or Term Loans, the sum of the Prime Rate Loans and the US Base Rate Loans, as applicable, thereunder; and
- 9.3.2 in the case of the US Revolving Loans, the US Revolving US Prime Rate Loans;

then, subject to the provisions of Article 19 with respect to losses and expenses, the relevant Borrower shall repay such portion of the relevant Libor Loans, BA Liabilities and/or LC Liabilities prior to a Selected Maturity Date as will permit such Borrower to make such repayment.

9.4 **Proceeds Resulting from Repayment of BA Liabilities**

Where the Cdn Borrower repays any part of the BA Liabilities on any day other than the Selected Maturity Date of the BAs to which such BA Liabilities relate, with respect to the amount so repaid, the parties hereto do hereby acknowledge and agree that same:

- 9.4.1 no longer forms part of the patrimony of the Cdn Borrower;
- 9.4.2 shall be held by the Administrative Agent in a non-interest bearing account for the account and benefit of the Lender or Lenders that accepted such BAs; and
- 9.4.3 upon the maturity of the BAs constituting such BA Liabilities, shall be made available by the Administrative Agent to such Lender or Lenders, from the amounts so held by the Administrative Agent under the provisions of this Section 9.4;

and the Cdn Borrower shall have no further liability in respect of each such BA and the Lenders that accepted such BAs shall be entitled to all of the benefits of the amounts so repaid by the Cdn Borrower in the same manner as any other payment of the principal amount of its Loan and shall be responsible for all payments to third parties under such BAs.

9.5 **Proceeds Resulting from Repayment of LC Liabilities**

Where the Cdn Borrower repays any part of the Cdn Revolving LC Liabilities or the US Borrower repays any part of the US Revolving LC Liabilities, on any day other than the Selected Maturity Date of the LC to which such LC Liabilities relate, with respect to the amount so repaid, the parties hereto do hereby acknowledge and agree that same:

- 9.5.1 no longer forms part of the patrimony of the Borrower that made such repayment;
- 9.5.2 shall be held by the Administrative Agent in a non-interest bearing account for the account and benefit of the Lenders;
- 9.5.3 in the case of any repayment by the Borrower made pursuant to Section 6.10 in respect of LCs which expire on a date which is later than the then last day of the Revolving Period, shall be held by the relevant LC Issuing Lender, with interest thereon at a fluctuating rate per annum equal to the interbank rate for overnight funds which is applicable to deposits with such LC Issuing Lender in the same currency as that in which such repayment is made in accordance with market practice, for its own account and benefit and the Borrowers shall execute such other documents as may be reasonably required by the applicable LC Issuing Lender (the provisions of this subsection 9.5.3 shall survive the termination of the Facilities);

- 9.5.4 upon the receipt by the Administrative Agent of (i) a notice from the LC Issuing Lender that issued such LC under the provisions of Section 6.5 relating to a demand for payment made upon such LC Issuing Lender under the terms of any LC forming part of the LC Liabilities so repaid or (ii) a repayment from the Borrower made pursuant to Section 6.10 further to an Event of Default which has occurred and is continuing, the Administrative Agent shall make available to the relevant LC Issuing Lender, from the amounts, including any interest they so generated, so held by the Administrative Agent under the provisions of this Section 9.5, an amount sufficient to meet the obligations of such LC Issuing Lender under such LC; and
- 9.5.5 where no such demand for payment is made upon the relevant LC Issuing Lender under such LC at the relevant Selected Maturity Date, the Administrative Agent shall apply a portion of the amounts so held by it under the provisions of this Section 9.5 equal to the Stated Amount of such LC in reduction of the Cdn Revolving Loans if such LC was issued under the Cdn Revolving Facility or the US Revolving Loans if such LC was issued under the US Revolving Facility, in the same manner as if the applicable Borrower that made such repayment had made voluntary repayment under the provisions of Section 9.2 or, when the Majority Lenders have exercised their rights under Section 17.1, the Administrative Agent shall use the amounts so held by the Administrative Agent under this Section 9.5 in conformity with the provisions of Section 17.2.

9.6 **Payments of Loans to Administrative Agent Only**

- 9.6.1 Except for payments to be made directly to each Swingline Lender under its applicable Swingline Facility, all payments or repayments of principal and interest on the Loans and of fees and other amounts due and to become due hereunder with respect to the Loans and the Credit Facilities by the Borrowers must be effected by direct payments to the Administrative Agent at the Canadian Account Branch (in the case of the Cdn Borrower) and at the American Account Branch (in the case of the US Borrower). The Borrowers hereby authorize the Administrative Agent to effect all necessary debits in the applicable Borrower's Accounts, to effect such payments. The receipt by the Administrative Agent of such amounts shall be deemed to constitute the receipt of such amounts by the Lenders.
- 9.6.2 Except as otherwise expressly provided herein upon receipt of any such payments or repayments, the Administrative Agent shall forthwith distribute to each of the Lenders, their respective Rateable Share of such payments and repayments as relate to the Loans so repaid. Where any such payment or repayment pertains to any of the BA Liabilities, the Rateable Share of any Lender with respect thereto shall, for all purposes hereof, be deemed to be the aggregate of the face amounts of the BAs of such Lender forming part of such BA Liabilities.

- 9.6.3 If for whatever reason any such payment or repayment is made directly to any Lender, such Lender shall promptly remit any amounts so received to the Administrative Agent at the Administrative Agent's Office for distribution.

9.7 **Payment on Any Business Day by 3:00 P.M. (Montréal time)**

Whenever any payment or repayment falls due on a day which is not a Business Day, such payment or repayment shall be made on the next following Business Day. Furthermore, any amount received after 3:00 P.M. (Montréal time) on any Business Day shall be applied to the appropriate payment or repayment which was required to be made on such Business Day, on the next following Business Day. Until so applied, interest shall continue to accrue as provided in this Agreement on the amount of such payment or repayment.

9.8 **Netting**

Where on the date that any Advance is required to be made to a Borrower, such Borrower is required to make or voluntarily makes any payment or repayment of any of the Loans and such payment or repayment is denominated in the same currency as that of the requested Advance, the Administrative Agent shall be entitled to net amounts payable by such Borrower to the Administrative Agent for the account of any Lender against amounts that such Lender is requested to pay to the Administrative Agent in such currency for the purpose of effecting its Rateable Share of such Advance. This Section 9.8 does not apply when the Advance is to be made by the issuance of an LC.

9.9 **Payment at Respective Branches of Account of the Lenders**

All payments required to be made by the Administrative Agent to any of the Lenders or of the LC Issuing Lenders, as the case may be, shall be made at such office or branch of such Lender or LC Issuing Lender as such Lender or LC Issuing Lender may specify from time to time, in same day funds.

9.10 **Administrative Agent May Presume that Payments will be Made by the Borrowers**

- 9.10.1 Unless the Administrative Agent shall have received a written notice from the relevant Borrower by 5:00 P.M. (Montréal time) on the Business Day prior to the due date of any payment or repayment or is otherwise informed prior to making any amount available to any Lender as in this Section 9.10 contemplated, that such Borrower will not make such payment or repayment, the Administrative Agent may assume that such Borrower shall make such payment or repayment on the due date thereof in accordance with the applicable provisions of this Agreement, and the Administrative Agent may, in reliance upon such assumption, make available to each Lender on such date, the Rateable Share (as pertains to the relevant Facility) of such Lender of such payment or repayment.
- 9.10.2 If the relevant Borrower does not make such payment or repayment and the Administrative Agent does make available to such Lender its Rateable Share of such payment or repayment, the Indebtedness under this Agreement of such

Borrower, with respect to any amount so made available by the Administrative Agent, shall not be novated and such Borrower shall thereupon be and become liable to the Administrative Agent for the immediate payment of the amount so made available by the Administrative Agent to such Lender, together with interest thereon for each day from and including the date the Administrative Agent shall have so made available such amount to such Lender at the rate that such amount would have borne under the terms of this Agreement had the Administrative Agent not so made it available, computed and payable in the manner herein contemplated, the whole without any notice or demand on the part of the Administrative Agent. A certificate of the Administrative Agent submitted to such Borrower with respect to any amount owing under this Section shall be prima facie evidence thereof, absent manifest error.

- 9.10.3 If such amount is so made available to such Lender, such payment to the Administrative Agent by the Borrower that was required to make such payment shall constitute such Borrower's payment or repayment of the share of such Lender of the relevant payment or repayment on the date such Borrower pays same to the Administrative Agent, for all purposes of this Agreement. If such amount is not so paid to the Administrative Agent by such Borrower, then the Administrative Agent shall notify such Lender of such failure and, without in any way affecting or otherwise diminishing the obligation of such Borrower to pay such amount to the Administrative Agent immediately, as herein contemplated, on the first (1st) Business Day following the due date of such payment or repayment, such Lender shall pay to the Administrative Agent the amount made available to it by the Administrative Agent together with interest thereon for each day that such Lender had the use of such amount at a rate per annum equal to the rate payable by such Borrower on such amount under the terms hereof computed daily, compounded monthly on the first day of each calendar month and payable upon the demand of the Administrative Agent.
- 9.10.4 Considering the authorization given in subsection 9.6.1, to the extent that, on the due date of any payment or repayment, the monies then available in the Borrower's Accounts that is required to make such payment are sufficient to fund such payment or repayment, then the Administrative Agent may fund such payment or repayment from such monies so that such payment may be made on the due date thereof.

9.11 **Default Interest**

Upon the occurrence and during the continuance of an Event of Default, the principal of and, to the extent permitted by Applicable Law, interest on the Loans and any other amounts owing hereunder or under the other Operative Documents shall bear interest, payable on demand, at a per annum rate equal to (i) in the case of principal of any Loan, the rate otherwise applicable to such Loan during such period pursuant to the other provisions of this Agreement plus 2%, (ii) in the case of interest on any Loan, the rate specified for overdue interest in Sections 3.7 and 5.5, as applicable, and (iii) in the case of any other amount, if expressly provided herein, at the rate so

provided and otherwise on a Prime Rate Basis or a US Base Rate Basis, as the case may be, plus, in each case, 2%.

GUARANTEES

10.1 Guarantees

To secure the due payment and performance of the Obligations, each of the Borrowers shall:

10.1.1 solidarily guarantee the Obligations (other than those that are its direct obligations); and

10.1.2 cause each of the Restricted Subsidiaries to solidarily guarantee the Obligations.

For such purpose, each Borrower shall and shall cause each of the Restricted Subsidiaries to also enter into such guarantee agreement on or prior to the earlier of (y) the date that is 30 days after the date of this Agreement, and (z) the date of the initial Advance under the Term Loan Credit Facilities. The Obligations guaranteed under any guarantee delivered pursuant to the provisions of this Section 10.1 or Section 10.2 shall rank at least on a *pari passu* basis with the obligations of the Borrowers and the relevant Restricted Subsidiaries to finance parties under or in relation to the Existing Revolving Credit Agreement, the holders of notes under or in relation to the Note Purchase Agreements and to any other holders of other Senior Indebtedness.

10.2 Designation of Restricted Subsidiaries

The Cdn Borrower may designate (or re-designate) its Subsidiaries as Restricted Subsidiaries or Unrestricted Subsidiaries provided that (i) at the time of any such designation (or re-designation), no Event of Default exists or results therefrom, (ii) without the consent of the Majority Lenders, the Cdn Borrower shall not be permitted to re-designate any Subsidiary more than two (2) times, (iii) any re-designation shall be effective as of the end of a fiscal quarter of the Cdn Borrower, (iv) no Subsidiary may be designated as a Restricted Subsidiary to the extent such Subsidiary would be prohibited from distributing its earnings in cash to its shareholders as a consequence of any restriction arising out of any agreement, constating document, foreign exchange or currency control, Applicable Law or Lien, and (v) no Subsidiary may be designated as a Restricted Subsidiary unless it is a wholly-owned Subsidiary of the Cdn Borrower, provided however that, notwithstanding the forgoing provisions of this clause (v), in the case of any Permitted Acquisition of any public company (a “**Public Company Acquisition**”), such public company may, subject to the conditions hereinabove contemplated in clauses (i) to (iv) of this paragraph, be designated as a Restricted Subsidiary on condition that (y) upon such Permitted Acquisition, such public company shall be a Subsidiary of the Cdn Borrower, and (z) such Subsidiary shall become a wholly-owned Subsidiary of the Cdn Borrower within 90 days following such Permitted Acquisition, it being agreed that if such Subsidiary does not so become a wholly-owned Subsidiary of the Cdn Borrower within such delay, then such Subsidiary shall cease to be considered for all purposes of this Agreement as a Restricted Subsidiary upon the expiry of such 90-day delay (in which case such Subsidiary shall thereupon be released of its obligations as a

guarantor of the Obligations pursuant to the relevant Guarantee Agreement). The parties hereto acknowledge and agree that the UK Target Acquisition is a “Public Company Acquisition” for purposes of this Agreement.

Within (i) 60 days, in the case of any Public Company Acquisition, or (ii) 20 days in any other case, of any such Subsidiary becoming a Restricted Subsidiary, the Borrowers shall cause such Person to solidarily guarantee the Obligations. For such purpose, the Borrowers shall cause such Subsidiary to become party to a Guarantee Agreement provided that if the guarantee of any such Subsidiary is required by Applicable Law to be limited, the limitation shall be acceptable to the Majority Lenders, it being understood that the Majority Lenders shall not be required to accept a Subsidiary as a Restricted Subsidiary in the event of any such limitation, but will act reasonably in accepting or rejecting any such Subsidiary as a Restricted Subsidiary.

Notwithstanding anything to the contrary in any Operative Document in respect of the continuing nature of the obligations as a Guarantor under a Guarantee Agreement, if any Restricted Subsidiary is re-designated as an Unrestricted Subsidiary in accordance with the provisions of this Section 10.2, such Subsidiary shall automatically cease to be a guarantor under the relevant Guarantee Agreement and be released of its obligations thereunder.

10.3 **Designation of Pledged Restricted Subsidiaries**

Notwithstanding anything to the contrary contemplated in Section 10.2, in the case of a Subsidiary which is either prevented from or limited in its ability to solidarily guarantee the Obligations under any Applicable Law or otherwise, such Subsidiary may, subject to the condition contemplated in clause (i) to (iv) of the first paragraph of Section 10.2, be designated as a Restricted Subsidiary even without becoming a party to a Guarantee Agreement (any such Subsidiary is hereinafter referred to as a “**Pledged Restricted Subsidiary**”) on condition that:

- 10.3.1 in the case of a Permitted Acquisition which constitutes a Public Company Acquisition of such Pledged Restricted Subsidiary, (x) upon such Permitted Acquisition, such Pledged Restricted Subsidiary shall be a Subsidiary of the Cdn Borrower, (y) within 60 days following such Permitted Acquisition, the Cdn Borrower or any Authorized Restricted Subsidiary (a “**Permitted Pledgor**”) shall grant to the Finance Parties a valid first-ranking pledge upon not less than 662/3% of the total amount of Capital Stock ultimately acquired and held by such Permitted Pledgor in such acquired Pledged Restricted Subsidiary, and (z) within 90 days following such Permitted Acquisition, any such Permitted Pledgor granting such first-ranking pledge shall hold, except as otherwise permitted by the Supermajority Lenders, not less than 85% of the Capital Stock of such acquired Pledged Restricted Subsidiary, it being agreed that if such level of ownership is not met within such delay, then such acquired Pledged Restricted Subsidiary shall cease to be considered for all purposes of this Agreement as a Restricted Subsidiary upon the expiry of such 90-day delay (in which case the aforesaid Pledge shall thereupon be discharged); and
- 10.3.2 in any other case, within 40 days of any such Pledged Restricted Subsidiary becoming a Restricted Subsidiary, (y) a Permitted Pledgor shall hold, except as otherwise permitted by the Supermajority Lenders, not less than 85% of the

Capital Stock of such Pledged Restricted Subsidiary, and (z) such Permitted Pledgor shall grant to the Finance Parties a valid first-ranking pledge upon not less than 66 2/3% of the total amount of Capital Stock ultimately acquired and held by such Permitted Pledgor in such Pledged Restricted Subsidiary.

10.4 **Accessory Documents with respect to Future Restricted Subsidiaries**

In connection and concurrently with any Restricted Subsidiary entering into a Guarantee Agreement or any Permitted Pledgor granting a Pledge pursuant to Section 10.3 at any time after the date of this Agreement, the Borrowers shall deliver or cause to be delivered to the Administrative Agent, in form and substance satisfactory to it:

- 10.4.1 with respect to each such Restricted Subsidiary or, as the case may be, each such Permitted Pledgor and the Pledged Restricted Subsidiary, the documentation referred to in subsection 11.1.1;
- 10.4.2 a certificate substantially in the form of the one attached hereto as Schedule “E”, duly executed by one (1) Responsible Officer of such Restricted Subsidiary or by one (1) Responsible Officer of the Cdn Borrower; and
- 10.4.3 the legal opinions of counsel to such Restricted Subsidiary or, as the case may be, to such Permitted Pledgor and to the Pledged Restricted Subsidiary, addressed to the Finance Parties and Lenders’ Counsel.

Each Restricted Credit Party has duly executed and delivered each Operative Document to which it is a party.

12.5 **Validity of Loan Documents – Non-Conflict**

None of the authorization, execution, delivery or performance of the Operative Documents by any Restricted Credit Party, nor the consummation of any of the transactions contemplated in the Operative Documents to which such Restricted Credit Party is a party:

- 12.5.1 requires any Authorization to be obtained or Registration to be made (except such as have already been obtained or made and are now in full force and effect and those not yet required to be obtained or made and to be in full force and effect);
- 12.5.2 conflicts with, contravenes or gives rise to any default under (i) any of the articles (or equivalent or analogous organization documents) or by-laws or resolutions of the directors, shareholders or partners of such Restricted Credit Party, (ii) the provisions of any indenture, instrument, agreement or undertaking to which such Restricted Credit Party is a party or by which such Restricted Credit Party or any of its Business Assets are or may become bound, or (iii) any Applicable Law except, with respect to clauses (ii) and (iii) only, for such conflicts, contraventions and defaults, which, singly or in the aggregate, could not reasonably be expected to have a Material Adverse Effect; or
- 12.5.3 has resulted or will result in the creation or imposition of any Lien upon any of the Business Assets of such Restricted Credit Party other than any Pledge.

12.6 **Absence of Litigation**

There is no existing, pending or threatened Litigation against any Restricted Credit Party which could reasonably be expected to have a Material Adverse Effect. No event has occurred, and no state or condition exists, which could reasonably be expected to give rise to any such Litigation and there is no Award outstanding against any Restricted Credit Party which could reasonably be expected to have a Material Adverse Effect.

12.7 **Financial Statements**

Each financial report and Financial Statement delivered to the Lenders pursuant to or in connection with this Agreement has been prepared in accordance with GAAP (subject to year end audit adjustments, where applicable) and fairly presents in all material respects the financial information and the financial condition and results of operations contained therein as at their respective preparation dates.

No undisclosed fact is currently known to the Restricted Credit Parties which has or may have a Material Adverse Effect which has not been specifically disclosed in writing to the Lenders or the Agents.

12.10 **Accuracy of Forecasts**

Each financial forecast and projection with respect to any Restricted Credit Party prepared by any Restricted Credit Party and furnished to the Lenders was based upon assumptions believed to be reasonable by the Restricted Credit Parties as of the date of preparation.

12.11 **No Material Adverse Change**

Since the date of the most recent audited consolidated Financial Statements of the Cdn Borrower furnished to the Lenders prior to the date of this Agreement, there has been no change which could reasonably be expected to have a Material Adverse Effect.

12.12 **Compliance with Laws**

Each Restricted Credit Party is in compliance in all material respects with all Applicable Laws, non-compliance with which could reasonably be expected to have a Material Adverse Effect.

12.13 **All Authorizations Obtained and Registrations Made**

All Authorizations and Registrations necessary or of advantage to permit each Restricted Credit Party to (i) execute, deliver and perform each Operative Document to which it is party and consummate the transactions contemplated thereby and (ii) own its Business Assets and carry on its business, have been obtained or effected and are in full force and effect and for such

Authorizations and Registrations not yet required to be obtained or made and, in the case of paragraph (ii) only, for such Authorizations and Registrations the failure to obtain, effect or to be in full force and effect could not reasonably be expected to have a Material Adverse Effect. Each Restricted Credit Party is in compliance with the requirements of all such Authorizations and Registrations and there is no Award outstanding or Litigation existing, pending or threatened which could result in the revocation, cancellation, suspension or any adverse modification of any of such Authorizations and Registrations.

12.14 **ERISA**

- 12.14.1 No Restricted Credit Party has breached the fiduciary rules of ERISA or engaged in any prohibited transaction in connection with which such Restricted Credit Party would be subjected to (in the case of any such breach) a suit for damages or (in the case of any such prohibited transaction) either a civil penalty assessed under Section 502(i) of ERISA or a tax imposed by Section 4975 of the Code that, in any case, could, singly or in the aggregate, reasonably be expected to have a Material Adverse Effect.
- 12.14.2 No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent Financial Statements reflecting such amounts, exceed by more than US\$5,000,000 the fair market value of the assets of such Plan, and the present value of all accumulated benefit obligations of all underfunded Plans (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent Financial Statements reflecting such amounts, exceed by more than US\$15,000,000 the fair market value of the assets of all such underfunded Plans.
- 12.14.3 Full timely payment has been made of all amounts, if any, which any Related Person is required under Applicable Law, the terms of each Plan or Multiemployer Plan, or any collective bargaining agreement to have paid as contributions to such Plan or Multiemployer Plan, and no accumulated funding deficiency (as defined in Section 302 of ERISA and Section 412 of the Code), whether or not waived, exists or is reasonably expected to exist with respect to any Plan.

Each Canadian Plan of the Restricted Credit Parties is in substantial compliance with all applicable pension benefits and Tax Laws. As of the date of the last completed actuarial evaluation, no Canadian Plan of the Restricted Credit Parties had any unfunded liability determined in accordance with all Applicable Laws and using assumptions and methods that are appropriate in the circumstances and in accordance with generally accepted actuarial principles

and practices in Canada in connection with an on-going Canadian Plan, except for any such unfunded liability that is being amortized in accordance with Applicable Laws. All contributions, including any special payments to amortize any unfunded liability, required to have been made in accordance with all Applicable Laws and the terms of each Canadian Plan have been made. No event has occurred and no condition exists with respect to any Canadian Plan that has resulted or is reasonably likely to result in any Canadian Plan being ordered or required to be wound up in whole pursuant to any applicable pension benefits Laws or having its registration revoked or refused for the purposes of any applicable pension benefits or Tax Laws or being placed under the administration of any relevant pension benefits regulatory authority or being required to pay any Taxes or penalties under any applicable pension benefits or Tax Laws except, in each case, as would not reasonably be expected to have a Material Adverse Effect. No event has occurred and no condition exists that has resulted, or could reasonably be expected to result, in any Restricted Credit Party being required to pay, repay or refund any amount (other than contributions required to be made or benefits or expenses required to be paid in the ordinary course) to or on account of any Canadian Plan or a current or former member thereof where such requirement to pay, repay or refund could reasonably be expected to have a Material Adverse Effect. No event has occurred and no condition exists that has resulted, or could reasonably be expected to result, in a payment being made out of a guarantee fund established under any applicable pension benefits Laws in respect of a Canadian Plan.

12.16 **No Default**

No Default has occurred which has not been disclosed to the Lenders or the Administrative Agent and either remedied (or otherwise ceased to be continuing) or expressly waived by the Lenders in writing.

of its business as presently conducted and as currently proposed to be conducted without any known material conflict, to the best of its knowledge, with the rights of others, except those the failure to own or possess (or be licensed or otherwise have the right to use) could not, singly or in the aggregate, reasonably be expected to have a Material Adverse Effect. The consummation of the transactions contemplated by the Operative Documents will not alter or impair in any material respect any such rights. To the best of the Restricted Credit Parties' knowledge, none of the products of the Restricted Credit Parties infringes any patent, trademark, service mark, trade name, copyright, license or other right owned by any other Person in any manner that could, singly or in the aggregate, reasonably be expected to have a Material Adverse Effect. 14.1 **Maintenance of Ratios**

The Cdn Borrower shall maintain at all times the following ratios tested on a quarterly basis, on a Consolidated Basis or Adjusted Consolidated Basis (as applicable pursuant to Section 14.2):

- (ii) either the Tangible Net Assets of the Cdn Borrower as at the last day of any Test Period or the reported combined revenues of the Restricted Group for such Test Period are equal to or less than 85% of the Tangible Net Assets of the Cdn Borrower as at such last day of such Test Period and the Revenues of the Cdn Borrower for such Test Period, respectively, then all the Ratios shall be calculated, as at the end of such Test Period, for all purposes of this Agreement, on an Adjusted Consolidated Basis.

- 17.1.8 take any other action, commence any other suit, action or proceeding or exercise such other rights as may be permitted by Applicable Law (whether or not provided for in any Operative Document) at such times and in such manner as the Administrative Agent may consider expedient,

all without any additional notice, demand, presentment for payment, protest, noting of protest, dishonour, notice of dishonour or any other action being required other than those required by Law. If an Event of Default referred to in Section 16.7 occurs, the Facilities and the Commitments made thereunder shall immediately and automatically be terminated and cancelled and the Loans shall be accelerated and become immediately and automatically due and payable (including any obligations under LC Liabilities, notwithstanding that the beneficiaries of such outstanding LCs shall not have demanded payment in whole or in part or shall have demanded payment in part only or shall not then be entitled to do so) without any action on the part of the Administrative Agent or any other Finance Party or any other Person being required.

17.2 **Distribution of Proceeds of Realization**

Any Proceeds of Realization received by any one of the Finance Parties, shall be applied as follows:

- 17.2.1 firstly, to pay all fees due to and costs incurred by the Administrative Agent up to and including the day a payment is made to or Proceeds of Realization are retained by the Finance Parties under subsection 17.2.3;
- 17.2.2 secondly, to pay all Realization Costs incurred and paid by any one of the Finance Parties up to and including the day a payment is made to or Proceeds of Realization are retained by the Finance Parties under subsection 17.2.3;
- 17.2.3 thirdly, to pay to the Finance Parties (including Affiliates thereof parties to ISDA Contracts) the Obligations outstanding on the date any payment is made under this subsection 17.2.3; and
- 17.2.4 fourthly, to pay any surplus to or to the order of any Person, including the Borrowers which under Applicable Law may be entitled to receive same.

17.3 **Pro Rata Sharing of Realization Costs**

Until such time as the Realization Costs are paid in the manner contemplated in subsection 17.2.2, all Realization Costs incurred and paid by any one of the Finance Parties shall be shared by the Finance Parties on the basis of their respective Rateable Share.

17.4 **Indemnities and Payments**

Nothing herein contained shall be construed or interpreted as in any way obliging the Finance Parties to make any payment as provided for in this Agreement unless they or it are firstly supplied with such indemnifications as the Majority Lenders may consider to be necessary or desirable to protect and save the Finance Parties harmless from any liability or penalty for which any one thereof may become liable under any applicable Law as a result of making such payment.

17.5 **Compensation and Set-Off**

17.5.1 In addition to any rights now or hereafter granted under applicable Law and not by way of limitation of any such rights, upon the occurrence of an Event of Default, each Finance Party is hereby authorized by each of the Borrowers, at any time and from time to time, without notice to any of the Borrowers or to any other Person, any such notice being hereby expressly waived, to effect compensation, to set off and to appropriate and to apply any and all deposits (general or special, time or demand, including Indebtedness evidenced by certificates of deposit, in each case whether matured or unmatured), and any other Indebtedness at any time held or owing by such Finance Party to or for the credit or the account of a Borrower against and on account of the obligations and liabilities of any Borrower to such Finance Party under the Operative Documents, irrespective of whether or not the Agent shall have made any demand hereunder or shall have declared the Loans to be due and payable as permitted hereunder and although said obligations and liabilities, or any of them, shall be contingent or unmatured.

17.5.2 For the purposes of the application of this Section 17.5, each of the Borrowers and the Finance Parties agree that the benefit of any term applicable to any Finance Party's deposit or other Indebtedness referred to in this Section 17.5 shall be lost immediately before the time when such Finance Party shall exercise its rights under this Section 17.5 in respect of such deposit or Indebtedness of such Finance Party.

17.5.3 Furthermore, in the exercise of its rights under this Section 17.5, where any Indebtedness of any Finance Party to a Borrower is not outstanding in the same currency as the Indebtedness of such or any other Borrower against which such Finance Party desires to exercise its rights under this Section 17.5, then such Finance Party may effect all currency conversions with respect to any such liability as it considers appropriate in accordance with its normal practices by using its own rate of exchange in effect on the Business Day preceding that on which it exercised its rights under this Section.

17.6 **Recovery for the Finance Parties**

Each Finance Party agrees that if it shall exercise any right under Section 17.5 or any other right of counterclaim, compensation, set-off, banker's lien, realization of security, or similar right with respect to property of a Borrower or if, under any applicable bankruptcy, insolvency or other

similar Law, it receives a secured claim the security for which is a debt owed by it to a Borrower, the amount thereof shall constitute Proceeds of Realization under Section 17.2 and shall be dealt with in the same manner as therein provided as if a realization had occurred. All amounts thus recovered by any Finance Party shall promptly be delivered to the Administrative Agent for distribution. The provisions of this Section 17.6 shall not apply to the exercise of any such right of counterclaim, compensation, set-off, banker's lien, realization of security or similar right with respect to property of a Borrower in favour of such Lender as regards any Indebtedness of such Borrower to such Lender, as the case may be, which would not constitute a part of the Obligations or the Loan of such Lender, as the case may be, or which was not created in furtherance of the Commitments of such Lender, as the case may be.

17.7 **Notices**

Save as otherwise expressly provided for herein, no notice or *mise en demeure* of any kind shall be required to be given to the Borrowers by the Administrative Agent or the other Finance Parties for the purpose of putting the Borrowers in default, the Borrowers being in default by the mere lapse of time allowed for the performance of an obligation or by the mere occurrence of any event constituting an Event of Default.

17.8 **Dealings with the Borrowers**

The Administrative Agent may grant extensions of time and other indulgences, take and give up securities, accept compositions, grant releases and discharges and otherwise deal with the Borrowers as the Required Lenders may see fit, without prejudice to the liability of the Borrowers or to the Finance Parties' rights in respect of the security conferred upon them pursuant to the terms of the Operative Documents.

17.9 **No Deemed Payment**

Where any Finance Party, whether under the provisions of the Operative Documents or otherwise, receives or recovers from a Borrower an amount ultimately payable to it under the provisions of the Operative Documents, but as a consequence of the provisions of Section 9.6 or 17.6 does not retain the totality of such amount, as between such Borrower, on the one hand, and that Finance Party, on the other hand, that excess amount not retained by such Finance Party shall be treated as not having been paid to such Finance Party for the purposes of this Agreement.

17.10 **ISDA Contracts**

In the event the Administrative Agent exercises any one of the rights referred to in Section 17.1, any Finance Party having entered into or whose Affiliate has entered into an ISDA Contract with any Restricted Credit Party shall have the right to claim from that Restricted Credit Party all amounts due under such ISDA Contract as a consequence of the exercise by such Finance Party or such Affiliate of its right to terminate such agreement under the terms thereof.

17.11 Finance Parties to Exercise Rights through Administrative Agent

Subject only to the extent that under the provisions of Article 18 and Article 19 a single Finance Party is affected and subject to the provisions of Sections 17.5 and 17.10, the Finance Parties shall only exercise their Rights, Remedies and/or Recourses with respect to the Operative Documents through the Administrative Agent.

ARTICLE 18

TAXES AND OTHER CHARGES

18.1 Payments without Deductions

18.1.1 The Borrowers solidarily agree to pay the Loans of each Finance Party in principal, interest, fees and accessories, free and clear of and without deduction or withholding for (i) any and all present and future Taxes (but excluding, however, withholding taxes imposed under FATCA as well as Taxes imposed upon such Finance Party (any such Finance Party shall be referred to herein as a “**Taxed Party**”) by the jurisdiction and political subdivision in which it or its relevant lending office may be located or under the Laws of which it may have been constituted) that may be imposed from time to time by any jurisdiction (including any jurisdiction from which payment is made) in connection with any amount required to be paid to such Finance Party pursuant to this Agreement or by any jurisdiction with respect to the preparation, execution, delivery, registration, performance, amendment or enforcement of this Agreement (all of the foregoing, other than the excluded items shall be collectively referred to herein as the “**Local Taxes**”), and (ii) any and all present and future Taxes that may be imposed from time to time by any jurisdiction with respect to the payment by the Borrowers of or the reimbursement by the Borrowers for any Local Taxes (all of the foregoing listed in clauses (i) and (ii) other than the excluded items shall be collectively referred to herein as the “**Indemnified Taxes**”). In the event that any Taxed Party shall have paid any Indemnified Taxes, which under the terms of this Section 18.1, the Borrowers are obliged to pay, the Borrowers solidarily covenant and agree to reimburse, upon demand, such Taxed Party on an after-tax-basis as contemplated in Section 18.2 for the amount of any such Indemnified Taxes so paid by the latter, with interest on such amount as contemplated in this Agreement, and any such reimbursement paid by the Borrowers shall benefit from and be subject to the provisions of this Section 18.1 and Section 18.2.

18.1.2 If a payment made to a Finance Party under this Agreement would be subject to U.S. federal withholding Tax imposed by FATCA if such Finance Party were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Finance Party shall deliver to the applicable withholding agent, at the time or times prescribed by law and at such time or times reasonably requested by such withholding agent, such documentation

prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the withholding agent as may be necessary for the withholding agent to comply with its obligations under FATCA, to determine that such Finance Party has or has not complied with such Finance Party's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this subsection 18.1.2, "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

18.2 Payments of Additional Amounts

If any Borrower is at any time (x) required by Law to make any deduction or withholding in respect of any Indemnified Taxes from any amount payable under this Agreement or (y) prevented by operation of Law from paying, causing to be paid or reimbursing the payment of any Indemnified Taxes or (z) required to reimburse a Taxed Party for any Indemnified Taxes paid by the latter but which, under the terms hereof, such Borrower is obliged to pay, the Borrowers solidarily covenant and agree to pay such additional amounts as may be necessary in order that the net amounts retained by any Taxed Party, after any deduction or withholding, after the deduction of any such Indemnified Taxes not paid, caused to be paid or reimbursed by such Borrower, after the payment of such Indemnified Taxes by the Taxed Party and after any Taxes imposed on or measured by the net income, profit or capital of the Taxed Party as a result of its receipt of additional amounts hereunder, shall equal the net after-tax amounts which would have been retained by such Taxed Party if any deduction or withholding had not been made, if such Indemnified Taxes had been paid, caused to be paid or reimbursed by such Borrower, if such Indemnified Taxes had not been paid by the Taxed Party and if no additional amounts had been paid hereunder. Such additional amounts shall be paid (i) in the case of amounts payable as a result of a deduction or withholding from an amount payable under this Agreement, on the date the latter amount is payable, (ii) in the case of amounts payable as a result of the failure by a Borrower to pay or reimburse such Indemnified Taxes, on the earlier of the date on which such Indemnified Taxes are due and the fifth day following the receipt by such Borrower of a notice from the Taxed Party that such Indemnified Taxes have been paid by such Taxed Party, (iii) in the case of Indemnified Taxes paid by a Taxed Party and that a Borrower is obliged to pay, on demand from the Taxed Party and (iv) in the case of amounts payable as a result of Taxes imposed on or measured by the net income, profit or capital of any Taxed Party as a result of its receipt of additional amounts hereunder, on the fifth day following the receipt by the Borrowers of a request therefor by such Taxed Party. Upon request from a Borrower, the Taxed Party claiming payment of Indemnified Taxes under the provisions of this Section shall provide such Borrower with such information and documentation as such Borrower may reasonably request.

18.3 Increase in Interest Rates

If a Borrower is prevented by operation of Law from paying or causing to be paid any amount required to be paid by Section 18.2, the Borrowers solidarily covenant and agree to pay as additional interest payable under this Agreement an amount equal to such required amount, on the applicable Interest Payment Date if such amount is in respect of interest or, if otherwise, on the next succeeding Interest Payment Date, it being expressly understood and agreed that any such additional interest payment shall be paid on an after-tax-basis as contemplated in Section 18.2 and shall be subject to the provisions of Sections 18.1 and 18.2. The Borrowers, at the

request of any Taxed Party, shall sign such documents, deeds and instruments and shall do all such things as such Taxed Party shall reasonably consider useful or necessary to give full force and effect to such increase in the rate of interest.

18.4 Remittances by Taxed Party

With respect to any of such Indemnified Taxes, the relevant Borrower shall make any required payment thereof within the time allowed under applicable Law and, within 15 days thereafter, shall furnish to the Administrative Agent and any Taxed Party evidence of such payment together with such certificates, receipts and other documents as may be available to establish any Tax credit to which such Taxed Party may be entitled. If such Taxed Party shall determine in its sole discretion that it has irrevocably obtained a credit or similar Tax benefit with respect to Income Taxes imposed by a jurisdiction in which it or its relevant lending office may be located or under the Laws of which it has been constituted, on the basis of the payment of such Taxes by such Borrower, such Taxed Party shall remit to such Borrower promptly an amount equal to the amount of such credit or benefit as is, in its discretion, exercised in good faith, equitably allocable to such payment by such Borrower having taken into account all its dealings giving rise to similar credits or benefits in relation to the same Tax period. If such Taxed Party shall determine subsequently that, for any reason, the amount of such credit or benefit has directly or indirectly been reduced, the Borrowers solidarily covenant and agree to pay, upon the request of such Taxed Party accompanied by evidence of such reduction, to such Taxed Party an amount equal to the amount of such reduction. All determinations and computations required or permitted by this Section shall be made, and all assumptions, methods of allocation and other principles necessary for or related to such determinations and computations shall be made or selected, by such Taxed Party in its sole discretion (exercised in good faith) and shall constitute, in the absence of manifest error, prima facie evidence of the amounts or matters so determined or computed.

18.5 U.S. Tax Forms and Certificates

Each US Lender that is not a “United States person” within the meaning of Section 7701(a)(30) of the Code (a “**Non-US Lender**”), on or prior to the date of its execution and delivery of this Agreement in the case of each such US Lender listed on the signature pages hereof and on or prior to the date on which it becomes a US Lender in the case of each such other US Lender, and thereafter as reasonably requested from time to time by the US Borrower or the Administrative Agent, shall provide the US Borrower and the Administrative Agent with duly completed copies of whichever of the following forms and certificates (as applicable) that such US Lender is legally able to deliver: (i) Internal Revenue Service Form W-8BEN, certifying that such Non-US Lender is entitled to benefits under an income tax treaty to which the United States is a party that reduces to zero the rate of withholding of US federal income tax on payments of interest; (ii) Internal Revenue Service Form W-8ECI; (iii) in the case of a Non-US Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (y) Internal Revenue Service Form W-8BEN and (z) a certificate to the effect that such Non-US Lender is not (A) a “bank” within the meaning of Section 881(c)(3)(A) of the Code, (B) a “10 percent shareholder” of the US Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code; or (iv) any other form or certificate required under the Code or the Treasury Regulations certifying that such Non-US Lender or each of its beneficial owners is entitled to a complete exemption from US

federal income tax on payments of interest pursuant to this Agreement or any other Senior Finance Document.

18.6 Failure to Provide Tax Forms and Certificates

For any period with respect to which a US Lender that is a Non-US Lender has failed to provide the US Borrower and the relevant Administrative Agent with the appropriate form and/or certificate pursuant to Section 18.5 (unless such failure is due to a Change in Law or an income tax treaty to which the United States is a party that occurred subsequent to the date on which a form and/or certificate originally was required to be provided by such US Lender), and notwithstanding anything in this Article 18 to the contrary such US Lender shall not be entitled to receive any additional amounts or indemnification under Article 18 with respect to withholding of United States federal income tax on interest payments made with respect to such period on its US Revolving Loans; provided, however, that should a US Lender, which is otherwise exempt from or subject to a reduced rate of withholding of United States federal income tax, become subject to such Taxes because of its failure to deliver a form required to be delivered hereunder, the US Borrower shall take such steps as such Non-US Lender shall reasonably request to assist such Non-US Lender to recover such Taxes; provided that any such steps shall not subject the US Borrower to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Borrower in any material respect.

18.7 Obligations in Respect of Non-US Lenders

Notwithstanding anything in this Article 18 to the contrary, the US Borrower shall not be required to indemnify or pay any additional amounts pursuant to Article 18 to any US Lender that is a Non-US Lender in respect of withholding of United States federal income tax on interest payments on its US Revolving Loans to the extent that the obligation to withhold United States federal income tax on interest payments on its US Revolving Loans existed on the date such US Revolving Lender became a party to this Agreement; provided, however, that this Section 18.7 shall not apply to any Assignee under any Assignment made pursuant to a request by the US Borrower.

18.8 Mitigation

If any Borrower is required to pay additional amounts to or for the account of any Lender pursuant to this Article 18, then such Lender shall use reasonable efforts to change the jurisdiction of its applicable lending office so as to eliminate or reduce any such additional payment which may thereafter accrue if such change, in the judgment of such Lender, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in its sole discretion (exercised in good faith).

18.9 Obligations in Respect of Canadian Withholding Taxes

For any period with respect to which any Cdn Lender has ceased to qualify as a Canadian resident (unless such Cdn Lender, as the case may be, has ceased to qualify as a Canadian resident as a result of a Change in Law), such Cdn Lender shall not be entitled to receive any additional amounts or indemnification under this Article 18 with respect to any Canadian

withholding tax on interest payments made with respect to such period on its Cdn Revolving Loan.

18.10 **Survival of Agreements**

The agreements of the Borrowers under this Article 18 shall survive the repayment of the Loans and the cancellation in full of the Facilities.

ARTICLE 19

INDEMNITIES

19.1 **Market Disruption**

If, on the date of issuance of any BAs or on the date referred to in subsection 5.2.1, the Affected Lenders, or any Affected Lender, as applicable, determine in good faith and acting reasonably (which determination shall be presumptively correct, absent manifest error) that, by reason of circumstances affecting the interbank market or the Canadian money market, as applicable, generally, for any Selected Period,

- 19.1.1 adequate and fair means do not exist for ascertaining Libor or the Discount Rate; or
- 19.1.2 deposits in the relevant currencies are not available to such Affected Lender(s) in such markets in the ordinary course of business in sufficient amounts to enable it to make a Libor Loan, to accept Drafts or discount BAs; or
- 19.1.3 it is impracticable or unfeasible for such Affected Lender(s) to accept or discount BAs or to make or maintain a Libor Loan (whether, in the case of BAs, because there is no market for BAs or because the demand for BAs is insufficient to allow the sale or trading of BAs accepted or to be accepted and purchased hereunder); or
- 19.1.4 Libor or the Discount Rate is less than the actual cost of making or maintaining a BA or a Libor Loan;

then the Affected Lender(s) shall promptly give notice of this situation to the Administrative Agent and the Administrative Agent shall forthwith remit such notice to the Borrowers. Notwithstanding the foregoing, any Affected Lender specified under clause (iii) of the definition of “Affected Lenders” herein shall (as a condition to claiming Affected Lender status under such clause) provide the Cdn Borrower with a certificate setting forth all relevant information supporting any such determination and, in the absence of demonstrated error, such certificate shall constitute prima facie evidence of the subject matter thereof.

19.2 **Suspension of Rights to Convert**

If notice has been given by the Administrative Agent pursuant to Section 19.1:

- 19.2.1 the Libor Loans or any part thereof, as the case may be, shall not be made, the Drafts shall not be accepted or the BAs shall not be discounted (whether pursuant to an Advance, a conversion or a rollover) by the Affected Lenders and the Borrowers' right to elect that Advances be made or once made be converted into or continued as BAs or Libor Loans by any Affected Lender shall be suspended until such time as the Administrative Agent shall notify the Borrowers that the circumstances having given rise to such suspension no longer exist, and any Draw Requests or Conversion Requests requesting (i) a BA shall be deemed to be Draw Requests or Conversion Requests requesting a Cdn Revolving Prime Rate Loan, and (ii) a Libor Loan shall be deemed to be Draw Requests or Conversion Requests requesting, in the case of the Cdn Borrower, a US Base Rate Loan, and in the case of the US Borrower, a US Prime Rate Loan;
- 19.2.2 each Affected Lender, over the course of the next twenty (20) Business Days following the issuance of the notice by the Administrative Agent under Section 19.1, shall negotiate in good faith with the Borrowers and deliver to the Borrowers in writing the terms of a substitute basis for the continuation of the BA Liability or Libor Loan of such Affected Lender or any part thereof, as the case may be, which is, financially, the substantial equivalent to such Affected Lender of the terms provided herein. The terms of the Substitute Basis for the BA Liability or Libor Loan of such Affected Lender or any part thereof, as the case may be, if they are accepted by the Borrowers, shall be effective from any such acceptance and the provisions of this Agreement respecting such BA Liability or Libor Loan as the case may be, ipso facto, shall be amended to accord with the terms of the Substitute Basis for such Affected Lender. The Borrowers shall sign such documents, deeds and instruments, and shall do all such things as the Affected Lenders shall reasonably consider useful or necessary to give effect to the Substitute Basis. If by the expiry of the said twenty (20) Business Days no agreement has been reached with respect to the Substitute Basis, the Borrower shall have the rights set forth in Section 19.8.

19.3 **Change in Law**

If any Finance Party determines (which determination shall be evidenced by a certificate submitted to the Borrowers and the Administrative Agent by such Finance Party and, in the absence of demonstrable error, such certificate shall constitute prima facie evidence of the subject matter thereof among the parties hereto) that:

- 19.3.1 a Change in Law has made or shall make it unlawful or contrary to any Applicable Law for such Finance Party to maintain or give effect to all or any part of its obligations as contemplated by this Agreement and the other Operative Documents, or to make or maintain all or any part of the BA Liabilities or the Libor Loan hereunder of such Finance Party, then the obligations of such Finance Party to maintain or give effect to such part of such obligations, or to make or maintain such part of such BA Liabilities or such Libor Loan shall terminate and, subject to the provisions of any such Applicable Law and those of Sections 19.5 and 19.6 with respect to losses and

expenses, the Borrowers may convert such BA Liabilities or such Libor Loan or any part thereof or alternatively may repay in full any such or other affected Loan or liability to such Finance Party, together, in each case, with all interest accrued thereon, which conversion or repayment shall be made, with respect to each relevant Selected Amount, at the expiry of its Selected Period, or if in the judgment of such Finance Party immediate conversion or repayment is required, immediately upon demand of such Finance Party; or

19.3.2 a Change in Law has:

19.3.2.1 imposed, modified, or deemed applicable any loan ceiling against such Finance Party or imposed, modified or deemed applicable any special Tax (other than a Tax on the overall net income of such Finance Party) deposit insurance, reserve, deposit or similar requirement with respect to assets held by, deposits in or for the account of, the acquisition of funds by, or loans by such Finance Party; or

19.3.2.2 changed the basis of taxation of payments to such Finance Party under this Agreement (other than a change affecting taxation on the overall net income of such Finance Party); or

19.3.2.3 imposed on such Finance Party any other condition (including the amount of capital required or expected to be maintained by such Finance Party as a result of this Agreement or its Commitment, including any additional liquidity requirements imposed by the Bank of International Settlements, the Basel Committee, the Banking Regulations and Supervisory Practices (or any successor or similar authority) or any other financial regulatory authority or otherwise) or monetary restraint with respect to this Agreement, the BA Liabilities, the Libor Loan or any part thereof of such Finance Party or any other Operative Document; and

the result of any of the foregoing is to increase the cost to such Finance Party of making or maintaining its Commitments, BA Liabilities, Libor Loan or LC Liabilities or any part of any one thereof or to reduce any amount receivable by such Finance Party with respect to the BA Liabilities, the Libor Loan or LC Liabilities or any part of any one thereof of such Finance Party by an amount which such Finance Party deems in its sole discretion to be material, then, the Borrowers, within fifteen (15) Business Days of receipt of the certificate referred to above (which certificate shall contain all required computations and reasonable explanations of the amounts required to be paid):

19.3.2.4 shall pay to such Finance Party, such additional amount computed by such Finance Party as will, on an after-tax basis, compensate such Finance Party for such additional cost or reduction in amounts receivable which such Finance Party determines to be attributable to the Borrowers or the Loans made to the Borrowers; and

- 19.3.2.5 subject to the provisions of Sections 19.5 and 19.6 with respect to losses and expenses, may (i) convert such Libor Loans or any part thereof into a US Base Rate Loan or may repay it, (ii) convert such Libor Loans or any part thereof into a US Prime Rate Loan or may repay it, and (iii) shall repay in full the BA Liabilities and LC Liabilities together, in each case, with accrued interest thereon.

19.4 **Notice of Change in Law**

The Administrative Agent shall promptly give notice of receipt by it of any certificate delivered pursuant to the provisions of Section 19.3 to the Borrowers and the Finance Parties.

19.5 **Reimbursement of Losses and Expenses**

Whenever any Finance Party or the Administrative Agent shall sustain or incur any losses and expenses in connection with:

- 19.5.1 the failure of a Borrower to borrow pursuant to a Draw Request once delivered (whether by reason of such Borrower's decision not to proceed, the non-fulfilment of any of the conditions set forth in this Agreement, the existence of a Default on the relevant Drawdown Date or for any other reason); or
- 19.5.2 the declaration by the Administrative Agent following the occurrence of an Event of Default, that the Loans are immediately due and payable; or
- 19.5.3 the failure of the Borrowers to pay when due principal, interest, fees or any other amount under this Agreement (whether at maturity, by reason of acceleration or otherwise); or
- 19.5.4 the conversion or repayment of the whole or any part of the BA Liabilities, the LC Liabilities or the Libor Loans on any day other than a Selected Maturity Date; or
- 19.5.5 the conversion or repayment of the whole or any part of any affected Loans or liabilities pursuant to Sections 19.1 or 19.3; or
- 19.5.6 the failure of a Borrower to convert pursuant to a Conversion Request once delivered any part of the Loans into or continue any part thereof as BA Liabilities, LC Liabilities or Libor Loans (whether by reason of such Borrower's decision not to proceed, the non-fulfilment of any of the conditions set forth in this Agreement, the existence of a Default on the relevant Conversion Date or for any other reason);

(the events contemplated above shall be referred to individually as a “**Loss Event**” and the funds converted, repaid, not borrowed or not repaid, as the case may be, which are subject to any such Loss Event shall be collectively referred to as the “**Affected Funds**”);

the Borrowers solidarily agree to pay such Finance Party or the Administrative Agent, upon demand, an amount certified by such Finance Party or the Administrative Agent to be necessary

to compensate it for all such losses and expenses. The certificate of such Finance Party or the Administrative Agent, as the case may be, shall also specify the computation and reasonable explanations of the amount to be paid. The agreements of the Borrowers under this Section 19.5 shall survive the repayment of the Loans and the termination of the Facilities.

19.6 Amount of Losses with respect to Libor Loans

With respect to the Libor Loans, the losses and expenses referred to in Section 19.5 shall consist of and be limited to, losses and expenses incurred by any Finance Party in connection with the redeployment of the Affected Funds in an amount equal to the premium, if any, that such Finance Party would be required to pay were it to purchase, in the relevant market, prior to its maturity, on the date of such Loss Event, a term deposit instrument in a principal amount equal to the affected Selected Amount and whose maturity is equal to the remaining term of the affected Selected Period and bearing interest at a rate equal to the rate applicable or that would have been applicable under the terms hereof to the Affected Funds on the date of such Loss Event.

19.7 General Indemnity

The Borrowers hereby solidarily indemnify and hold harmless the Indemnified Parties from and against any and all losses and expenses that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or relating to any investigation, litigation or proceeding or the preparation of any defense with respect thereto arising out of or in connection with or relating to this Agreement, the other Operative Documents or the transactions contemplated hereby or thereby, or any use made or proposed to be made with the proceeds of the Facilities, whether or not such investigation, litigation or proceeding is brought by the Borrowers or any one thereof, any shareholder or creditor thereof, an Indemnified Party or any other Person, or an Indemnified Party is otherwise a party thereto and whether or not the transactions contemplated hereby are consummated, except to the extent such losses and expenses (i) are found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Party's intentional or gross fault or wilful misconduct, or (ii) result from a claim brought by any Restricted Credit Party against an Indemnified Party for breach in bad faith of such Indemnified Party's obligations hereunder or under any other Operative Document, if such Restricted Credit Party has obtained a final, non-appealable judgment in its favour on such claim by a court of competent jurisdiction.

19.8 Option to Replace Affected Lenders

19.8.1 If any Lender shall become an Affected Lender then, in each such case, provided no Default has occurred and is continuing, the Borrowers shall have the right, at their sole expense and effort and upon notice to such Affected Lender and the Administrative Agent, to replace such Affected Lender. The Borrowers shall exercise such right within thirty (30) Business Days of such Lender becoming an Affected Lender. The replacement of any Affected Lender shall be made for its entire Loan and Commitments.

19.8.2 Where the Borrowers shall wish to replace any Affected Lender then, provided there does not then exist any Default:

- 19.8.2.1 the Borrowers shall initially be required to offer the other Lenders, through the Administrative Agent, to acquire the whole or any portion of the Loan and assume the corresponding portion of the Commitments of the Affected Lender. The other Lenders shall be required to inform the Administrative Agent of their decision within ten (10) Business Days of such offer; and
- 19.8.2.2 with respect to any portion of the Loan and Commitments of the Affected Lender that the other Lenders have not decided to acquire within the delay stipulated above, the Borrowers may then request that such portion be Assigned to one or more financial institutions, provided that the Administrative Agent and the LC Issuing Lenders consent to each such Assignment, which consent shall not be unreasonably withheld.

20.8 **Action by the Administrative Agent**

- 20.8.1 The Administrative Agent shall be entitled to use its discretion with respect to exercising or refraining from exercising any right which may be vested in it by, and with respect to taking or refraining from taking any action which it may be able to take under or in respect of, any Operative Document, unless the Administrative Agent has been instructed by the Required Lenders to exercise

such rights or to take or refrain from taking such action; provided, however, that the Administrative Agent shall not exercise any right under Section 17.1 without being instructed to do so by the Required Lenders. The Administrative Agent shall incur no obligation under or in respect of the Operative Documents with respect to anything which it may do or refrain from doing in the reasonable exercise of its judgment or which may seem to it to be necessary or desirable in the circumstances, except for its intentional or gross fault or wilful misconduct.

- 20.8.2 The Administrative Agent shall in all cases be fully protected in acting or refraining from acting under any Operative Document in accordance with the instructions of the Required Lenders, and any action taken or failure to act pursuant to such instructions shall be binding on all Finance Parties.
- 20.8.3 Notwithstanding anything else herein contained, the Administrative Agent may refrain from doing anything which would or might in its opinion be contrary to any Applicable Law or which would or might otherwise render it liable to any Person and may do anything which is, in its opinion, necessary to comply with any Applicable Law.
- 20.8.4 Notwithstanding subsection 20.8.1, the Administrative Agent may refrain from acting in accordance with any instructions of the Required Lenders to begin any litigation, arising out of or in connection with any Operative Document until it has received such security as it may require (whether by way of payment in advance or otherwise) for all losses and expenses which it will or may expend or incur in complying with such instructions.

20.9 **Notice of Events of Default**

- 20.9.1 In the event that an officer of the Administrative Agent charged with the administration of this Agreement is notified of any Default, the Administrative Agent shall promptly notify the Finance Parties, and, subject to Section 20.8, the Administrative Agent shall take such action and assert such rights under the Operative Documents as the Required Lenders shall request in writing, and the Administrative Agent shall not be subject to any liability by reason of its acting pursuant to any such request.
- 20.9.2 Prior to receiving any instructions from the Required Lenders in respect of such Default, the Administrative Agent may, but shall not be obliged to, take such action or assert such rights (other than those matters requiring unanimous Lender consent) as it deems in its discretion to be advisable for the protection of the Finance Parties, except that, if the Required Lenders have instructed the Administrative Agent not to take such action or assert such rights, in no event shall the Administrative Agent act contrary to those instructions.

20.10 **Responsibility Disclaimed**

None of the Agents in its capacity as Agent shall be under any obligation whatsoever:

- 20.10.1 to any Restricted Credit Party as a consequence of any failure or delay in the performance by, or any breach by, any Finance Party of any of its obligations under any Operative Document;
- 20.10.2 to any Finance Party or any Affiliate thereof party to an ISDA Contract, as a consequence of any failure or delay in the performance by, or any breach by, any Restricted Credit Party of any of its obligations under any Operative Document; or
- 20.10.3 to any Finance Party or any Affiliate thereof party to an ISDA Contract, for any statements, representations or warranties in any Operative Document or any other agreement, document or instrument contemplated by any Operative Document or in any other information provided pursuant to any Operative Document or for the validity, effectiveness, enforceability or sufficiency of any Operative Document.

20.11 **Indemnification**

Each of the Finance Parties severally agrees to indemnify the Administrative Agent (to the extent not reimbursed by the Borrowers on demand) *pro rata* according to their respective Rateable Share from and against any and all losses and expenses which may be imposed on, incurred by or asserted against the Administrative Agent in any way relating to or arising out of any Operative Document except that no Finance Party shall be liable to the Agent for any portion of such losses and expenses that is found in a final non-appealable judgement of court of competent jurisdiction to have resulted from the intentional or gross fault or wilful misconduct of the Administrative Agent.

20.12 **Protection of Employees**

Each reference in Sections 20.1, 20.8, 20.9, 20.10, 20.11 and 20.14 to any Agent shall (to the extent the context so admits) be deemed to include such Agent and its directors, officers, employees, agents, solicitors, accountants, consultants, financial advisors, other experts and all other representatives and such Agent shall be constituted as agent and bare trustee of each such Person and shall hold and enforce their rights under said Sections for their respective benefits.

20.13 **Credit Decision**

Each Finance Party represents and warrants to the Agents that:

- 20.13.1 in making its decision to enter into this Agreement and to make its Commitments and its Loan, it has independently taken whatever steps it considers necessary to evaluate the financial condition and affairs of each Restricted Credit Party and that it has made an independent credit judgment without reliance upon any information furnished by any Agent; and

- 20.13.2 so long as any portion of its Loan remains outstanding it will continue to make its own independent evaluation of the financial condition and affairs of each Restricted Credit Party.

20.14 **Replacement Administrative Agent**

- 20.14.1 The Administrative Agent (a “**Resigning Agent**”) may resign at any time by giving written notice thereof to the other Finance Parties and the Borrowers. Such resignation shall only be effective upon the earlier of (i) the appointment of a replacement agent and its acceptance of such appointment and (ii) the 30th day following such notice. Upon receipt of notice of any such intended resignation, the Majority Lenders shall have the right to appoint a replacement to the Resigning Agent which shall be one of the Lenders which has an office in Montréal, Québec, or Toronto, Ontario, and in the U.S.A. and provided no Default shall have then occurred and be continuing, which shall be acceptable to the Borrowers. If no replacement to the Resigning Agent shall have been so appointed and shall have accepted such appointment within 15 days of receipt of such notice, the Majority Lenders shall, within the following 15 days, appoint a replacement that may, but need not be, a Lender but that shall be, with respect to the Cdn Revolving Facility, a financial institution to which payments are not subject to Part XIII of the *Income Tax Act* (Canada) and which has a branch in Montréal, Québec or Toronto, Ontario and, with respect to the US Revolving Facility, an office in the U.S.A., and provided no Default shall have then occurred and be continuing, that shall be acceptable to the Borrowers. If the Majority Lenders fail to appoint a replacement to the Resigning Agent within such 15 day period, without limitation of its rights under this Section 20.14, the Resigning Agent may, on behalf of the Lenders, appoint a replacement Administrative Agent which shall be, with respect to the Cdn Revolving Facility, a financial institution to which payments are not subject to Part XIII of the *Income Tax Act* (Canada) and which has a branch in Montréal, Québec or Toronto, Ontario and, with respect to the US Revolving Facility, an office in the U.S.A. Upon the resignation of a Resigning Agent, the replacement agent shall thereupon succeed to and become vested with all the rights and obligations of the Resigning Agent and the Resigning Agent shall be discharged from its obligations under the Operative Documents. After any Resigning Agent’s resignation hereunder as Administrative Agent the provisions of this Article 20 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Administrative Agent. In the event no replacement Administrative Agent shall have been appointed, the provisions hereof shall continue in full force and effect and each Lender shall be deemed to be its Administrative Agent.
- 20.14.2 The Administrative Agent may also be removed at any time by the Majority Lenders on the grounds that the Administrative Agent has failed to comply, in all material respects, with its obligations towards any Lender and has not remedied such failure within a reasonable delay following its receipt of a notice from the Majority Lenders describing such failure. The provisions of

subsection 20.14.1 above will apply *mutatis mutandis* to an Administrative Agent that is being so removed.

20.15 **Delegation**

With the prior approval of the Majority Lenders, such approval not to be unreasonably withheld, the Administrative Agent shall have the right to delegate any of its rights, duties or obligations under the Operative Documents to any Lender such terms and conditions as the Administrative Agent may think fit and the Administrative Agent shall not be bound to supervise the proceedings or be in any way responsible for any obligations or losses and expenses incurred by reason of any misconduct or default on the part of any such delegate. Any such Lender to which the Administrative Agent delegates any of its rights, duties or obligations under the Operative Documents shall incur no obligations under or in respect of the Operative Documents with respect to anything which it may do or refrain from doing (within the scope of the rights, duties or obligations so delegated to it) in the reasonable exercise of its judgment or which may seem to it to be necessary or desirable in the circumstances, except for its intentional or gross fault or wilful misconduct.

20.16 **Waivers and Amendments**

20.16.1 Except as otherwise expressly provided in subsections 10.3.1 and 10.3.2, in respect of the percentage of ownership interest in a Pledged Restricted Subsidiary, or in subsections 20.16.2 and 20.16.3, any term, covenant, agreement, condition or obligation of any Operative Document may be amended with the consent of the Restricted Credit Parties that are party thereto and the Administrative Agent, acting in accordance with the instructions of the Majority Lenders, and such amendment shall be binding upon all the parties hereto or thereto or compliance therewith may be waived (either generally or in a particular instance and either retroactively or prospectively) by the Administrative Agent, acting in accordance with the instructions of the Majority Lenders, and such waiver shall be binding upon all of the Lenders and in any such event the failure to observe, perform or discharge any such term, covenant, agreement, condition or obligation (whether such amendment is executed or such consent or waiver is given before or after such failure) shall not be construed as a breach of such term, covenant, agreement, condition or obligations or an Event of Default.

20.16.2 Without the prior consent of every Lender and the Borrowers, no amendment, waiver or other action of, or in respect of, any Operative Document shall:

20.16.2.1 increase the aggregate amount of any Facility, the amount or term of any of the Commitments or the proportion represented by the Rateable Share of any Lender, except to the extent expressly permitted or required in this Agreement;

20.16.2.2 postpone or defer the time for the payment of the principal of or interest on the Loans or any part thereof, any Stamping Fee, any LC Fee or any other amount payable hereunder;

- 20.16.2.3 decrease the rate or amount or change the currency of any principal, interest or fees (including Stamping Fees and LC Fees) payable hereunder or the requirement of *pro rata* application in accordance with each Lender's Rateable Share of all amounts received by the Administrative Agent in respect of each Facility;
 - 20.16.2.4 change the definition of "Required Lenders" or "Majority Lenders" or "Supermajority Lenders";
 - 20.16.2.5 be made in respect of the last paragraph of Section 2.16 or amend this Section 20.16;
 - 20.16.2.6 release or postpone any Guarantee or Pledge of any Restricted Credit Party under any Operative Document except as otherwise expressly permitted or required by the provisions of any Operative Document; and
 - 20.16.2.7 release any Borrower of any of its obligations to become a party to a Guarantee Agreement in respect of all of the Obligations (other than those that are its direct obligations).
- 20.16.3 No amendment or waiver of any provision of any Operative Document shall affect any of the rights or obligations of the Administrative Agent or the LC Issuing Lenders under any Operative Document without the prior consent of the Administrative Agent or the LC Issuing Lenders, as the case may be.
- 20.16.4 Nothing contained in this Agreement or the other Operative Documents, including the specific reference to Lenders in certain provisions and to Majority Lenders in other provisions, should be construed or interpreted as in any way limiting or restricting the generality of the provisions of this Section 20.16.

20.17 **Articles 2138 to 2148 C.C.Q. Not Applicable**

The mandate of the Administrative Agent under this Agreement is not governed by the provisions of Articles 2138 to 2148 of the *Civil Code of Québec* and the Finance Parties do hereby expressly renounce to the benefit of each and every one of such Articles.

20.18 **Rights, Benefits and Recourses Created by the Operative Documents**

The parties hereto do hereby expressly acknowledge, declare and agree that the rights, benefits and recourses created and intended to be created at any time and from time to time by any of the Operative Documents in favour of the Administrative Agent or in favour of the Finance Parties, their Affiliates or any one thereof, are created and intended to be created in favour of the Lenders, and in favour of the Administrative Agent as agent for such Person or Persons that now are or may, at any time and from time to time, become Finance Parties or Affiliates thereof, in the same manner and to the same extent as though each such Person was personally an original party to or a Person specifically named as a beneficiary in the said documents. In furtherance of

the provisions of this Section 20.18, the parties hereto do hereby irrevocably mandate the Administrative Agent, for and on their behalf, to confirm to and confer upon each Person that becomes a Finance Party, the benefits of the Operative Documents and to execute any instrument necessary to evidence same. The acceptance by the Administrative Agent of any Loan Transfer Agreement shall constitute for all purposes of the Operative Documents, the carrying out by the Administrative Agent of the irrevocable mandate given to it under this Section 20.18.

20.19 Certain other Agents

Notwithstanding anything to the contrary herein contained, none of the Persons identified on the facing page or signature page of this Agreement as “Co-Lead Arranger”, “Joint Book Runner” or “Co-Syndication Agent” shall have any right, power, obligation, liability, responsibility or duty under this Agreement or any other Operative Document in its capacity as such. Without limiting the foregoing, no such Person so identified shall have or be deemed to have any mandatory or fiduciary relationship to any Finance Party or any Restricted Credit Party.

20.20 Replacement of Non-Consenting Lenders

If any Lender fails to consent to an amendment or waiver requested under Section 20.16 at a time when the Majority Lenders have approved such amendment or waiver, then the Borrowers shall have the right to replace such non-consenting Lender in the same manner as that set out in Section 19.8 of this Agreement, the provisions of which shall apply *mutatis mutandis* to any such replacement of such non-consenting Lender.

ARTICLE 21

OPERATION OF ACCOUNTS

21.1 Notice of Advance to the Finance Parties

Upon receipt of any Draw Request, Conversion Request or Repayment Notice, the Administrative Agent shall promptly notify each Finance Party of the receipt of such request or notice and, as the case may be, subject to Section 4.2, of the Rateable Share (pertaining to the relevant Facility) of the requested Advance of such Lender or of the contemplated repayment, as the case may be.

21.2 Interlender Procedure for Making Advances

- 21.2.1 With respect to any Direct Advance, by no later than 11:00 a.m. (local time in the place of payment) on the requested Borrowing Date, each Lender shall make available to the Administrative Agent its Rateable Share (pertaining to the relevant Facility) of the requested Advance in same-day funds in the appropriate currency by wire-transferring such amount in the Administrative Agent’s Account. To the extent that a Lender is unable to make a Direct Advance in a currency other than in Canadian Dollars or US Dollars, such Lender may cause one of its Affiliates to make available to the Administrative Agent such Rateable Share of such Lender of the requested Advance by wire-transferring the appropriate amount in the appropriate currency in same-day

funds to the Administrative Agent's Account provided that such Lender shall at all times be considered to be the Lender for all purposes of the Operative Documents.

21.2.2 With respect to Advances requested by way of BAs, by no later than 11:00 a.m. (local time in the place of payment) on the relevant Issuance Date, subject to the relevant provisions of Article 11 each Lender shall make available to the Administrative Agent the BA Proceeds referred to in Section 4.6 in same-day funds in Canadian Dollars by wire-transferring such amount in the Administrative Agent's Account.

21.2.3 With respect to Advances requested by way of LCs, the Advance shall be made by the delivery by the appropriate LC Issuing Lender of the requested LCs as contemplated in Section 6.2.

21.3 **Deposits By or on Behalf of Lenders to Constitute Advances**

With respect to each Borrower's Account, all deposits and credits made into said accounts under the terms hereof by the Administrative Agent, on behalf of the Lenders, and required to be so deposited or credited pursuant to a Draw Request or Conversion Request, shall constitute Advances by the Lenders under the terms hereof.

21.4 **Maintenance of Loan Records by the Administrative Agent**

21.4.1 The Administrative Agent will open and maintain on its books, at the Administrative Agent's Office, a loan record for each Borrower evidencing the aggregate Indebtedness of such Borrower to the Finance Parties hereunder and each constituent part of the Loans. The Administrative Agent shall record therein the amount of each Direct Advance and the issuance of each LC and BA, and shall enter therein each payment of principal and interest on the said loans and all amounts paid by the Borrowers on account of BAs and LC Liabilities and all other amounts paid by the Borrowers and becoming due under this Agreement.

21.4.2 The said loan records shall constitute, in the absence of manifest error, *prima facie* evidence of the whole and each constituent part of the Loans, the date any Advance is made to a Borrower or any relevant conversion or rollover and the aggregate amounts from time to time paid by a Borrower on account of such Loans, in principal, interest, fees and other amounts due hereunder. Any failure of the Administrative Agent to record a transaction on any loan record in a timely fashion shall not affect or impair the validity of the obligation of such Borrower to repay the Loans owed by it by and when herein provided. The obligation of each Borrower to repay the Loans owed by it shall be evidenced by this Agreement and by the loan records maintained by the Administrative Agent, it being the intent of the parties hereto that, save as otherwise expressly provided in Section 4.11, the obligations of the Borrowers with respect to the Loans are to be evidenced only as stated herein and not by separate promissory notes.

- 21.4.3 Upon request of any Borrower or any Finance Party or as regularly as any Borrower or any Finance Party may request from time to time, the Administrative Agent shall notify in writing the Borrowers or such Finance Party, as the case may be, of the entries in such loan records and of the aggregate amounts due by the Borrowers to the Lenders hereunder.

21.5 **Authority to Debit and Credit**

Each Borrower does hereby expressly and irrevocably authorize the Administrative Agent and each Swingline Lender to effect all necessary debits, deposits, credits and transfers in, from or to any Borrower's Account or Borrower's Operating Account, as the case may be, in order to accommodate the Lenders in making Advances and in order to accommodate the Borrowers in making payments to the Finance Parties and the Administrative Agent, the whole under and subject to the provisions of this Agreement.

21.6 **Failure by Any Lender to Advance**

The failure by any Lender to make an Advance in accordance with its obligations hereunder shall not relieve the other Lenders of their several obligations to make an Advance (in accordance with their respective obligations) equal to their respective Rateable Share (pertaining to the relevant Facility) of the aggregate amount of any Advance requested by any Borrower nor shall any Lender be responsible for the obligations of any other Lender.

21.7 **Defaulting Lenders**

Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

- 21.7.1 fees shall cease to accrue on the Commitment of such Defaulting Lender pursuant to Section 6.3, Section 8.1, or any other provision of any other Operative Documents;
- 21.7.2 the Commitment and Loan of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 20.16); provided, that this subsection 21.7.2 shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification requiring the consent of such Lender or each Lender directly affected thereby;
- 21.7.3 if any LC Liability exists or any Swingline Loan shall be outstanding at the time such Lender becomes a Defaulting Lender then:
 - 21.7.3.1 all or any part of the LC Liability of such Defaulting Lender and all or any part of the Rateable Share of the Refunded Swingline Loans of such Defaulting Lender shall be reallocated among the non-Defaulting Lenders in accordance with their respective Rateable

Shares but only to the extent that (x) the sum of all non-Defaulting Lenders' Loans plus such Defaulting Lender's Rateable Share of the Refunded Swingline Loans plus such Defaulting Lender's LC Liability does not exceed the total of all non-Defaulting Lenders' Commitments, (y) such reallocation does not cause the sum of the relevant LC Liability and Loans of such non Defaulting Lender to exceed such non Defaulting Lender's relevant Commitment, and (z) the conditions set forth in Section 11.2 are satisfied at the time of such reallocation (and, unless the Cdn Borrower shall have otherwise notified the Administrative Agent at such time, the Borrowers shall be deemed to have represented and warranted that such conditions are satisfied at such time);

- 21.7.3.2 if the reallocation described in paragraph 21.7.3.1 above cannot, or can only partially, be effected, the relevant Borrower shall, within one (1) Business Day following notice by the Administrative Agent, (x) first, prepay such Rateable Share of the Refunded Swingline Loans of such Defaulting Lender and (y) second, repay the relevant Borrower's obligations corresponding to such Defaulting Lender's LC Liability (in each case, after giving effect to any partial reallocation pursuant to paragraph 21.7.3.1 above) in accordance with the procedures set forth in Section 9.5 for so long as such LC Liability is outstanding;
- 21.7.3.3 if the relevant Borrower repays any portion of such Defaulting Lender's LC Liability pursuant to paragraph 21.7.3.2 above, such Borrower shall not be required to pay any fees under Section 6.3 in respect of such Defaulting Lender's LC Liability;
- 21.7.3.4 if the LC Liability of the non-Defaulting Lenders is reallocated pursuant to paragraph 21.7.3.1 above, then the fees payable to the Lenders pursuant to Section 6.3 shall be adjusted in accordance with such non-Defaulting Lenders' Rateable Share; and
- 21.7.3.5 if all or any portion of such Defaulting Lender's LC Liability is neither reallocated nor repaid pursuant to paragraph 21.7.3.1 or 21.7.3.2 above, then, without prejudice to any rights or remedies of the LC Issuing Lenders or any other Lender hereunder, all facility fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Revolving Commitment that was utilized by such LC Liability) and LC Fees payable under Section 6.3 with respect to such Defaulting Lender's LC Liability shall be payable to the relevant LC Issuing Lender until and to the extent that such LC Liability is reallocated and/or repaid;

- 21.7.4 for so long as such Lender is a Defaulting Lender, the Swingline Lender shall not be required to fund the Rateable Share of the Refunded Swingline Loans of

such Defaulting Lender and the LC Issuing Lenders shall not be required to issue, amend or increase any LC, unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding LC Liability will be 100% covered by the Revolving Commitments of the non-Defaulting Lenders and/or repaid by the relevant Borrower in accordance with the provisions hereof, and participating interests in any such newly made Swingline Loan or any newly issued or increased LC shall be allocated among non-Defaulting Lenders in a manner consistent with paragraph 21.7.3.1 (and such Defaulting Lender shall not participate therein); and

- 21.7.5 for so long as such Lender is a Defaulting Lender, any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article 9, Article 17 or otherwise, and including any amounts made available to the Administrative Agent by such Defaulting Lender pursuant to Section 9.6 and Section 17.6), shall be applied at such time or times as may be determined by the Administrative Agent as follows:
- 21.7.5.1 first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder;
 - 21.7.5.2 second, to the payment on a *pro rata* basis of any amounts owing by such Defaulting Lender to the LC Issuing Lenders and Swingline Lenders hereunder;
 - 21.7.5.3 third, as the Borrowers may request (so long as no Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent;
 - 21.7.5.4 fourth, if so determined by the Administrative Agent and the Borrowers, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of such Defaulting Lender to fund Loans under this Agreement;
 - 21.7.5.5 fifth, to the payment of any amounts owing to the Lenders or the LC Issuing Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender or any LC Issuing Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement;
 - 21.7.5.6 sixth, so long as no Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by any Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and

21.7.5.7 seventh, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loan in respect of which such Defaulting Lender has not fully funded its Rateable Share and (y) such Loan was made at a time when the conditions set forth in Section 11.2 were satisfied or waived, such payment shall be applied solely to pay the Loan of all non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Loan of such Defaulting Lender.

Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this subsection 21.7.5 shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

In the event that the Administrative Agent, the Borrowers, the Swingline Lender and the LC Issuing Lenders agree that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Rateable Share of the Refunded Swingline Loans and LC Liability of the Lenders shall be readjusted to the extent necessary to reflect the inclusion of such previously Defaulting Lender's Commitment and on such date such Lender shall purchase at par such of the Loan of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Rateable Share.

21.8 **Replacement of Defaulting Lenders**

If any Lender becomes a Defaulting Lender, then the Borrowers shall have the right to replace such Defaulting Lender in the same manner as that set out in Section 19.8 of this Agreement, the provisions of which shall apply *mutatis mutandis* to any such replacement of Defaulting Lenders.

Except as otherwise specified herein, all notices, requests, demands or other communications to or upon the respective parties hereto shall be deemed to have been duly given or made to the party to which such notice, request, demand or other communication is required or permitted to be given or made under this Agreement, when delivered to such party (by certified mail, postage prepaid, or by telecopier or hand delivery) at its address and attention set forth with its signature below or in an annex hereto or at such other address as any of the parties hereto may hereafter notify the others in writing. No other method of giving notice is hereby precluded, provided however that (i) electronic mail and internet and intranet websites may be used only to distribute routine communications, such as financial statements and other similar information and may not be used for any other purposes, and (ii) the Borrowers may use electronic mail to deliver to the Administrative Agent (y) the information set forth in Sections 14.3 to 14.7, inclusively, in accordance with such Sections, and (z) any Draw Request, Repayment Notice, Conversion

Request or the notice contemplated in Section 2.14, provided that, in all cases, where any such information, request or notice is a document that shall be signed by any Borrower or any Responsible Officer, as the case may be, same shall be furnished in a “pdf” format or similar format evidencing any such signature, and provided further that in the case of any Draw Request, Repayment Notice or Conversion Request so delivered to the Administrative Agent by “pdf” or such similar format within the delays herein contemplated, any such Draw Request, Repayment Notice or Conversion Request shall be confirmed by the relevant Borrower by telephonic notice to the Administrative Agent within the same delays.

22.2 **Calculations and Determinations Shall Constitute *Prima Facie* Proof**

In the absence of manifest error, any calculation or determination to be made by the Administrative Agent, any Finance Party or the Majority Lenders under this Agreement, when made, shall constitute *prima facie* evidence for all of the parties hereto.

22.3 **Rights and Recourses Cumulative**

The rights and remedies of each Finance Party under this Agreement shall be cumulative and not exclusive of any right or remedy which each Finance Party would otherwise have and no failure or delay by the Administrative Agent or any Finance Party in exercising any right shall operate as a waiver thereof, nor shall any single or partial exercise of any power or right preclude its other or further exercise or the exercise of any other power or right.

22.4 **Assignments by the Borrowers**

The rights of each Borrower hereunder are declared to be purely personal and may therefore not be assigned or transferred, nor can any Borrower assign or transfer any of its obligations, any such assignment being null and void insofar as the Finance Parties are concerned and rendering any balance then outstanding of the Loans immediately due and payable at the option of the Administrative Agent and relieving the Lenders from the obligation of making any or any further Advances hereunder.

22.5 **Assignments and Participations by Lenders**

22.5.1 Any Lender may at any time enter into Assignments, provided that no such Assignment to a separate legal entity shall be effective until:

22.5.1.1 in respect of any Assignment of a Revolving Loan or a Revolving Commitment, the Administrative Agent and the LC Issuing Lenders shall consent to same, which consent, in all cases, shall not be unreasonably withheld, provided however that (i) no such consent shall be required for an Assignment to a Lender, and (ii) no consent from the Administrative Agent shall be required for an Assignment to an Affiliate of a Lender;

22.5.1.2 the Borrowers shall consent to same, which consent shall not be unreasonably withheld, provided, however, that (i) in the event any such Assignment shall result, under the then Applicable Laws, in the

Borrowers having to indemnify or pay additional amounts to the Assignee pursuant to Article 18, same shall constitute a sufficient reason to withhold such consent, (ii) no such consent shall be required for an Assignment to a Lender, an Affiliate of a Lender or an Approved Fund unless any such Assignment shall result, under the then Applicable Laws, in the Borrowers having to indemnify or pay additional amounts to such Assignee pursuant to Article 18, (iii) no such consent shall be required in respect of an Assignment to an Approved Lender or a Qualified Lender that is made prior to the successful syndication of the Credit Facilities by the Co-Lead Arrangers, and (iv) where such Assignment is to occur at a time where a Default has occurred and is continuing, no such consent shall be required;

22.5.1.3 a Loan Transfer Agreement shall have been executed by such Lender, the Assignee, the Administrative Agent and the Borrowers (if required) and delivered to the Administrative Agent and the Borrowers. Each Borrower hereby covenants and agrees not to unreasonably withhold its execution of the aforesaid instrument. The signature of the Borrowers shall only be required under the terms of this subsection where such Assignment is to occur at a time where no Default has occurred and is continuing; and

22.5.1.4 such Lender has paid to the Administrative Agent, for its exclusive benefit, a fee of Cdn\$5,000 (provided no such fee shall be payable in connection with syndication of the Credit Facilities by the Co-Lead Arrangers).

Any Lender may, without the consent of the Borrowers or the Administrative Agent, pledge its rights hereunder or under any Loan as collateral security for extensions of credit from any Federal Reserve Bank.

22.5.2 Upon such execution and delivery and provided the other conditions of this Section 22.5 shall have been met, such Lender shall be released from its Commitments and other obligations hereunder to the extent of such Assignment, and such Assignee shall for all purposes be a Lender party to this Agreement, and shall have all the rights and obligations of a Lender under this Agreement and shall be entitled to the benefit of the provisions hereof, to the same extent as if it were an original party hereto, and no further consent or action by the Borrowers, the Lenders or the Administrative Agent shall be required. Each Loan Transfer Agreement shall constitute an amendment to this Agreement and more particularly to Schedule “A” hereto to the extent, and only to the extent, necessary to reflect the addition of such Assignee as a Lender and the resulting adjustment of the Commitments, if any, resulting from the aforesaid Assignment.

22.5.3 Without in any way limiting the generality of any of the foregoing, the Borrowers shall, at the request of any Lender which so Assigns any of its

interest under this Agreement, execute and deliver to such Lender or to such party or parties as such Lender may designate any and all further instruments or documents and use its best efforts to obtain any and all further authorizations or approvals, and make any and all further registrations, filings or notifications, as may be necessary or desirable to give full force and effect to such Assignment.

- 22.5.4 Any Assignment contemplated in this Section 22.5 must be either for the entire amount of the Commitments and the Loans of a Lender or where it is for a lesser amount, such amount must not be such that the Commitments of the Assigning Lender would be reduced by less than Cdn\$5,000,000 nor must the remaining amount of the Commitments of the Assigning Lender following such an Assignment be less than Cdn\$5,000,000. Notwithstanding the foregoing, where any such Assignment is being made while a Default has occurred and is continuing, none of the restrictions contained in this subsection 22.5.4 shall apply to such Assignment.
- 22.5.5 Any Lender may, without the consent of any Borrower, the Administrative Agent or any LC Issuing Lender, sell participations to one or more banks or other entities (a “**Participant**”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrowers, the Administrative Agent, the LC Issuing Lenders and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Operative Documents and to approve any amendment, modification or waiver of any provision of the Operative Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in subsection 20.16.2 that affects such Participant. Each Borrower agrees that each Participant shall be entitled to the benefits of Article 18 and Article 19 to the same extent as if it were a Lender and had acquired its interest by Assignment pursuant to this Section 22.5. To the extent permitted by Law, each Participant also shall be entitled to the benefits of Section 17.5 as though it were a Lender, provided such Participant agrees to be subject to Section 18.4 as though it were a Lender.
- 22.5.6 Except as specifically set forth in this Section 22.5, nothing in this Agreement, expressed or implied, is intended to or shall confer on any Person other than the respective parties hereto and their successors or assignees permitted hereunder any benefit or any legal or equitable right, remedy or other claim under this Agreement. For the purposes of this Section 22.5, each Lender, subject to the prior consent of the Borrowers and subject to Section 22.18, which consent shall not be unreasonably withheld, may provide, on a

confidential and need-to-know basis, any prospective assignees, transferees or participants with this Agreement, the other Operative Documents as well as all information, reports, budgets, projections and documents, which are made available to each Lender by the Borrowers in connection with this Agreement, from time to time provided that the prior consent of the Borrowers is not required at any time where a Default has occurred and is continuing.

22.6 **Conversion Rules**

If for the purpose of obtaining or enforcing a judgment in any court or for any other purpose hereunder (such as, without limitation, to determine the value of any amount expressed in a currency other than that in which is expressed hereunder the amount to which it is being compared), it is necessary to convert any amount in the currency in which it is denominated (the “**Original Currency**”) into another currency (the “**Second Currency**”), the rate of exchange applied shall be the Exchange Rate for conversion of the Original Currency into the Second Currency applicable on the Business Day on which judgment is given or such determination must be made.

22.7 **Currency Indemnity**

Each Borrower agrees that its obligations in respect of any amount due and payable to the Finance Parties in the Original Currency hereunder shall, notwithstanding any payment or tender, including pursuant to any judgment expressed or payment made in the Second Currency, be discharged only to the extent that, on the Business Day following receipt of any sums so paid or adjudged to be due hereunder in the Second Currency, the Administrative Agent, on behalf of the Finance Parties, in accordance with normal banking procedure, may purchase in the Canadian money market or the Canadian foreign exchange market, as the case may be, the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and, if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, each Borrower agrees, as a separate obligation and notwithstanding any such payment or judgment to indemnify the affected Finance Parties against such loss and, if the amount of the Original Currency so purchased is greater than the amount originally due in the Original Currency, the Administrative Agent and the Finance Parties agree, notwithstanding any such payment or judgment, to remit to such Borrower, on demand, any such excess.

22.8 **Counterparts**

This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument.

22.9 **Severability**

Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof in that jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction.

22.10 Replacement of Previous Agreements

This Agreement replaces and supersedes all verbal or oral agreements, understandings and undertakings between the Finance Parties, or any one thereof, and the Cdn Borrower relating to the Facilities, the whole subject to and except for the letter agreement contemplated in Section 8.2.

22.11 No Novation

Any security provided to the Finance Parties by any Borrower shall not constitute a payment, nor shall it operate novation of any amount due hereunder and shall not operate by way of compensation, set-off or confusion of, or merge with, any Indebtedness or liability of any Borrower or of any other Person or Persons to the Finance Parties or any one thereof under any deed, guarantee, contract, bill of exchange, promissory note, letter of credit, certificate of deposit or other instrument by which the same may now or at any time hereafter be represented or evidenced.

22.12 Obligation to Pay Absolute

Except as provided under Section 9.8, the obligations of each Borrower to make payments on the Loans as and when provided in this Agreement shall be unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances without any right of compensation or set-off and notwithstanding any defence, right of action or claim of any nature whatsoever which any Borrower may at any time have or have had against the Administrative Agent or the Finance Parties, whether in connection with this Agreement or otherwise.

22.13 Risk of Superior Force

Each Borrower expressly assumes all risks of superior force, so that each Borrower shall be bound to timely repay the Loans in full under this Agreement notwithstanding the existence or occurrence of any event or circumstance constituting a superior force within the meaning of Article 1470 of the *Civil Code of Québec*.

22.14 Inconsistency with Guarantee Agreement

Unless otherwise herein provided, to the extent that any provision of this Agreement is inconsistent with the provisions of any other Operative Document, the provisions of this Agreement shall prevail.

22.15 Governing Law

This Agreement and the interpretation and enforcement thereof shall be governed by and in accordance with the Laws of the Province of Québec and the federal Laws of Canada applicable therein.

22.16 Submission to Jurisdiction

Each of the parties hereto irrevocably submits to the non-exclusive jurisdiction of the Courts of the Province of Québec sitting in the judicial district of Montréal with respect to any matter arising hereunder or in relation herewith. The parties hereto irrevocably waive any objections on the ground of venue or *forum non conveniens* or any similar grounds. The parties hereto irrevocably consent to service of process by mail or in any other manner permitted by relevant Law.

22.17 Waiver of Jury Trial

Each party hereto hereby waives any right it may have to a trial by jury of any dispute arising under or relating to this Agreement and agrees that any such dispute shall be tried before a judge sitting without a jury.

22.18 Treatment of Certain Information: Confidentiality

22.18.1 Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information (as hereinafter defined), except that Information may be disclosed (a) to it, its Affiliates and its and its Affiliates' respective partners, directors, officers, employees, agents, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority), (c) to the extent required by Applicable Laws or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Operative Document or any action or proceeding relating to this Agreement or any other Operative Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (y) any Assignee of or Participant in, or any prospective Assignee of or Participant in, any of its rights or obligations under this Agreement or (z) any actual or prospective counterparty (or its advisors) to any Derivative Instrument relating to any Restricted Credit Party and its obligations, (g) with the consent of the Cdn Borrower or (h) to the extent such Information (y) becomes publicly available other than as a result of a breach of this Section or (z) becomes available to any Agent or any Lender on a non-confidential basis from a source other than a Restricted Credit Party.

22.18.2 For all purposes of this Section 22.18, "Information" means all information received in connection with this Agreement from any Restricted Credit Party relating to any Restricted Credit Party or any of its Subsidiaries or any of their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a non-confidential basis prior to such receipt. Any Person required to maintain the confidentiality of Information as provided in this Section 22.18 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to

maintain the confidentiality of such Information as such Person would accord to its own confidential information. In addition, the Agents may disclose to any agency or organization that assigns standard identification numbers to loan facilities such basic information describing the Credit Facilities as is necessary to assign unique identifiers (and, if requested, supply a copy of this Agreement), it being understood that the Person to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to make available to the public only such Information as such person normally makes available in the course of its business of assigning identification numbers.

- 22.18.3 In addition, and notwithstanding anything herein to the contrary, the Administrative Agent may provide the information described on Schedule “G” concerning the Restricted Credit Parties and the Credit Facilities to Loan Pricing Corporation and/or other recognized trade publishers of information for general circulation in the loan market.

22.19 **“Know Your Customer Checks”**

If (i) any Change in Law made after the date of this Agreement, (ii) any change in the status of a Subsidiary from an Unrestricted Subsidiary to a Restricted Subsidiary, (iii) any designation of an additional Borrower pursuant to Section 2.16, (iv) any change in the composition of the shareholders of a Restricted Subsidiary after the date of this Agreement, or (v) a proposed assignment or transfer by a Lender of any of its rights and/or obligations under this Agreement to a party that is not a Lender prior to such assignment or transfer obliges the Administrative Agent or any Lender (or, in the case of paragraph (v) above, any prospective Lender) to comply with “know your client” or similar identification procedures in circumstances where the necessary information is not already available to it, each Restricted Credit Party shall, promptly upon the request of the Administrative Agent or any relevant Lender or prospective Lender supply, or cause to be supplied, such documentation and other evidences as is reasonably requested by the Administrative Agent (for itself or on behalf of any Lender) or by any relevant Lender (for itself or on behalf of any such prospective Lender) in order for the Administrative Agent, such Lender or prospective Lender to carry out and be satisfied with the results of all necessary “know your client” or other similar checks under all applicable Laws. 2.1 **Object of Guarantee.** The Guarantors, solidarily and jointly and severally, hereby irrevocably, absolutely and unconditionally guarantee to the Guaranteed Parties, the due and punctual payment, observance and performance of all of the Guaranteed Obligations when and as due (whether at maturity, by reason of acceleration or otherwise) and in accordance with their respective terms, and the Guarantors expressly agree so to pay, observe or perform the same when so due or deemed to be due, upon demand therefor by the Administrative Agent.

2.2 **Consideration.** Each of the Guarantors acknowledges that it has made this Guarantee to induce the Guaranteed Parties to make the Loans available to the Borrowers and to induce the Guaranteed Parties to enter into the ISDA Contracts and that the Guaranteed Parties are making the Loans and other financial accommodations available to the Borrowers and are entering into the ISDA Contracts in reliance upon this Guarantee and would not make available nor continue to make available to the Borrowers or enter into same without the appropriate execution and delivery of this Guarantee. Each of the Guarantors represents and warrants that this Guarantee may reasonably be expected to benefit it directly or indirectly.

2.3 **Nature of the Guarantors' Obligations.** The Guarantors' obligations hereunder are solidary, joint and several, absolute and unconditional, present and continuing, unlimited, general and irrevocable and constitute a guarantee of payment and performance and not merely a guarantee of collection. The obligations of the Guarantors hereunder are independent of the Guaranteed Obligations, and a separate action may be brought or prosecuted against all or any one of the Guarantors to enforce this Guarantee.

2.4 **Manner of Payment.** Upon receipt of a written demand from the Administrative Agent, the Guarantors shall make payment forthwith of the amount claimed at the Canadian Account Branch (in the case of Guaranteed Obligations relating to the Cdn Revolving Facility or the Term Loan Credit Facilities) and at the American Account Branch (in the case of Guaranteed Obligations relating to the US Revolving Facility) in the same currency as that in which the relevant Guaranteed Obligations are then outstanding, in funds immediately available to the Administrative Agent. Subject to the following sentence, any amount payable by any Guarantor under this Guarantee which is not paid forthwith upon demand therefor will bear interest from the date of such demand until paid in full at the rate or rates applicable to the corresponding Guaranteed Obligation under the applicable Operative Document. The intention of the parties is that no more interest will accrue or be demanded from any Guarantor than is owing by any Borrower or any other Guarantor as part of the Guaranteed Obligations. All payments hereunder shall be made at the Canadian Account Branch or the American Account Branch, as the case may be, no later than 3:00 p.m., Montréal time, on the Business Day following the day on which a demand is made hereunder.

2.5 **Statement of Account.** Any statement of account prepared by the Administrative Agent (as regards the Guaranteed Obligations) shall constitute *prima facie* evidence of the amount which, as of the date of the statement so prepared, is due by the Borrower or the other Guarantors, as the case may be, to the Guaranteed Parties under the Guaranteed Obligations and each of the Guarantors hereby acknowledges and agrees that, absent manifest error, it shall be bound by each such statement. The Administrative Agent agrees to provide the Guarantors with computations and calculations used by such Person to prepare each such statement of account promptly following a request therefor.

2.6 **No Reduction in Payment or Performance.** All payments due to the Guaranteed Parties hereunder and all of the other terms, conditions, covenants and agreements to be observed or performed by the Guarantors hereunder, whether in respect of the Guaranteed Obligations or otherwise, shall be made, observed or performed by the Guarantors without any reduction whatsoever, including, without limitation, any reduction resulting from any defence, right of action, right of set-off or compensation, right of recoupment or counterclaim of any nature whatsoever that the Borrowers or the other Guarantors, as the case may be, may have or have had at any time against the Administrative Agent, a Guaranteed Party or any other Person whether with respect to this Agreement, the Credit Agreement, the other Operative Documents or otherwise other than the prior payment in accordance with the terms of the Operative Documents, of the Guaranteed Obligations (or any portion thereof).

2.7 **Imputation of moneys received in reduction of Guaranteed Obligations.** Notwithstanding every legal rule concerning the imputation of payments, all sums of money received from any Guarantor pursuant to the provisions of this Article 2, shall be applied in reduction of the Guaranteed Obligations as provided in the Operative Documents. No Guarantor shall be subrogated to the rights of the Guaranteed Parties as long as they have not received the full, final and definitive amount of their claim against the Borrowers and the other Guarantors, as the case may be, with respect to all of the Obligations.

2.8 **Irregularity in borrowings of no effect on obligations of the Guarantors.** All sums of money, advances, renewals, commitments and undertakings related to the Guaranteed Obligations borrowed or effectively obtained from the Guaranteed Parties by any Borrower or Guarantor pursuant to the Credit Agreement, the ISDA Contracts or otherwise, shall be considered as being part of the Guaranteed Obligations, notwithstanding any irregularity, defect or flaw in the borrowing or obtaining of such sums of money, advances, renewals, commitments and undertakings, whether or not the Administrative Agent, the Guaranteed Parties, or any one thereof, was aware of the same, it being expressly understood that any sum which cannot be recovered from the Guarantors as guarantors hereunder for reasons of voidness of the principal obligation, may be recovered from the Guarantors and any one thereof as sole or principal debtor and shall be payable to the Administrative Agent, for the benefit of the Guaranteed Parties upon demand therefor by the Administrative Agent.

2.9 **No Release of the Guarantors.** Subject to the provisions of Section 10.2 of the Credit Agreement, save and except for, and only upon the cancellation in full of the Facilities and the receipt by the Guaranteed Parties of the full, final and definitive amount of their claim against the Borrowers, with respect to the Obligations, the obligations of the Guarantors hereunder shall not be reduced, limited or terminated, nor shall the Guarantors be discharged from any obligation hereunder, for any reason whatsoever including, but not limited to (and whether or not the same shall have occurred or failed to occur once or more than once and, in the case of extensions of

time for payment, observance or performance of obligations, whether such extensions or any of them are for periods longer than the respective periods then specified therefor and whether or not the Guarantors or any one thereof shall have received notice thereof or assented thereto):

- 2.10.2 any and all defences to and set-offs, counterclaims and claims of recoupment against any and all of the Guaranteed Obligations that may at any time be available to the Borrowers or any other Guarantor;
- 2.10.3 notice of acceptance of the incurrence or renewal of any Guaranteed Obligations;
- 2.10.4 all notices which may be required by Law to preserve any rights against such Guarantor hereunder including, but not limited to, any notice of default, demand, dishonour, presentment and protest;
- 2.10.5 any defence based upon, arising out of or in any way related to:
 - 2.10.5.1 any claim that any election of remedies by the Guaranteed Parties impaired, reduced, released or extinguished any rights that such

Guarantor might otherwise have had against any Borrower or any other Guarantor; and

2.10.5.2 any claim that the Guaranteed Obligations should be strictly construed against the Guaranteed Parties; and

2.10.6 any and all other defences related to the Guaranteed Obligations save and except, and only upon the cancellation in full of the Facilities, that the Guaranteed Parties have received the full, final and definitive amount of their claim against the Borrowers and the other Guarantors with respect to the Guaranteed Obligations.

2.11 **No Release in Event of Bankruptcy.** No settlement or discharge of the Guaranteed Obligations shall be effective if any payment by any of the Guarantors in respect thereof is avoided or reduced by virtue of any provision or enactment relating to bankruptcy, insolvency, liquidation or similar laws of general application from time to time, and if such payment is so avoided or reduced, the Guaranteed Parties shall be entitled to recover the amount of such payment as if such settlement or discharge had not occurred.

2.12 **Additional Security.** This Guarantee shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Administrative Agent, the Guaranteed Parties or any one thereof. None of the Guaranteed Parties or the Administrative Agent shall be under any obligation to marshal any such security or any of the funds or assets the Administrative Agent or the Guaranteed Parties or any one thereof may be entitled to receive or have a claim upon.

2.13 **Continuing Liability of Guarantors.** The Guaranteed Obligations shall be deemed not to have been paid, observed or performed, and the liability of each of the Guarantors hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by any Borrower or any other Guarantor, or out of the proceeds of any collateral (collectively referred to herein as the “**Disgorged Amount**”), is recovered from or reimbursed by or for the account of the Guaranteed Parties for any reason, including, but not limited to, a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Guaranteed Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by the Guaranteed Parties (whether or not consented to by any Borrower or any Guarantor) of any claim for any such recovery or payment over. Each of the Guarantors hereby expressly waives the benefit of any applicable Law of limitations and agrees that it shall be liable hereunder whenever such a recovery or payment ever occurs.

2.14 **Rights of Subrogation, etc.** None of the Guarantors will enforce any right that it may at any time have against any Borrower or any other Guarantor or any collateral for any of the Guaranteed Obligations, including, but not limited to, rights of subrogation, exoneration, reimbursement and contribution and whether arising by operation of Law or otherwise, until all of the Guaranteed Obligations have been paid, observed and performed in full, except that this Section 2.14 shall not apply to routine acts, such as the giving of notices and the filing of continuation statements, necessary to preserve any such rights. Notwithstanding the fact that at such time any of the Guarantors may be subrogated to all or any part of the Guaranteed

Obligations or have existing rights of exoneration, reimbursement, contribution or similar rights, the Guaranteed Parties and the Administrative Agent may from time to time take or refrain from taking any and all of the actions referred to in Section 2.9 and such Guarantor hereby releases the Guaranteed Parties and the Administrative Agent from any and all claims arising therefrom, connected therewith or in any way related thereto.

2.15 **Continuance of Guarantee.** Subject to Section 2.13, this Guarantee shall continue in full force and effect until the payment, observance and performance in full of the Guaranteed Obligations and the cancellation in full of the Facilities, provided however that where at any time the Guaranteed Parties, the Administrative Agent or any one thereof is required to pay over any Disgorged Amount, the Guaranteed Parties, the Administrative Agent or any one thereof shall be permitted to make a claim therefor under the provisions of Section 2.13.

2.16 **Reasonableness of Waivers, Renunciations, Declarations and Authorizations.** Each of the Guarantors warrants and agrees with the Guaranteed Parties (herein acting and represented by the Administrative Agent) that each of the waivers, renunciations, declarations and authorizations set forth in this Guarantee is made with full knowledge of its significance and consequences and each of the Guarantors and the Guaranteed Parties (herein acting and represented by the Administrative Agent) hereby warrants and agrees that if any of such waivers, renunciations, declarations and authorizations is determined to be contrary to any applicable Law or public policy, such waivers, renunciations, declarations and authorizations shall be effective only to the maximum extent permitted by Law.

2.17 **Authority to Modify Guaranteed Obligations.** Each of the Guarantors expressly authorizes the Administrative Agent, the Guaranteed Parties or any one thereof, at any time and from time to time, without notice and without affecting the liability of such Guarantor hereunder, to:

- 2.17.1 alter the terms of all or any part of the Guaranteed Obligations and any security and guarantees therefor including, without limitation, modification of times for payment and rates of interest and increases to the amount of the Guaranteed Obligations;
- 2.17.2 accept new or additional instruments, documents, agreements, security or guarantees in connection with all or any part of the Guaranteed Obligations;
- 2.17.3 accept partial payments on the Guaranteed Obligations;
- 2.17.4 waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Guaranteed Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Administrative Agent (for the Guaranteed Parties) in its discretion may determine;
- 2.17.5 release the Borrowers, any Guarantor or any other Person from any personal liability with respect to all or any part of the Guaranteed Obligations; and

- 2.17.6 otherwise amend the provisions of any one of the Operative Documents including, without limitation, increasing the amount of the Facilities or any constituent part of such Facilities.

ARTICLE 3

SUBORDINATION AND POSTPONEMENT

3.1 **Subordination and Postponement of Indebtedness.** Subject to Section 3.2, each of the Guarantors acknowledges, declares and agrees that all Subordinated Indebtedness is junior and subordinate, and the payment thereof, whether in whole or in part, and whether as to principal, interest, fees or otherwise, and whether at or prior to maturity or upon acceleration of any maturity, is postponed to the prior payment in full of the Guaranteed Obligations.

3.2 **Exception as to Postponement Only.** Notwithstanding the provisions of Section 3.1, any Guarantor may pay or prepay any amount owing to any other Guarantor, at any time, on account of the Subordinated Indebtedness (whether or not the amount to be paid or prepaid is then due), on condition that at the time of such payment or prepayment, no Event of Default exists or would result therefrom.

3.3 **Subordination and Postponement of Liens.** Each of the Guarantors hereby acknowledges and declares that it does not hold any Liens against the assets of any of the other Guarantors. Each of the Guarantors also acknowledges, declares and agrees that it shall obtain the consent and approval of the Administrative Agent in order to create a Lien in favour of any other Guarantor in connection with the Subordinated Indebtedness or any part thereof (the aggregate of all such present and future Liens is collectively referred to herein as the “**Subordinated Liens**”) and that any such Liens thereafter held by it, as well as all of the Rights, Remedies and/or Recourses which may be granted to such Guarantor, directly or indirectly, under the terms of any applicable Law or the Subordinated Liens, are hereby and shall be completely subordinated to and rank after any and all Liens then or at any time thereafter held by the Guaranteed Parties, the Administrative Agent or any one thereof and securing the Guaranteed Obligations or any part thereof (all of which Liens are collectively referred to herein as the “**Secured Party Liens**”) notwithstanding any ranking that might otherwise be established by Law resulting from the nature of the Lien which may be created under the Subordinated Liens or the Secured Party Liens or the date or time of execution, issue, delivery, registration, filing, notification, publication or perfection of any deed, document, application for registration, notice or financing statement, or otherwise howsoever.

3.4 **Exercise of Rights Either Under the Subordinated Indebtedness or the Subordinated Liens.** In the event that any event of default occurs and continues under any one of the deeds or documents pursuant to which the Subordinated Indebtedness, or any part thereof, may be attested or evidenced, now or at any time hereafter, or any deeds or documents pursuant to which the Subordinated Liens or any one thereof is now or may be constituted at any time hereafter (the aggregate of such contracts, hypothecs, deeds and documents are collectively referred to herein as the “**Subordinated Documents**”), each of the Guarantors agrees not to directly or indirectly exercise any Right, Remedy and/or Recourse granted to it by Law or any one of the Subordinated Documents during any period prior to the cancellation in full of the Facilities and final and indefeasible payment of the Guaranteed Obligations until such time as the Administrative Agent shall have given its prior written consent to the exercise of such Rights,

Remedies or Recourses and, with respect to any such Right, Remedy and/or Recourse, which any Guarantor is exercising prior to the cancellation in full of the Facilities and final and indefeasible payment of the Guaranteed Obligations, each of the Guarantors agrees to cease exercising such Right, Remedy and/or Recourse upon the request of the Administrative Agent.

3.5 Discharge of Subordinated Liens. In the event of any Disposition of the whole or any part of the assets and properties of any of the Guarantors whether by the Guaranteed Parties, the Administrative Agent or any one thereof, in the exercise of any one of their Rights, Remedies and/or Recourses, or whether by any receiver, trustee, liquidator or sequestrator pursuant to the powers granted to it by any applicable Law of any jurisdiction whatsoever, or whether by any other Person in the performance of analogous duties under any Law concerning bankruptcy, reorganization, arrangement, readjustment, composition or liquidation, of any jurisdiction whatsoever, each of the Guarantors expressly agrees, upon the written demand of the Administrative Agent and at the expense of the Guarantors, to execute and deliver all such instruments of release, discharge and cancellation of Liens and termination statements as the Administrative Agent considers necessary or desirable in order to discharge and cancel such Subordinated Liens now or hereafter held by it. After the repayment in full of the Obligations following such Disposition, to the extent that under any applicable provisions of Law, any Guarantor has the right to receive the balance, if any, of the proceeds of such Disposition, the Administrative Agent shall pay such balance over to the relevant Guarantors.

3.6 Proceeds of Sale, etc. Subject to the provisions of the Operative Documents (including Section 3.2 of this Agreement), in the event that the assets and properties of any of the Guarantors, are Disposed of or are otherwise realized, or proceeds of insurance policies or expropriation awards are paid in respect thereof, the Guaranteed Obligations shall be paid in full prior to the payment of any Subordinated Indebtedness.

3.7 Prior Payment of Guaranteed Party's Indebtedness in Bankruptcy, etc. In the event of any Proceeding relating to any one of the Guarantors or its debts or assets, if the Guaranteed Obligations has not been paid in full at such time, the Administrative Agent, for and on behalf of the Guaranteed Parties, are hereby irrevocably authorized by each of the Guarantors in any such Proceeding, to collect any assets or securities of any kind of such party distributed, divided or applied by way of dividend or payment or any such securities issued on account of any of the Subordinated Indebtedness and to apply the same, or the proceeds of any realization upon the same, as the Majority Lenders in their discretion elect to effect to the Obligations until the Obligations shall have been paid in full, rendering any surplus then remaining to the Persons entitled by Law to receive same. The Guarantors shall vote or otherwise act in any such proceeding (including, without limitation, vote to accept or reject any plan of partial or complete liquidation, reorganization, arrangement, composition or extension) in accordance with the written instructions of the Administrative Agent and, upon request from the Administrative Agent, each Guarantor shall give a power of attorney or proxy to the Administrative Agent or any Person designated by them to vote or otherwise act in any such Proceeding. Furthermore, each of the Guarantors hereby covenants and agrees to do all such things and give all such instructions as the Majority Lenders, in their discretion, may deem necessary or desirable in order to instruct any receiver, trustee, liquidator or sequestrator appointed in connection with or as a result of any such Proceeding, to make any payment or distribution or issue any securities to be made or issued in connection with such Proceeding on account of such Subordinated

Indebtedness to the Administrative Agent, for the benefit of the Guaranteed Parties, until the Obligations shall have been paid in full.

3.8 **Payments Held in Deposit.** In the event of any payment or distribution to any Guarantor made in breach of the terms of this Article, such a payment or distribution shall be held under gratuitous deposit for the Guaranteed Parties and shall be paid to the Administrative Agent, for the benefit of the Guaranteed Parties, forthwith following demand therefor by the Administrative Agent to the extent that the Guaranteed Parties remain, on the date of any such payment, creditors of any of the Guarantors.

3.9 **Scope of Subordination and Postponement.** The provisions of this Article are intended solely to define and establish the relative rights of the creditors of the Guarantors who are parties hereto. Nothing in this Agreement shall in any way impair, modify or affect, as between or among any Guarantor, on the one hand, and its creditors and the creditors under such documents, on the other hand, the obligations of such party to effect payment of principal, interest, costs, fees, royalties and other amounts, obligations and liabilities owing under or pursuant to the terms of such documents or affect the relative rights of the creditors of such Guarantor thereunder.

3.10 **Further Acts.** Each of the Guarantors hereby covenants and agrees to execute and deliver all such deeds, documents, applications for registration, notices and financing statements and to do all such things as are necessary in order to register and publish the subordinations contained in this Article wheresoever required by the Administrative Agent, the whole at the expense of the Guarantors.

ARTICLE 4

CONTRIBUTION OF GUARANTORS

4.1 **Indemnity and Subrogation.** In addition to all such rights of indemnity and subrogation as the Guarantors may have under applicable Law (but subject to Section 4.3), the Borrowers agree that in the event a payment shall be made by any Guarantor under this Agreement, the Borrowers (on account of the Guaranteed Obligations) shall indemnify such Guarantor for the full amount of such payment and such Guarantor shall be subrogated to the rights of the Person to whom such payment shall have been made by such Guarantor to the extent of such payment.

4.2 **Contribution and Subrogation.** Each Guarantor (a “**Contributing Guarantor**”) agrees (subject to Section 4.3) that, in the event a payment shall be made by any other Guarantor under this Agreement and such other Guarantor (the “**Claiming Guarantor**”) shall not have been fully indemnified by the Borrowers, as provided in Section 4.1, such Contributing Guarantor shall indemnify the Claiming Guarantor in an amount equal to the amount of such payment by the Claiming Guarantor, multiplied by a fraction of which the numerator shall be the net worth of such Contributing Guarantor on the date it became a party hereto and the denominator shall be the aggregate net worth of all Guarantors on such date. Any Contributing Guarantor making any payment to a Claiming Guarantor pursuant to this Section 4.2 shall be subrogated to the rights of such Claiming Guarantor under Section 4.1 to the extent of such payment.

4.3 **Subordination.** Notwithstanding any provision of this Agreement to the contrary, all rights of the Guarantors under Sections 4.1 and 4.2 and all other rights of indemnity, contribution or subrogation under applicable Law or otherwise shall be (i) fully subordinated to the

indefeasible payment in full in cash of the Guaranteed Obligations, and (ii) expressly subject to the provisions and limitations imposed on such rights hereunder. No failure on the part of any Borrower or any Guarantor to make the payments required by Sections 4.1 and 4.2 (or any other payments required under Applicable Law or otherwise) shall in any respect limit the liability of any other Guarantor with respect to its obligations hereunder, and each Guarantor shall remain liable for the full amount of the obligations of such Guarantor hereunder.

ARTICLE 5

ACCESSIONS

5.1 **Additional Guarantors.** At any time and from time to time, any Restricted Credit Party which is not already a Guarantor may become party to this Agreement in the capacity of a Guarantor provided:

5.1.1 an instrument, in form and substance similar to the one attached hereto as Schedule “C”, shall have been executed by such Person and the Administrative Agent and shall have been delivered to such Person, the Administrative Agent and the Borrowers. The Administrative Agent hereby covenants and agrees not unreasonably to delay, condition, or withhold its execution of the aforesaid instrument; and

5.1.2 that such Person shall have delivered to the Administrative Agent with respect to itself and its entering into and performing its obligations under this Agreement the documents contemplated in Section 10.3 of the Credit Agreement.

5.2 **Effective Date.** As of and from the effective date stipulated in the instrument referred to in subsection 5.1.1, such Person shall for all purposes be a Guarantor party to this Agreement and shall have all the rights and obligations of a Guarantor under this Agreement and shall be entitled to the benefit of, and be bound by the provisions hereof, to the same extent as if it were an original party hereto and no further consent or action by the Borrowers, the Guaranteed Parties or the Administrative Agent shall be required. Such instrument shall constitute, *inter alia*, an amendment to this Agreement and more particularly, of Schedule “A” hereof to the extent, and only to the extent, necessary to reflect the addition of such Person as a Guarantor. Promptly after receipt thereof, the Administrative Agent shall deliver to each of the Guaranteed Parties a copy of any instrument received under the terms of this Section 5.2.

ARTICLE 6

TAXES AND OTHER CHARGES

6.1 **Payments without Deductions.** Each of the Guarantors solidarily agrees to pay to the Guaranteed Parties the Guaranteed Obligations, in principal, interest, fees and accessories, free and clear of and without deduction or withholding for (y) any and all present and future Taxes but excluding however, Taxes imposed upon any Guaranteed Party (any such Guaranteed Party shall be referred to herein as a “**Taxed Party**”) by the jurisdiction and political subdivision in which it or its relevant lending office may be located or under the Laws of which it may have been constituted that may be imposed from time to time by any jurisdiction (including any

jurisdiction from which payment is made) in connection with any amount required to be paid to such Taxed Party pursuant to this Agreement or by any jurisdiction with respect to the preparation, execution, delivery, registration, performance, amendment or enforcement of this Agreement (all of the foregoing, other than the excluded items shall be collectively referred to herein as the “**Local Taxes**”), and (z) any and all present and future Taxes that may be imposed from time to time by any jurisdiction with respect to the payment by any of the Guarantors of or the reimbursement by any of the Guarantors for any Local Taxes (all of the foregoing listed in clauses (y) and (z), other than the excluded items, shall be collectively referred to herein as the “**Indemnified Taxes**”). In the event that any Taxed Party shall have paid any Indemnified Taxes which, under the terms of this Section 6.1, the Guarantors or any one thereof is obliged to pay, each of the Guarantors covenants and agrees to reimburse, upon demand, such Taxed Party on an after-tax-basis as contemplated in Section 6.2 for the amount of any such Indemnified Taxes so paid by the latter, with interest on such amount as contemplated in this Agreement, and any such reimbursement paid by any Guarantor shall benefit from the provisions of this Section 6.1 and Section 6.2.

6.2 **Payments of Additional Amounts.** If any of the Guarantors is at any time (x) required by Law to make any deduction or withholding in respect of any Indemnified Taxes from any amount payable under this Agreement or (y) prevented by operation of Law from paying, causing to be paid or reimbursing the payment of any Indemnified Taxes or (z) required to reimburse a Taxed Party for any Indemnified Taxes paid by the latter but which, under the terms hereof, the Guarantors are obliged to pay, each of the Guarantors covenants and agrees to pay such additional amount as may be necessary in order that the net amounts retained by any Taxed Party, after any deduction or withholding, after the deduction of any such Indemnified Taxes not paid, caused to be paid or reimbursed by any Guarantor, after the payment of such Indemnified Taxes by the Taxed Party and after any Taxes imposed on or measured by the net income, profit or capital of the Taxed Party as a result of its receipt of additional amounts hereunder, shall equal the net after-tax amounts which would have been retained by such Taxed Party if any deduction or withholding had not been made, if such Indemnified Taxes had been paid, caused to be paid or reimbursed by any Guarantor, if such Indemnified Taxes had not been paid by the Taxed Party and if no additional amounts had been paid hereunder. Such additional amounts shall be paid (i) in the case of amounts payable as a result of a deduction or withholding from an amount payable under this Agreement, on the date the latter amount is payable, (ii) in the case of amounts payable as a result of the failure by any Guarantor to pay or reimburse such Indemnified Taxes, on the earlier of the date on which such Indemnified Taxes are due and the fifth day following the receipt by the Guarantors of a notice from the Taxed Party that such Indemnified Taxes have been paid by such Taxed Party, (iii) in the case of Indemnified Taxes paid by a Taxed Party and that the Guarantors are obliged to pay, on demand from the Taxed Party and (iv) in the case of amounts payable as a result of Taxes imposed on or measured by the net income, profit or capital of any Taxed Party as a result of its receipt of additional amounts hereunder, on the fifth day following the receipt by the Guarantors of a request therefor by such Taxed Party. Upon request from any Guarantor, the Taxed Party claiming payment of Indemnified Taxes under the provisions of this Section 6.2 shall provide the Borrowers with such information and documentation as such Guarantor may reasonably request.

6.3 **Increase in Interest Rates.** If any of the Guarantors is prevented by operation of Law from paying or causing to be paid any amount required to be paid by Section 6.2, each of the Guarantors covenants and agrees to pay as additional interest payable under this Agreement, an

amount equal to such required amount, it being expressly understood and agreed that any such additional interest payment shall be paid on an after-tax-basis as contemplated in Section 6.2 and shall be subject to the provisions of Sections 6.1 and 6.2. Each of the Guarantors, at the request of any Taxed Party, shall sign such documents, deeds and instruments and shall do all such things as such Taxed Party shall reasonably consider useful or necessary to give full force and effect to such increase in the rate of interest.

6.4 **Remittances by Taxed Party.** With respect to any of such Indemnified Taxes, the Guarantors shall make any required payment thereof within the time allowed under applicable Law and, within 15 days thereafter, shall furnish to the Administrative Agent and any Taxed Party evidence of such payment together with such certificates, receipts and other documents as may be available to establish any Tax credit to which such Taxed Party may be entitled. If such Taxed Party shall determine that it has irrevocably obtained a credit or similar Tax benefit with respect to income Taxes imposed by a jurisdiction in which it or its relevant lending office may be located or under the Laws of which it has been constituted, on the basis of the payment of such Taxes by any of the Guarantors, such Taxed Party shall remit to the relevant Guarantors promptly an amount equal to the amount of such credit or benefit as is, in its discretion, exercised in good faith, equitably allocable to such payment by any of the Guarantors having taken into account all its dealings giving rise to similar credits or benefits in relation to the same Tax period. If such Taxed Party shall determine subsequently that, for any reason, the amount of such credit or benefit has directly or indirectly been reduced, each of the Guarantors covenants and agrees to pay, upon the request of such Taxed Party accompanied by evidence of such reduction, to such Taxed Party an amount equal to the amount of such reduction. All determinations and computations required or permitted by this Section 6.4 shall be made, and all assumptions, methods of allocation and other principles necessary for or related to such determinations and computations shall be made or selected, by such Taxed Party in its sole discretion (exercised in good faith) and shall constitute, in the absence of manifest error, *prima facie* evidence of the amounts or matters so determined or computed.

6.5 **Survival of Agreements.** The agreements of the Guarantors under this Article 6 shall survive the payment, observance and performance in full of the Guaranteed Obligations, the cancellation in full of the Facilities.

ARTICLE 7

JUDGMENT CURRENCY

7.1 **Conversion Rules.** If for the purpose of obtaining or enforcing judgment in any court or for any other purpose hereunder, it is necessary to convert an amount due hereunder in the currency in which it is due (the “**Original Currency**”) into another currency (the “**Second Currency**”), the rate of exchange applied shall be the Exchange Rate for conversion of the Original Currency into the Second Currency on the Business Day on which judgment is given or the amount is due, as the case may be.

7.2 **Currency Indemnity.** Each of the Guarantors agrees that its obligations, in respect of any amounts due from it to the Guaranteed Parties in the Original Currency hereunder shall, notwithstanding any payment or tender, including pursuant to any judgment expressed or payment made in the Second Currency, be discharged only to the extent that, on the Business Day following receipt of any sums so paid or adjudged to be due hereunder in the Second

Currency, the Administrative Agent, on behalf of the Guaranteed Parties, as the case may be, in accordance with normal banking procedure, may purchase in the Canadian money market or the Canadian foreign exchange market, as the case may be, the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and, if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, each of the Guarantors agrees as a separate and independent obligation and notwithstanding any such payment or judgment to indemnify the Guaranteed Parties against such loss and, if the amount of the Original Currency so purchased is greater than the amount originally due in the Original Currency, the Administrative Agent and the Guaranteed Parties (herein acting and represented by the Administrative Agent) agree, notwithstanding any such payment or judgment, to remit to the relevant Guarantors, on demand, any such excess. The obligation provided for in this Section 7.2 shall not be affected by or merged with any judgment obtained under this Agreement.

ARTICLE 8

SPECIAL PROVISIONS WITH RESPECT TO THE GUARANTEED PARTIES

8.1 **Intervention of any Lender into this Agreement.** The Administrative Agent does hereby declare that in accordance with the provisions of the Credit Agreement and of any Loan Transfer Agreement which has been or shall be executed from time to time, it has been mandated or shall have its mandate confirmed, as the case may be, by each and every Person who may, at any time and from time to time, become a Lender to act for and on its behalf in the execution of this Agreement and in the assumption and performance of its obligations hereunder in the same manner and to the same extent as though such Person were an original Guaranteed Party thereto. Furthermore, the Guaranteed Parties (herein acting and represented by the Administrative Agent) do hereby acknowledge and agree that the execution and delivery of a Loan Transfer Agreement by the parties referred to therein shall constitute for all purposes of this Agreement, the intervention by such transferee referred to in such Loan Transfer Agreement into this Agreement and such transferee shall have all the benefits created hereunder and shall be bound by all the terms hereof as fully as though it were an original Guaranteed Party hereto.

8.2 **Benefit of this Agreement for future Guaranteed Parties.** The Guaranteed Parties (herein acting and represented by the Administrative Agent) hereto do hereby expressly acknowledge, declare and agree that the rights, benefits and remedies created and intended to be created at any time and from time to time by this Agreement in favour of the Administrative Agent, are created and intended to be created in favour of the Guaranteed Parties and in favour of the Administrative Agent as administrative agent for such Person or Persons who now are or may, at any time and from time to time, become Guaranteed Parties in the same manner and to the same extent as though each such Person was personally an original Guaranteed Party hereto or a Person specifically named as a beneficiary in this Agreement. In furtherance of the provisions of this Section 8.2, the original Guaranteed Parties (herein acting and represented by the Administrative Agent) hereto do hereby irrevocably mandate the Administrative Agent, for and on their behalf, to confirm to and confer upon each Person who becomes a Guaranteed Party, the benefits of this Agreement and to execute any instrument necessary to evidence same. The acceptance by the Administrative Agent of any Loan Transfer Agreement shall constitute for all purposes of this Agreement the carrying out by the Administrative Agent of the irrevocable mandate given to it under this Section 8.2.

ARTICLE 9

GENERAL PROVISIONS

9.1 **Notices.** Except as otherwise specified herein, all notices, requests, demands or other communications to or upon the respective parties hereto shall be deemed to have been duly given or made to the party to which such notice, request, demand or other communication is required or permitted to be given or made under this Agreement, when delivered to such party (by certified mail, postage prepaid, or by telecopier or hand delivery) at its address and attention set forth with its signature below, or at such other address as any of the parties hereto may hereafter notify the others in writing. No other method of giving notice is hereby precluded.

9.2 **Amendments and Waivers.** The rights and remedies of the Guaranteed Parties and the Administrative Agent under this Agreement shall be cumulative and not exclusive of any rights or remedies which they would otherwise have and no failure or delay by any one thereof in exercising any right shall operate as a waiver thereof, nor shall any single or partial exercise of any power or right preclude its other or further exercise or the exercise of any other power or right. Any term, covenant, agreement or condition contained in this Agreement may be amended with the consent of the Guarantors, the Borrowers and the Administrative Agent and such amendment shall be binding upon all of the parties hereto and the Guaranteed Parties, or compliance therewith may be waived (either generally or in a particular instance and either retroactively or prospectively) by the Administrative Agent and such waiver shall be binding upon all of the parties hereto and the Guaranteed Parties, and in any such event the failure to observe, perform or discharge any such covenant, condition or obligation (whether such amendment is executed or such consent or waiver is given before or after such failure) shall not be construed as a breach of such covenant, condition or obligation.

9.3 **Assignments by Lenders.** Each of the Guarantors hereby acknowledges that (y) pursuant to the provisions of Section 22.5 of the Credit Agreement, any Guaranteed Party may at any time grant Participations in or enter into Assignments subject to the conditions set forth in Section 22.5 of the Credit Agreement and (z) upon fulfilment of the conditions precedent to Assignment set forth in Section 22.5 of the Credit Agreement, including, without limitation, the execution of a Loan Transfer Agreement, the assigning Guaranteed Party shall be released from its obligations under the terms hereof to the extent of such Assignment and the transferee of such Guaranteed Party, for all purposes, shall be a Guaranteed Party under this Agreement and shall be entitled to the benefits, Rights, Remedies and/or Recourses of such Guaranteed Party under this Agreement to the same extent and in the same manner as if it were an original party hereto and no further consent or action by the Guarantors shall be required. Except as specifically set forth in this Section 9.3, nothing in this Agreement, expressed or implied, is intended to or shall confer on any Person other than the Guaranteed Parties, the Administrative Agent and their respective successors and assigns any benefit or any legal or equitable right, remedy or other claim under this Agreement.

9.4 **Compensation and Set-Off**

9.4.1 In addition to any right now or hereafter granted under applicable Law and not by way of limitation of any such rights:

9.4.1.1 upon the occurrence and during the continuance of an Event of Default, each Guaranteed Party is hereby authorized by each Guarantor, at any time and from time to time, without notice to any Guarantor or to any other Person, any such notice being hereby expressly waived, to effect compensation, to set-off and to appropriate and to apply any and all deposits (general or special, time or demand, including Indebtedness evidenced by certificates of deposit, in each case whether matured or unmatured), and any other Indebtedness at any time held or owing by such Guaranteed Party to or for the credit or the account of any Guarantor against and on account of the Guaranteed Obligations, irrespective of whether or not the Administrative Agent shall have made any demand hereunder and although said obligations and liabilities, or any of them, shall be contingent or unmatured;

9.4.2 For the purposes of the application of this Section 9.4, the Guarantors and the Guaranteed Parties (herein acting and represented by the Administrative Agent) agree that the benefit of any term applicable to any Guaranteed Party's deposit, credit indebtedness, liability or obligation referred to in this Section 9.4 shall be lost immediately before the time when such or Guaranteed Party shall exercise its rights under this Section 9.4 in respect of such deposit, credit indebtedness, liability or obligation of such Guaranteed Party.

9.4.3 Furthermore, in the exercise of its rights under this Section 9.4, where any Indebtedness of either of any Guaranteed Party to any Guarantor is not outstanding in the same currency as the Indebtedness of such Guarantor to such Guaranteed Party, then such Guaranteed Party may effect all currency conversions with respect to any such Indebtedness as it considers appropriate in accordance with its normal practices by using its own rate of exchange in effect on the Business Day preceding that on which it exercised its rights under this Section 9.4.

9.5 **No Duty to Disclose.** Each of the Guarantors hereby acknowledges that it is presently, and covenants that it will keep itself at any time and from time to time, fully informed of the financial condition of the Borrowers and of all other circumstances which a diligent inquiry would reveal and which bear upon the risk of non-payment of the Guaranteed Obligations. Each of the Guarantors hereby agrees that none of the Guaranteed Parties and the Administrative Agent shall have any duty to disclose or report to any of the Guarantors any information now or hereafter known to them, relating to the business, assets, liabilities, financial position, results of operations or status of the Borrowers' performance of their obligations under the Operative Documents.

9.6 **Limitation on Interest.** The Guaranteed Parties and each of the Guarantors intend to fully comply with all applicable Laws limiting the amount of interest which may be contracted for, charged or received, and so in the event that any portion of the payments required hereunder from any of the Guarantors is determined to be interest, such payments shall be automatically limited to the portion thereof which, after taking into account all other interest contracted for, charged or received, shall not exceed the limit prescribed by applicable Law, and in the event the

Guaranteed Parties shall have received any such amounts determined to be interest in excess of the amount permitted hereunder, the Guaranteed Parties shall apply such excess amounts to the other obligations of the Guarantors hereunder which do not constitute interest and shall return to the Guarantors any portion of the excess not so applied.

9.7 **Counterparts**. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument.

9.8 **Severability**. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof in that jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction.

9.9 **Entire Agreement**. With respect to the obligations of the Guarantors hereunder, this Agreement constitutes the entire agreement among the parties hereto.

9.10 **Assignments by the Guarantors**. The rights of the Guarantors hereunder are declared to be purely personal and may therefore not be assigned or transferred, nor can any Guarantor assign or transfer any of its obligations, any such assignment being null and void insofar as the Guaranteed Parties are concerned.

9.11 **Expenses**. The Guarantors solidarily agree to pay all duly documented reasonable out-of-pocket costs and expenses, including reasonable attorneys' fees, which may be incurred by the Guaranteed Parties, the Administrative Agent or any one thereof in any effort to collect or enforce any of their obligations hereunder. The obligations of the Guarantors under this Section 9.11 be subject to each of the limitations and conditions contained in Section 13.9 of the Credit Agreement which shall apply to this Section 9.11 *mutatis mutandis*.

9.12 **Acknowledgment**. Each of the Guarantors hereby acknowledges that it has received and taken cognizance of an original executed copy of the Credit Agreement, this Agreement and the other Operative Documents and is familiar with all the provisions thereof.

2. I have made all inquiries reasonably required to be able to give this Certificate knowledgeably.
3. Based on the foregoing, in my capacity as _____ of the Company and not personally, I hereby certify that, to the best of my knowledge, after giving effect to the Guarantee and the Loans contemplated under the Credit Agreement, and treating as assets of the Company the indemnity payments and contributions from any other Restricted Credit Party to which the Company would be entitled under the Guarantee, it is my opinion that (a) the Fair Value and Present Fair Saleable Value of the assets of the Company exceed its Stated Liabilities and Identified Contingent Liabilities; (b) the Company Does not have Unreasonably Small Capital; and (c) the Company will be able to pay its respective Stated Liabilities and Identified Contingent Liabilities as they mature or otherwise become payable.

Unless otherwise defined herein or unless there be something in the subject or the context inconsistent therewith, the capitalized words and expressions used herein shall have the same meaning as that ascribed to them in the Credit Agreement.

- C. **“Stated Liabilities”** shall mean the recorded liabilities (including contingent liabilities that would be recorded in accordance with GAAP) of the Company as of ● [INSERT LAST DATE OF MOST RECENTLY ENDED FISCAL YEAR], after giving effect to the initial Loans under the Credit Agreement, determined in accordance with GAAP.

- E. **“Will be able to pay its Stated Liabilities, including Identified Contingent Liabilities, as they mature”** shall mean that for the period from the date hereof through the date the Stated Liabilities and Identified Contingent Liabilities may mature or otherwise become payable, the Company will have sufficient assets and cash flow to pay its respective Stated Liabilities and Identified Contingent Liabilities as those liabilities mature or otherwise become payable.
- F. **“Does not have Unreasonably Small Capital”** shall mean that the Company, after giving effect to the incurrence of the Guaranteed Obligations (as such term is defined in the Guarantee) is a going concern and has sufficient capital to ensure that it will continue to be a going concern and to remain a going concern.

 - (ii) where any announcement, press release or publicity material refers to the Administrative Agent or any other Finance Party or any description of any terms of or relating to the Facilities, not release or permit (and procure that UK Bidco shall not release or permit) such announcement, press release or publicity material to be released until the Administrative Agent and the Co-Lead Arrangers have each given their consent to the references therein to the Administrative Agent or a Finance Party or any description of any terms of or relating to the Facilities (such consent not to be unreasonably withheld or delayed) **provided that** no such

consent will be required to make an announcement, press release or publicity material required to be made to comply with the UK Code or any other relevant laws or regulation (in which case the Cdn Borrower shall notify the Administrative Agent and the Co Lead Arrangers as soon as practicable upon becoming aware of the requirement and shall use all reasonable endeavours to consult with the Administrative Agent and the Co-Lead Arrangers prior to releasing or permitting the release of the announcement, press release or publicity material);

(iii) promptly notify the Administrative Agent and the Co-Lead Arrangers of any circumstance or event which, if not waived, the Panel would permit UK Bidco to use as the basis for the invocation of a condition to the Scheme so as to lapse the Scheme; and

(iv) obtain the prior approval of the Co-Lead Arrangers for any description of any terms of or relating to the Facilities contained in the Scheme Circular, such approval not to be unreasonably withheld or delayed, **provided that**, to the extent the Panel requires any specific information in relation to the Facilities be discussed in the Scheme Circular, the Co-Lead Arrangers shall not be entitled to withhold their consent to the disclosure of such information.

(f) The Cdn Borrower shall comply and shall ensure that UK Bidco complies in all material respects with the UK Code (subject to any waivers granted by the Panel) and all other applicable laws and regulations relevant in the context of the Scheme (unless, in the case of other applicable laws and regulations, non-compliance therewith would not be reasonably likely to have a material adverse effect on the Scheme or material effect on the interests of any of the Finance Parties).

(g) The Cdn Borrower shall not and shall ensure that UK Bidco shall not:

(i) except with the prior consent of the Co-Lead Arrangers, either (i) increase the price per UK Target Share payable by UK Bidco above that specified in the Scheme Press Release or (ii) take any step as a result of which any increase in the price per UK Target Share payable by UK Bidco is required to be made above that specified in the Scheme Press Release;

(ii) take any action which will result in UK Bidco becoming obliged to make a mandatory offer under Rule 9 of the UK Code;

(iii) except as required by the Panel, the Court, the UK Code or any other applicable law, regulation or regulatory body, waive, amend or modify any condition or permit the waiver, amendment or modification of any condition of the Scheme if such waiver, amendment or modification is material and would reasonably be expected to have a material adverse effect on the Scheme or material effect on the interests of any of the Finance Parties without the consent of the Co-Lead Arrangers and the Majority Lenders (such consent not to be unreasonably withheld or delayed).

- (h) The Cdn Borrower shall as soon as practicable after the Scheme Date and in any event no later than 20 Business Days after the Scheme Date, re-register the UK Target as a private limited company pursuant to section 97 of the Companies Act 2006.

2. Offer Undertakings: In the case of an Offer (each an “**Offer Undertaking**”):

 - (i) keep the Administrative Agent and the Lenders informed as to the status and progress of the Offer, the Anti-Trust Conditions and the Squeeze-Out; and
 - (ii) if requested by the Administrative Agent, provide the Administrative Agent with such information relating to the progress of the Offer and the Anti-Trust Conditions as it reasonably requests.
- (b) The Cdn Borrower shall:
 - (i) to the extent that it is able to do so in compliance with applicable law and regulation (including the UK Code) and any confidentiality or other obligations to which it is subject, ensure the prompt delivery to the Administrative Agent and the Co-Lead Arrangers of copies of all material documents, certificates or notices received or issued by UK Bidco (or on its behalf) in relation to the Offer and of all press and other public announcements made by UK Bidco (or on its behalf) pursuant to the Offer;
 - (ii) where any announcement, press release or publicity material refers to the Administrative Agent, the Co-Lead Arrangers or any other Finance Party or any description of any terms of or relating to the Facilities, not release or permit (and procure that UK Bidco shall not release or permit) such announcement, press release or publicity material to be released until the Administrative Agent has given their consent to the references therein to the Administrative Agent or a Finance Party or any description of any terms of or relating to the Facilities (such consent not to be unreasonably withheld or delayed) **provided that** no such consent will be required to make an announcement, press release or publicity material required to be made to comply with the UK Code and any other relevant laws or regulation (in which case the Cdn Borrower shall notify the Administrative Agent and the Co-Lead Arrangers as soon as practicable upon becoming aware of the requirement and shall use all reasonable endeavours to consult with the Administrative Agent and the Co-Lead Arrangers prior to releasing or permitting the release of the announcement, press release or publicity material); and

- (iii) promptly after the issue of the Offer Document, deliver or procure the delivery to the Co-Lead Arrangers of a copy of the receiving agent agreement entered into for the purposes of the Offer.
- (c) The Cdn Borrower shall comply and shall ensure that UK Bidco complies in all material respects with the UK Code (subject to any waivers granted by the Panel) and all other applicable laws and regulations relevant in the context of the Offer (unless, in the case of other applicable laws and regulations, non-compliance therewith would not be reasonably likely to have a material adverse effect on the Offer or material effect on the interests of any of the Finance Parties).
- (d) The Cdn Borrower shall not, and shall ensure that UK Bidco shall not:
 - (i) except with the prior consent of the Co-Lead Arrangers, either (i) increase the price per UK Target Share payable by UK Bidco above that specified in the Offer Press Release or (ii) take any step as a result of which any increase in the price per UK Target Share payable by UK Bidco is required to be made above that specified in the Offer Press Release;
 - (iii) take any action which will result in UK Bidco becoming obliged to make a mandatory offer under Rule 9 of the UK Code;
 - (iv) except as required by the Panel, the UK Code or any other applicable law, regulation or regulatory body, waive, amend or modify any condition or permit the waiver, amendment or modification of any condition of the Offer if such waiver, amendment or modification of any condition is material and would reasonably be expected to have a material adverse effect on the Offer or material effect on the interests of any of the Finance Parties without the consent of the Co-Lead Arrangers and the Majority Lenders (such consent not to be unreasonably withheld or delayed); and
 - (v) permit UK Bidco to declare the Offer unconditional as to acceptances until UK Bidco has acquired or unconditionally contracted to acquire not less than 90% in value of the shares to which the Offer relates and, where the shares are voting shares, not less than 90% of the voting rights carried by those shares (or, in each case, if required by the Panel and agreed to by the Co-Lead Arrangers, such lesser percentage (being at least 75%) as the Panel specifies).

Fee Letter

Reference is made to (i) the syndication letter dated as of the date hereof (the “**Syndication Letter**”) among CGI Group Inc. (“**you**”), Canadian Imperial Bank of Commerce (“**CIBC**”), National Bank of Canada (“**National**”) and The Toronto-Dominion Bank (“**TD**” and, collectively with CIBC and National, the “**Co-Lead Arrangers**”, “**we**”, “**us**” or “**our**”); and (ii) the credit agreement dated the date hereof among, *inter alia*, you and the Co-Lead Arrangers (the “**Credit Agreement**”). Capitalized terms used but not defined herein are used with the meanings assigned to them in the Credit Agreement. For purposes of this Fee Letter, “Backstop Credit Facility” means the “Cdn Revolving Facility” as defined in the Credit Agreement. This letter agreement is the Fee Letter referred to in the Syndication Letter.

As consideration for the Co-Lead Arrangers’ Commitments and other commitments pursuant to the Syndication Letter, you agree to pay or cause to be paid the following non-refundable fees to (i) in the case of the fees specified in sections 1, 2, 3 and 4 below, the Co-Lead Arrangers (such fees to be allocated and shared equally between the Co-Lead Arrangers); and (ii) in the case of the fees specified in section 5 below, CIBC and TD (such fees to be allocated and shared equally between CIBC and TD):

1. **Backstop Credit Facility**: a commitment fee in an amount of 85 bps of the aggregate principal amount of the Backstop Credit Facility, which fee shall be earned and payable as follows (i) 5 bps on the date hereof; and (ii) 80 bps on the date of closing of the Acquisition (for greater certainty, after giving effect to any termination of all or any part of the Backstop Credit Facility on or prior to such date).
2. **Term Loan A Credit Facility**: a commitment fee in an amount of 82 bps of the aggregate principal amount of the Term Loan A Credit Facility, which fee shall be earned and payable as follows (i) 15 bps on the earlier of (y) 60 days after the date hereof, and (z) the date that the Target shareholders shall have approved the Scheme; and (ii) 67 bps on the date of drawdown under the Term Loan A Credit Facility (for greater certainty, after giving effect to any termination of all or any part of the Term Loan A Credit Facility on or prior to such date).
3. **Term Loan B Credit Facility**: a commitment fee in an amount of 62 bps of the aggregate principal amount of the Term Loan B Credit Facility, which fee shall be earned and payable as follows (i) 15 bps on the earlier of (y) 60 days after the date hereof, and (z) the date that the Target shareholders shall have approved the Scheme; and (ii) 47 bps on the date of

drawdown under the Term Loan B Credit Facility (for greater certainty, after giving effect to any termination of all or any part of the Term Loan B Credit Facility on or prior to such date).

4. **Term Loan C Credit Facility:** a commitment fee in an amount of 42 bps of the aggregate principal amount of the Term Loan C Credit Facility, which fee shall be earned and payable as follows (i) 15 bps on the earlier of (y) 60 days after the date hereof, and (z) the date that the Target shareholders shall have approved the Scheme; and (ii) 27 bps on the date of drawdown under the Term Loan C Credit Facility (for greater certainty, after giving effect to any termination of all or any part of the Term Loan C Credit Facility on or prior to such date).

5. **Structuring Fee:** a structuring fee in an amount of 3 bps of the Term Loan A Credit Facility, the Term Loan B Credit Facility and the Term Loan C Credit Facility, which fee shall be earned and payable on the date of drawdown under the Term Loan Credit Facilities (for greater certainty, after giving effect to any termination of all or any part of the Term Loan Credit Facilities on or prior to such date).

In addition, an annual administrative fee shall be paid to the Co-Agents in respect of the Credit Facilities in an amount agreed to between you and the Co-Agents as set forth in a separate agency fee letter dated the date hereof, which shall be initially earned on the date hereof and paid on the Financial Close Date and thereafter on each anniversary of the date hereof.

You further agree that if at any time prior to the date that is 365 days after the date hereof you or any of your affiliates consummate the Acquisition, in whole or in any material part, with financing for which a Co-Lead Arranger (or any of its respective affiliates) has not acted in the capacities for which it has been retained under the Syndication Letter and such financing is used to, directly or indirectly, finance the Acquisition, you agree to pay, or cause to be paid, to such Co-Lead Arranger an aggregate amount equal to 50% of the commitment fees payable to such Co-Lead Arranger specified herein and based on the full amount of its initial Commitments (without giving effect to any termination or reduction thereof after the date hereof), (the “**Alternate Financing Fees**”), such Alternate Financing Fees to be due and payable at the time of the closing of the Acquisition, so long as the applicable Co-Lead Arranger is ready and willing to provide financing on the date of closing of the Acquisition.

You agree that, once paid, the fees or any part thereof payable hereunder and under the Syndication Letter shall not be refundable under any circumstances, regardless of whether the transactions or borrowings contemplated by the Syndication Letter or the Credit Agreement are consummated. All fees in respect of the Term Loan Credit Facilities shall be paid in Pounds Sterling. All other fees payable hereunder and under the Syndication Letter shall be paid in Canadian dollars. All fees shall be paid in immediately available funds and shall be in addition to reimbursement of the Co-Lead Arrangers out-of-pocket expenses as provided in the Syndication Letter.

The syndication of the Credit Facilities as provided for in the Syndication Letter will continue until a Successful Syndication has been achieved, and the terms and conditions set forth in Section 3 of the Syndication Letter are incorporated by reference herein in full, as if expressly stated in this Fee Letter. “**Successful Syndication**” (for purposes of this Fee Letter and the Credit Agreement) shall be achieved when each Co-Lead Arranger holds not more than (i) C\$150,000,000 of the Backstop Credit Facility; and (ii) £187,500,000 of the Term Loan Credit

Facilities (for greater certainty, adjusted to give effect to any commitment amount of the Credit Facilities cancelled on or prior to the closing date of the Acquisition).

The Co-Lead Arrangers shall be entitled, after consultation with you, at any time prior to the date of a Successful Syndication of the Credit Facilities if the Co-Lead Arrangers determine that such changes are necessary or advisable in order to ensure a Successful Syndication of the Credit Facilities, or in any event, if the Co-Lead Arrangers determine that a Successful Syndication cannot be achieved, to make any changes to the terms and conditions of the Credit Facilities (other than the aggregate Commitments relating thereto), provided that (i) no condition to the availability of the Credit Facilities may be added, or changes made to the terms of the Credit Facilities, that would be inconsistent with the "Certain Funds" requirements applicable to the Credit Facilities; and (ii) any changes to the applicable margins and maturity dates of the Credit Facilities shall be limited as follows:

(i) the applicable margins applicable to the Backstop Credit Facility may not be increased by more than 50 bps (and the applicable standby fee shall be amended to be 20% of the applicable margins) (and additional increases due to a Permitted Pricing Reallocation (defined below)) *provided* that the Co-Lead Arrangers may exercise their rights hereunder through any combination of (x) an increase in the applicable margins under the Backstop Credit Facility; (y) issuance of the Backstop Credit Facility with OID (with OID being equated to interest in a manner reasonably determined by the Co-Lead Arrangers and consistent with generally accepted financial practice, based on an assumed 4.5 year average life to maturity); or (z) the payment of upfront fees (which shall be deemed to constitute like amounts of OID), and provided that after giving effect to the rights set forth herein, not more than 50% of the increase in this clause (i) may be issued in the form of OID or upfront fees;

(ii) the applicable margins applicable to the Term Loan A Credit Facility may not be increased by more than 50 bps (and the applicable standby fee shall be amended to be 20% of the applicable margins)(and additional increases due to a Permitted Pricing Reallocation (defined below)) *provided* that the Co-Lead Arrangers may exercise their rights hereunder through any combination of (x) an increase in the applicable margins under the Term Loan A Credit Facility; (y) issuance of the Term Loan A Credit Facility with OID (with OID being equated to interest in a manner reasonably determined by the Co-Lead Arrangers and consistent with generally accepted financial practice, based on an assumed 4 year average life to maturity); or (z) the payment of upfront fees (which shall be deemed to constitute like amounts of OID), and provided that after giving effect to the rights set forth herein, not more than 50% of the increase in this clause (ii) may be issued in the form of OID or upfront fees;

(iii) the applicable margins applicable to the Term Loan B Credit Facility may not be increased by more than 50 bps (and the applicable standby fee shall be amended to be 20% of the applicable margins)(and additional increases due to a Permitted Pricing Reallocation (defined below)) *provided* that the Co-Lead Arrangers may exercise their rights hereunder through any combination of (x) an increase in the applicable margins under the Term Loan B Credit Facility; (y) issuance of the Term Loan B Credit Facility with OID (with OID being equated to interest in a manner reasonably determined by the Co-Lead Arrangers and consistent with generally accepted financial practice, based on an assumed 3 year average life to maturity); or (z) the payment of upfront fees (which shall be deemed to constitute like amounts of OID), and provided that after giving effect to the rights set forth herein, not more than 50% of the increase in this clause (iii) may be issued in the form of OID or upfront fees;

(iv) the applicable margins applicable to the Term Loan C Credit Facility may not be increased by more than 50 bps (and the applicable standby fee shall be amended to be 20% of the applicable margins)(and additional increases due to a Permitted Pricing Reallocation (defined below)) *provided* that the Co-Lead Arrangers may exercise their rights hereunder through any combination of (x) an increase in the applicable margins under the Term Loan C Credit Facility; (y) issuance of the Term Loan C Credit Facility with OID (with OID being equated to interest in a manner reasonably determined by the Co-Lead Arrangers and consistent with generally accepted financial practice, based on an assumed 2 year average life to maturity); or (z) the payment of upfront fees (which shall be deemed to constitute like amounts of OID), and provided that after giving effect to the rights set forth herein, not more than 50% of the increase in this clause (iii) may be issued in the form of OID or upfront fees;

The Co-Lead Arrangers shall be permitted to tranche or to re-tranche within each of the applicable Credit Facilities to give effect to a Permitted Pricing Reallocation (but for greater certainty, without reallocation of any commitment amount from one Credit Facility to another).

The foregoing market flex provisions shall survive the execution and delivery of the Credit Agreement and other Credit Documents until the date of a Successful Syndication of the Commitments. Further, you hereby agree that you shall, from time to time, execute and deliver or cause to be executed and delivered all agreements and other documents as may be required by the Co-Lead Arrangers, acting reasonably, to effect the foregoing (including, without limitation, amendments to the Credit Agreement) and you further agree that any failure to do so on your part shall be deemed to be an Event of Default under and as defined in the Credit Agreement.

It is understood and agreed that this Fee Letter shall not constitute or give rise to any obligation to provide any financing; such an obligation will arise only to the extent provided in the Credit Agreement. This letter agreement may not be amended or waived except by an instrument in writing executed and delivered by you and the Co-Lead Arrangers. This letter agreement shall be governed by, and construed in accordance with, the laws of the Province of Quebec and the federal laws of Canada applicable therein. This letter agreement may be executed in any number of counterparts, each of which shall be an original, and all of which, when taken together, shall constitute one agreement. Delivery of an executed signature page of this letter agreement by facsimile or electronic transmission (including pdf) shall be effective as delivery of a manually executed counterpart hereof.

Vous avez spécifiquement demandé que cette lettre de frais et tous les documents qui s’y rapportent soient rédigés en langue anglaise et, à cause de cette exigence de votre part, nous exprimons la même volonté en faisant en sorte que ces documents soient à votre disposition en langue anglaise.

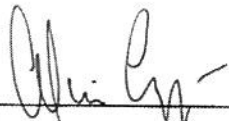

You agree that this letter agreement and its contents are subject to the confidentiality provisions of the Syndication Letter. Please confirm that the foregoing is our mutual understanding by signing and returning to us an executed counterpart of this letter agreement.

Syndication Letter

CGI Group Inc. (the "**Borrower**", "**you**" or "**your**") has advised Canadian Imperial Bank of Commerce ("**CIBC**"), National Bank Financial ("**National**") and TD Securities ("**TD**", and collectively with CIBC and National, the "**Co-Lead Arrangers**", "**we**", "**us**" or "**our**") that it intends, directly or indirectly, through an existing or newly formed wholly owned (directly or indirectly) subsidiary to acquire (the "**Acquisition**") all of the shares of a target corporation identified to the Co-Lead Arrangers (the "**Target**") pursuant to a scheme of arrangement under Part 26 of the UK Companies Act ("**Scheme**"). Capitalized terms used but not defined herein have the meanings assigned to them in the Credit Agreement dated the date hereof among, *inter alia*, you and the Co-Lead Arrangers (the "**Credit Agreement**").

The Acquisition, the advances under the Credit Agreement, advances under the Existing Revolving Credit Agreement (defined below), the Minimum Investment and other transactions contemplated herein and in the Credit Agreement are referred to herein collectively as the "**Transactions**".

In consideration of the commitment of the Co-Lead Arrangers pursuant to the Credit Agreement and our agreement to perform the services described therein and herein, you hereby covenant to perform and agree with the provisions of this Syndication Letter set forth below.

1. National Bank of Canada will serve as administrative agent for the Credit Agreement. Additionally, (i) CIBC, National and TD will act as co-lead arrangers and joint bookrunners for the Credit Agreement; and (ii) CIBC and TD will act as co-syndication agents for the Credit Agreement, and, in each case, will, in such capacities, perform the duties and exercise the authority customarily performed and exercised in such roles.
2. Unless the Borrower and the Co-Lead Arrangers shall so agree, no other agent, co-agent, arranger or co-arranger, book manager or bookrunner or joint book manager or bookrunner will be appointed, no other titles will be awarded and no compensation (other than that expressly contemplated by this Syndication Letter and the Fee Letter referred to below), except as otherwise agreed in writing between the Co-Lead Arrangers and the Borrower, will be paid in connection with the Credit Agreement.

3. The Co-Lead Arrangers will syndicate the Commitments pursuant to the Credit Agreement to one or more financial institutions and institutional lenders (together with CIBC, National Bank of Canada and The Toronto-Dominion Bank, the "**Lenders**") identified by us in consultation with you. You agree to actively assist us in completing a syndication reasonably satisfactory to us. Such assistance shall include (a) you using commercially reasonable efforts to ensure that the syndication efforts benefit from your existing lending, investment banking and financial advisory relationships, (b) direct contact between your senior management and advisors and the proposed Lenders, (c) assistance in the preparation of a confidential information memorandum and other marketing materials and presentations to be used in connection with the syndication of the Commitments, and (d) the hosting, with us, of one or more meetings of prospective Lenders, if requested by us. All proceeds of syndication shall be applied to reduce the Commitments of CIBC, National Bank of Canada and The Toronto-Dominion Bank equally and rateably. We intend to launch the syndication of the Commitments as soon as reasonably practicable after the public announcement by you of the Acquisition. Certain matters related to the syndication of the Commitment are contained in the Fee Letter referred to below.

The Borrower acknowledges that certain of the Lenders may be "public side" Lenders (i.e. Lenders that do not wish to receive material non-public information with respect to the Borrower or the Target, or their respective affiliates or any of its or their respective securities (each, a "**Public Lender**"). At the request of the Co-Lead Arrangers, the Borrower agrees to prepare an additional version of the confidential information memorandum and the Lender presentation (the "**Syndication Information**") to be used by Public Lenders that does not contain material non-public information concerning the Borrower, the Target, or their respective affiliates or securities. your subsidiaries, the Acquisition and, to the extent made available to you, the Target and its subsidiaries, including all financial information, five-year financial models and five-year projections and forecasts (the "**Projections**"), as we may reasonably request in connection with the arrangement and syndication of the Commitments. You hereby represent, warrant and covenant that (a) all written and formally presented information in any bank meeting or similar meeting with prospective Lenders (other than the Projections and general economic or specific industry information developed by, and obtained from, third party sources, including from the Target and its affiliates) (the "**Information**") that has been or will be made available to us by or on behalf of you or any of your advisors or representatives is or will be (with respect to the Target and its subsidiaries, to the best of your knowledge based on any information in respect of the Target and its subsidiaries made available to you), when furnished, complete and correct in all material respects and does not or will not, when furnished, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not materially misleading in light of the circumstances under which such statements are made, and (b) the Projections that have been or will be made available to us by you or any of your representatives have been or will be prepared in good faith based upon assumptions which you believe are reasonable at the time made, it being understood that any such Projections are subject to significant uncertainties and contingencies, many of which are beyond your control, that no assurances can be given that any particular Projections will be realized, that actual results may differ and that such differences may be material. You agree to supplement the Information and Projections until Successful Syndication (as such term is defined in the Fee Letter) has been completed so that the foregoing representations and warranties remain complete and correct in all material respects. You understand that in structuring, arranging and syndicating the Commitments, we may use and rely on the Information and Projections without independent verification thereof.

6. As consideration for CIBC's, National Bank of Canada's and The Toronto-Dominion Bank's Commitments and the Co-Lead Arrangers' agreement to perform the services described herein, you agree to pay to the Co-Lead Arrangers the non-refundable fees, and perform the other obligations, in accordance with and as set forth in the fee letter dated the date hereof and delivered herewith (the "**Fee Letter**").

7. You hereby acknowledge and agree that (a) prior to and during any syndication of the Commitments there shall be no competing issues of debt securities or commercial bank or other credit facilities (nor any proposed amendments or increases thereto) or securitizations by you or your respective subsidiaries being offered, placed or arranged (other than the Required Amendments (defined below) in respect of the Existing Revolving Credit Agreement); (b) you shall provide timely assistance as required hereby in connection with syndication in all material respects, including in the preparation of the confidential information memorandum referred to in paragraph 3 incorporating the Information and Projections to our reasonable satisfaction on or before the date that is 7 days after the date hereof, and (c) you shall comply in all material respects with the other provisions hereof and of the Fee Letter relating to the syndication of the Commitments.

8. ensure compliance with the Code and allow you to use borrowings under the Existing Revolving Credit Agreement to complete the Transactions; (ii) all such waivers are identified in the amending agreement referred to in the definition of "Required Amendments" in the Credit Agreement; and (iii) the Required Amendments require the consent of the "Majority Lenders" (as such term is defined in the Existing Revolving Credit Agreement). Each of CIBC, National Bank of Canada and The Toronto-Dominion Bank hereby acknowledge and agree that (a) in its capacity as a lender under the Existing Revolving Credit Agreement it will consent to the Required Amendments, provided that for greater certainty each of CIBC, National Bank of Canada and The Toronto-Dominion Bank in their capacities as lenders under the Existing Revolving Credit Agreement shall be entitled to fees in an amount not less than the fees paid to other lenders thereunder in connection with the Required Amendments.

9. You agree to: (a) indemnify and hold harmless each Co-Lead Arranger, its respective affiliates and their respective officers, directors, employees and agents (each, an **"indemnified person"**) from and against any and all losses, claims, damages, liabilities and expenses (including, without limitation, reasonable and documented fees, charges, and disbursements of counsel), joint or several, that may be incurred by, asserted or awarded against, or to which any such indemnified person may become subject, arising out of or in connection with this Syndication Letter or any claim, litigation, investigation or proceeding relating to any of the foregoing, regardless of whether any indemnified person is a party thereto, and to reimburse each indemnified person upon demand for any reasonable legal or other expenses incurred in connection with investigating or defending any of the foregoing, provided that the foregoing indemnity: (i) will not, as to an indemnified person, apply to losses, claims, damages, liabilities or related expenses to the extent they are found by a final non-appealable judgment of a court of competent jurisdiction to arise from the gross negligence or willful misconduct of such indemnified person; (ii) shall exclude loss of profit, income, revenue or business opportunities (it being agreed, however, for certainty, that such exclusion shall not apply to the repayment of principal, the payment of interest, fees, breakage costs, funding losses and other costs and expenses, or any other amount expressly required to be paid or repaid (as applicable) under or pursuant to this Syndication Letter, the Fee Letter, the Credit Agreement or the other Credit Documents, all of which shall be included in the foregoing indemnity); (iii) shall not apply as to disputes solely between or among indemnified persons; and (iv) shall not apply to the extent it is determined by a final non-appealable judgment of a court of competent jurisdiction that the same shall have resulted from a material breach of the obligations of such indemnified person (or its related persons) under this Syndication Letter, the Fee Letter, the Credit Agreement or the other Credit Documents, and (b) to reimburse the Co-Lead Arrangers and each of their affiliates on demand for all reasonable and documented out-of-pocket expenses (including syndication expenses, travel expenses and reasonable and documented fees, charges and disbursements of counsel to the Co-Lead Arrangers) incurred in connection with the syndication of the Commitments and any related documentation (including this Syndication Letter, the Fee Letter and the Credit Agreement and other Credit Documents) or the administration, amendment, modification or waiver thereof and, for certainty, in the case of both (a) and (b), whether or not there is any drawdown under the Credit Agreement and whether or not the transactions contemplated hereby are consummated or not.

In any event, and notwithstanding any provision hereof to the contrary, no indemnified person shall be liable for (i) any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems, except to the extent such damages have resulted from the willful misconduct or gross negligence of any indemnified person, or (ii) any special, indirect, consequential or punitive damages on any theory of liability in connection with or as a result of this Syndication Letter, the Fee Letter, the Credit Agreement or any other Credit Documents or any transaction contemplated hereby or thereby.

10. You acknowledge that each Co-Lead Arranger and its respective affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other persons in respect of which you and your subsidiaries may have conflicting interests regarding the Credit Agreement and otherwise. Each Co-Lead Arranger and its affiliates will not use confidential information obtained from you and your subsidiaries by virtue of the Credit Agreement or their other relationships with you or any of your subsidiaries in connection with the performance by such Co-Lead Arranger of services for other persons, and each Co-Lead Arranger will not furnish any such information to such other persons. You also acknowledge that each Co-Lead Arranger and its affiliates have no obligation to use in connection with the Credit Agreement or otherwise, or to furnish to you or any of your subsidiaries, confidential information obtained from other persons.

11. The compensation, reimbursement, indemnification, jurisdiction and confidentiality provisions contained herein and in the Fee Letter shall remain in full force and effect regardless of whether definitive financing documentation shall be executed and delivered and notwithstanding the termination of this Syndication Letter or the Co-Lead Arrangers' commitments hereunder.

14. To the extent permitted by applicable law, each party hereto irrevocably waives all rights to trial by jury in any action, proceeding or counterclaim (whether based on contract, tort or otherwise) arising out of or relating to this Syndication Letter, the Fee Letter or the

transactions contemplated hereby or thereby or the actions of the parties hereto and thereto in the negotiation, performance or enforcement hereof and thereof.

15. This Syndication Letter shall be governed by, and construed in accordance with, the laws of the Province of Quebec and the federal laws of Canada applicable therein.

16. This Syndication Letter is delivered to you on the understanding that neither this Syndication Letter nor the Fee Letter nor any of their respective terms or substance shall be disclosed, directly or indirectly, to any other person except: (a) to your directors, officers, employees and legal counsel who are directly involved in the consideration of this matter and who have been informed of the confidential nature thereof and who have agreed to hold the same in confidence or (b) as may be compelled in a judicial or administrative proceeding or as otherwise required by applicable law or regulation (in which case you agree to inform the Co-Lead Arrangers promptly thereof). In addition, you hereby agree to provide the Co-Lead Arrangers with an opportunity to review and comment on any reference to the Credit Agreement or the Co-Lead Arrangers or their affiliates in any press release or other public announcement in connection with the Transactions.

17. The Lenders (or the Co-Lead Arrangers on their behalf) may disclose the relevant deal characteristics relating to the Commitments (including the name of the Borrower) to Loan Pricing Corporation and to Bloomberg L.P. and similar recognized bank loan information services.

18. We hereby notify you that pursuant to the requirements of the USA Patriot Act, Title III of Pub. Schedule "A" — Registration Procedures

ARTICLE 2 REGISTRATION RIGHTS

2.1 Demand Registration Rights

- (1) A Holder of Registrable Securities (the "**Initiating Holder**") may, at any time and from time to time, provided that at such time such Holder shall beneficially own or exercise control or direction over 20% or more of all outstanding Shares, require the Corporation to file one or more Prospectuses and take such other steps as may be reasonably necessary to facilitate a secondary offering in Canada of all or any portion of the Shares held by such Initiating Holder (the "**Demand Registration**"), by giving written notice of such Demand Registration to the Corporation. The Corporation shall, subject to applicable Securities Laws, use its commercially reasonable efforts to file one or more Prospectuses under applicable Securities Laws in order to permit the Distribution of all or any portion of the Initiating Holder's Registrable Securities requested to be included

in such Demand Registration. The Parties shall cooperate in a timely manner in connection with such disposition and the procedures in Schedule "A" shall apply.

- (2) The Corporation shall not be obliged to effect:
 - (a) more than two (2) Demand Registrations by any Holder in any 12-month period or more than four (4) Demand Registrations in the aggregate;
 - (b) a Demand Registration in the event the Corporation determines in good faith that:
 - (i) either (A) the effect of the filing of a Prospectus could impede the ability of the Corporation to consummate a significant transaction (including, without limitation, a financing, an acquisition, a restructuring or a merger) or proceed with or continue negotiations or discussions in relation thereto, or (B) there exists at the time material non-public information relating to the Corporation the disclosure of which would be adverse to the Corporation; and
 - (ii) that it is therefore in the best interests of the Corporation to defer the filing of a Prospectus at such time;

in which case the Corporation's obligations under this Section 2.1 shall be deferred for a period of not more than 90 days from the date of receipt of the request of an Initiating Holder;
 - (c) a Demand Registration in respect of a number of Shares that is expected to result in gross proceeds of less than CDN\$250,000,000; or
 - (d) a Demand Registration before the 90th day following the date on which a receipt was issued to the Corporation with respect to any (final) Prospectus filed by the Corporation.
- (3) Any request by the Initiating Holder pursuant to Section 2.1(1) hereof shall:
 - (a) specify the number of Shares which such Initiating Holder intends to offer and sell;
 - (b) express the intention of such Initiating Holder to offer or cause the offering of such Shares;
 - (c) describe the nature or methods of the proposed offer and sale thereof and the provinces and territories of Canada in which such offer shall be made;
 - (d) contain the undertaking of such Initiating Holder to provide all such information regarding its holdings and the proposed manner of distribution thereof as may be required in order to permit the Corporation to comply with all applicable Securities Laws; and

- (e) specify whether such offer and sale shall be made by an underwritten public offering.
- (4) In the case of an underwritten public offering initiated pursuant to this Section 2.1, the Initiating Holder shall have the right to select the managing underwriter or underwriters of such Registrable Securities, provided, however, that such selection shall also be reasonably satisfactory to the Corporation. The Corporation shall have the possibility to retain counsel of its choice to assist it in fulfilling its obligations under this Article 2.
- (5) The Corporation shall have the right to include, in any Demand Registration, Shares or other securities which are not Registrable Securities representing up to 15% of the number of Registrable Securities subject to such Demand Registration, provided that, if the managing underwriter or underwriters shall impose a limitation on the number of Shares or on the number or kind of other securities which may be included in any such Distribution because, in its or their reasonable judgment, such Registrable Securities may not be sold in an orderly manner within a price range reasonably acceptable to the Initiating Holder, such Distribution shall be comprised of Shares selected *pro rata* among the Initiating Holder and the Corporation based upon their relative proportionate total number of Shares or Registrable Securities requested to be included in the Distribution (representing up to 15% of the total number of Registrable Securities subject to the Demand Registration in the case of the Corporation).
- (6) In the case of an underwritten offering, an Initiating Holder may participate in the negotiations of the terms of any underwriting agreement. An Initiating Holder's participation in, and the Corporation's completion of, the underwritten offering is conditional upon the Initiating Holder agreeing that the terms of any underwriting agreement are satisfactory to it, in its sole discretion.

2.2 Piggy-Back Registration Rights

If the Corporation proposes to make a Distribution for its own account or if an existing Shareholder proposes to make a Distribution through a secondary offering, the Corporation shall, at that time, promptly give the Holders of Registrable Securities written notice of such proposed Distribution (the "**Piggy-Back Notice**"). Upon the written request of any Holder of Registrable Securities given within five (5) Business Days after mailing of the Piggy-Back Notice, provided that at the time it receives the Piggy-Back Notice such Holder beneficially own or exercises control or direction over 15% of the outstanding Shares (the "**Responding Holder**"), the Corporation shall use reasonable commercial efforts to, in conjunction with the proposed Distribution, cause to be included in such Distribution all of the Shares that such Responding Holders have requested to be included in such Distribution pursuant to applicable Securities Laws, up to a maximum of 15% of the Shares to be offered in such Distribution, prorated, as required, among Responding Holders on the basis of the number of Registrable Securities held by each such Holder (the "**Piggy-Back Registration**"), provided that, if the managing underwriter or underwriters shall impose a limitation on the number of Shares or on the number or kind of other securities which may be included in any such Distribution because, in its or their reasonable judgment all of the Shares that the Corporation proposes to include in such Distribution may not be sold in an orderly manner within a price range reasonably

acceptable to the Corporation, such Distribution shall be comprised of Shares and Registrable Securities selected *pro rata* among the Responding Holder and the Corporation based upon their relative proportionate total number of Shares and Registrable Securities requested to be included in the Distribution (representing up to 15% of the total number of Shares to be offered in the Distribution in the case of the Responding Holder).

2.3 Exempted Sales of Registrable Securities

The Corporation shall, in connection with any sale by Holders of Registrable Securities in Canada under an exemption from the Prospectus Requirements or in the United States under Rule 144A under the United States Securities Act of 1933 (an "**Exempted Sale**"), at the expense of such Holders:

- (a) use its commercially reasonable efforts to assist any Holder and its representatives in the preparation of documentation (including any offering memorandum) required in order to effect such Exempted Sale; and
- (b) subject to the entering into of a confidentiality and standstill agreement on customary terms, allow any prospective buyer of Registrable Securities pursuant to such Exempted Sale, to conduct reasonable due diligence on the Corporation and, without limiting the generality of the foregoing, make available its senior management and use its commercially reasonable efforts to make available its auditors and its legal counsel to answer any questions in one or more due diligence sessions.

2.4 Distribution in the United States

If the Corporation proposes to file a registration statement for the distribution of Shares to the public in the United States, the Parties shall, prior to such distribution taking place, supplement this Agreement so as to provide Holders of Registrable Securities with registration rights enabling distribution of Shares to the public in the United States that are substantially equivalent to the registration rights provided under this Agreement, including, without limitation, demand registration rights and piggy-back registration rights upon terms and conditions substantially equivalent to the terms and conditions set forth in Sections 2.1 and 2.2, respectively, and provisions relating to payment of expenses and indemnification upon terms and conditions substantially equivalent to the terms and conditions set forth in Section 2.6 and Article 3, respectively.

2.5 Withdrawal of Registrable Securities

Any Initiating Holder or Responding Holder shall have the right to withdraw its request for inclusion of its Registrable Securities in any Distribution pursuant to Section 2.1 or 2.2 by giving written notice to the Corporation of its request to withdraw; provided, however, that:

- (a) such request must be made in writing; and

- (b) such withdrawal shall be irrevocable and, after making such withdrawal, the Holder of Registrable Securities shall no longer have any right to include its Registrable Securities in the Distribution pertaining to which such withdrawal was made;

provided that if an Initiating Holder or Responding Holder withdraws all of its Registrable Securities from a Demand Registration or a Piggy-Back Registration in accordance with this Section 2.5 prior to the execution of an enforceable bought deal letter or underwriting agreement and prior to the filing of a preliminary Prospectus in connection therewith, such Initiating Holder or Responding Holder shall be deemed to not have initiated or participated in such Demand Registration or Piggy-Back Registration, as applicable, including, without limitation, for purposes of the number of Demand Registrations that the Corporation shall be obliged to effect pursuant to paragraph 2.1(2)(a).

2.6 Expenses

- (1) In the case of a Demand Registration under Section 2.1, all expenses incident to the Corporation's performance of or compliance with such Section 2.1, including, without limitation, (i) Securities regulators, Canadian and United States stock exchange registration listing and filing fees, (ii) fees and expenses of compliance with Securities Laws, (iii) printing and copying expenses, (iv) messenger and delivery expenses, (v) expenses incurred in connection with any road show, (vi) reasonable fees and disbursements of one Canadian counsel and one U.S. counsel to the Corporation and one Canadian counsel and one U.S. counsel to the Initiating Holder or Responding Holder, as the case may be, (vii) fees and disbursements of all independent public accountants (including the expenses of any audit and/or "comfort" letter) and fees and expenses of any other special experts retained by the Corporation, (viii) translation expenses, and (ix) subject to Section 2.6(2), any other fees and disbursements of underwriters customarily paid by issuers or sellers of Securities (all such expenses being herein called "**Expenses**") shall be borne by the Initiating Holder, unless the Corporation sells Shares as part of the Demand Registration, in which case the Expenses shall be borne by the Initiating Holder and the Corporation in proportion to the gross proceeds received by each such Person from the Distribution. For greater certainty, in the event of any withdrawal by the Initiating Holder in circumstances where a Distribution of Shares does not otherwise occur pursuant to the Prospectus prepared at the initial request of the Initiating Holder, the Initiating Holder shall continue to be responsible for the applicable Expenses.
- (2) In the case of a Piggy-Back Registration pursuant to Section 2.2 in connection with which the Corporation participates, the Expenses shall be paid by the Corporation, the Responding Holders in proportion to the gross proceeds received by each such Person from the Distribution.
- (3) The Initiating Holder or Responding Holder, as the case may be, will pay all underwriting discounts and commissions and any transfer taxes ("**Selling Expenses**") attributable to the Registrable Securities to be sold by such Initiating Holder or Responding Holder, in proportion to the gross proceeds received by each such Initiating Holder or Responding Holder from any Demand Registration or Piggy-Back

Registration, as the case may be, and the Corporation will pay all Selling Expenses attributable to the Shares to be sold by the Corporation, if any, in proportion to the gross proceeds received by the Corporation from any Demand Registration or Piggy-Back Registration, as the case may be.

- (4) The Corporation shall, in any event, pay its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties).

ARTICLE 3 INDEMNIFICATION

3.1 Indemnification by the Corporation

In connection with any Demand Registration and Piggy-Back Registration, the Corporation shall indemnify and hold harmless the Initiating Holder and the Responding Holder, as the case may be, their Affiliates, and each of their respective directors and officers and any underwriters acting on behalf of the Corporation, the Initiating Holder or the Responding Holder in connection with any such Demand Registration or Piggy-Back Registration from and against any loss (excluding loss of profits), liability, claim, damage and expense whatsoever, including any amounts paid in settlement of any investigation, litigation, proceeding or claim, joint or solidary, as incurred, arising out of or based upon any untrue statement or alleged untrue statement of a material fact contained in any Prospectus (or any amendment thereto) covering Registrable Securities, including all documents incorporated therein by reference, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading, in the light of the circumstances under which they were made, provided that the Corporation shall not be liable under this Section 3.1 for any settlement of any action effected without its written consent, which consent shall not be unreasonably withheld or delayed, and provided, further, that the indemnity provided for in this Section 3.1 shall not apply to any loss, liability, claim, damage or expense to the extent arising out of an untrue statement or omission or alleged untrue statement or omission (i) made in reliance upon and in conformity with written information furnished to the Corporation by the Initiating Holder, the Responding Holder or such underwriter, as the case may be, in writing expressly stating that such information is being provided by the Initiating Holder, the Responding Holder or such underwriter, as the case may be, for use in the Prospectus, or (ii) contained in any Prospectus if such underwriter failed to send or deliver a copy of the Prospectus to the Person asserting such losses, liabilities, claims, damages or expenses on or prior to the delivery of written confirmation of any sale of securities covered thereby to such Person in any case where such Prospectus corrected such untrue statement or omission. Any amounts advanced by the Corporation to an Indemnified Party pursuant to this Section 3.1 as a result of such losses shall be returned to the Corporation if it is finally determined by such a court in a judgment not subject to appeal or final review that such Indemnified Party was not entitled to indemnification by the Corporation.

3.2 Indemnification by the Initiating Holder and the Responding Holder

In connection with any Demand Registration or Piggy-Back Registration, the Initiating Holder or, as the case may be, each Responding Holder, on a several (not solidary) basis and

with respect to itself only, shall indemnify and hold harmless the Corporation and each of the Corporation's directors and officers from and against any loss (excluding loss of profits), liability, claim, damage and expense whatsoever, including any amounts paid in settlement of any investigation, litigation, proceeding or claim, joint or solidary, as incurred, arising out of or based upon any untrue statement or alleged untrue statement of a material fact contained in any Prospectus (or any amendment thereto) covering Registrable Securities, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading, in the light of the circumstances under which they were made, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Prospectus (or any amendment thereto) included in reliance upon and inconformity with written information furnished to the Corporation by the Initiating Holder or the Responding Holder, as the case may be, in writing expressly stating that such information is being provided by the Initiating Holder or the Responding Holder, as the case may be, for use in the Prospectus (or any amendment thereto); provided that the Initiating Holder or the Responding Holder, as the case may be, shall not be liable under this clause for any settlement of any action effected without its written consent, which consent shall not be unreasonably withheld or delayed; provided further that the indemnity provided for in this Section 3.2 shall not apply to any loss, liability, claim, damage or expense to the extent arising out of an untrue statement or omission or alleged untrue statement or omission contained in any Prospectus if the Corporation failed to send or deliver a copy of the Prospectus to the Person asserting such losses, liabilities, claims, damages or expenses on or prior to the delivery of written confirmation of any sale of Securities covered thereby to such Person in any case where such Prospectus (or any amendment or supplement thereto) corrected such untrue statement or omission. Any amounts advanced by the Initiating Holder or the Responding Holder to an Indemnified Party pursuant to this Section 3.2 as a result of such losses shall be returned to the Initiating Holder or the Responding Holder, as the case may be, if it is finally determined by such a court in a judgment not subject to appeal or final review that such Indemnified Party was not entitled to indemnification by the Initiating Holder or the Responding Holder, as the case may be.

3.3 Defense of the Action by the Indemnifying Parties

Each party entitled to indemnification under this Article 3 (the "**Indemnified Party**") shall give notice to the party required to provide indemnification (the "**Indemnifying Party**") promptly after such Indemnified Party has actual knowledge of any claim as to which indemnity may be sought, but the omission to so notify the Indemnifying Party shall not relieve it from any liability which it may have to the Indemnified Party pursuant to the provisions of this Article 3 except to the extent of the actual damages suffered by such delay in notification. The Indemnifying Party shall assume the defense of such action, including the employment of counsel to be chosen by the Indemnifying Party to be reasonably satisfactory to the Indemnified Party, and payment of expenses. The Indemnified Party shall have the right to employ its own counsel in any such case, but the legal fees and expenses of such counsel shall be at the expense of the Indemnified Party, unless (i) the employment of such counsel shall have been authorized in writing by the Indemnifying Party in connection with the defense of such action, (ii) the Indemnifying Party shall not have employed counsel to take charge of the defense of such action, or (iii) the Indemnified Party shall have reasonably concluded that there may be defenses available to it or them which are different from or additional to those available to the

Indemnifying Party, or that representation of the Indemnified Person and the Indemnifying Party by the same counsel would be inappropriate due to the actual or potential differing interests between them (in which cases the Indemnifying Party shall not have the right to direct the defense of such action on behalf of the Indemnified Party); in any of which events such fees and expenses shall be borne by the Indemnifying Party. No Indemnifying Party, in the defense of any such claim or litigation, shall, except with the consent of each Indemnified Party, consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party of a release from all liability in respect to such claim or litigation.

3.4 Contribution

If the indemnification provided for in this Article 3 is unavailable to a party that would have been an Indemnified Party under this Article 3 in respect of any losses, liabilities, claims, damages and expenses referred to herein, then each party that would have been an Indemnifying Party hereunder shall, in lieu of indemnifying such Indemnified Party, contribute to the amount paid or payable by such Indemnified Party as a result of such losses, liabilities, claims, damages and expenses in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party on the one hand and such Indemnified Party on the other in connection with the statement or omission which resulted in such losses, liabilities, claims, damages and expenses, as well as any other relevant equitable considerations. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Indemnifying Party or such Indemnified Party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Corporation, the Initiating Holder and the Responding Holder agree that it would not be just and equitable if contribution pursuant to this Section 3.4 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 3.4.

3.5 Person Guilty of Misrepresentation

No Person guilty of misrepresentation (within the meaning of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such misrepresentation.

3.6 Limitation on Indemnification by the Initiating Holder and the Responding Holder

Notwithstanding any provision of this Agreement or any other agreement, in no event shall the Initiating Holder and the Responding Holder be liable for indemnification hereunder for an amount greater than the net amount of proceeds that the Initiating Holder or the Responding Holder, as the case may be, received in any particular Distribution in which its Registrable Securities were sold.

ARTICLE 4 COVENANTS OF THE CORPORATION

4.1 Board Nomination Rights

- (1) For the duration of this Agreement, CDPQ shall have the right, pursuant to the terms and subject to the conditions of this Article 4 and applicable Securities Laws, to recommend to the Corporation one (1) nominee (the "**CDPQ Nominee**") to be part of any slate proposed by the Corporation and included in a management information circular of the Corporation relating to the election of directors of the Corporation, provided that:
 - (a) the CDPQ Nominee shall have no material relationship (as such term is used in National Instrument 52-110 *Audit Committees*) with the Corporation nor with CDPQ, and shall not, for greater certainty, be an employee or director of CDPQ;
 - (b) the CDPQ Nominee shall be eligible to serve as a director of the Corporation under the *Business Corporations Act* (Québec) and the Corporation's articles;
 - (c) the nomination of the CDPQ Nominee shall be subject to a favourable recommendation of the Corporation's Corporate Governance Committee, acting reasonably and taking into account the profile and expertise desired for "independent" directors of the Corporation;
 - (d) the CDPQ Nominee may be one of the current "independent" directors of the Corporation; and
 - (e) CDPQ's right to nominate the CDPQ Nominee shall terminate upon such time as CDPQ does not beneficially own or exercise control or direction over, in the aggregate, 15% or more of the outstanding Shares.
- (2) The Corporation shall notify CDPQ of its intention to hold an annual meeting of Shareholders at least 45 days prior to the mailing of the management information circular of the Corporation in respect of such annual meeting, provided that CDPQ may notify the Corporation of its recommendation for the CDPQ Nominee pursuant to Section 4.1(1) at any time but not less than 15 days prior to the date of such mailing.
- (3) Subject to the conditions set forth this Article 4, before the first annual meeting of Shareholders following the date of this Agreement, or if the individual recommended as CDPQ Nominee ceases to be a director of the Corporation or if there is otherwise a vacancy in respect of the CDPQ Nominee, CDPQ shall be entitled to recommend, and the Corporation shall promptly appoint to the Board, an individual as CDPQ Nominee to hold office for a term expiring on the close of the next annual meeting of Shareholders.

4.2 Listing of Shares

The Corporation shall maintain the listing of the Shares on the Toronto Stock Exchange and the New York Stock Exchange, and make, on a timely basis, all filings prescribed under applicable Securities Laws and United States securities laws and under the rules of the Toronto Stock Exchange and of the New York Stock Exchange.

ARTICLE 5 GENERAL

5.1 Severability

If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule or law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any manner materially adverse to any Party. Upon any determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties to this Agreement shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner to the end that the transactions contemplated by this Agreement are fulfilled to the fullest extent possible.

 - (a) such other person (the "**Successor**"), by operation of law, becomes bound by the terms and provisions of this Agreement or, if not so bound, executes, prior to or contemporaneously with the consummation of such transaction, an agreement supplemental hereto and such other instruments (if any) as are reasonably necessary or advisable to evidence the assumption by the Successor of liability for all amounts payable and property deliverable hereunder and the covenant of such Successor to pay and deliver or cause to be delivered the same and its agreement to observe and perform all the covenants and obligations of the Corporation under this Agreement; and

- (b) such transaction shall be upon such terms and conditions so as to substantially preserve and not impair in any material respect any of the rights, duties, powers and authorities of the other Parties hereunder.
- (2) Whenever the conditions of Section 5.3(1) have been duly observed and performed, if required by Section 5.3(1), the Successor and the other Parties hereto shall execute and deliver the supplemental agreements provided for herein above and thereupon the Successor shall possess and from time to time may exercise each and every right and power and shall be subject to each and every obligation of the Corporation under this Agreement in the name of the Corporation or otherwise and any act or proceeding under any provision of this Agreement required to be done or performed by the Corporation or any officer of the Corporation, may be done and performed with like force and effect by the directors or officers of such Successor.
- (3) Nothing herein shall be construed as preventing the merger or similar transaction of any wholly-owned direct or indirect subsidiary entity of the Corporation with or into the Corporation or the winding-up, liquidation or dissolution of any wholly-owned subsidiary entity of the Corporation provided that all of the assets of such subsidiary entity are transferred to the Corporation or another wholly-owned direct or indirect subsidiary entity of the Corporation.

5.4 Assignment

This Agreement may not be assigned by the Holders of Registrable Securities without the written consent of the Corporation, provided that a Holder of Registrable Securities may assign this Agreement, in whole or in part, upon notice to the Corporation to any Person that acquire Registrable Securities from such Holder without the consent of the Corporation; and, upon such transferee executing an instrument in writing agreeing to be bound by this Agreement, such transferee shall be entitled to its benefit and be bound by all of its terms as if it were an original signatory hereto, provided, for greater certainty, that the Board nomination rights set forth in Article 4 shall may not be assigned by CDPQ and that no transferee shall become entitled to such rights. This Agreement may not be assigned by the Corporation without the written consent of the Holders of Registrable Securities.

5.5 Amendments, Modifications, etc.

This Agreement may not be amended or modified, or any provision hereof waived, except by an agreement in writing executed by all the Parties.

5.6 Termination

This Agreement shall come into force and effect as of the date set out on the first page of this Agreement and shall continue in force until the earlier of:

- (a) the date on which this Agreement is terminated by the mutual consents of the Parties; and

- (b) the date on which a Holder beneficially owns or exercises control or direction over less than 15% of the outstanding Shares, but only in respect of such Holder;

SCHEDULE "A"
REGISTRATION PROCEDURES

(1) Registration Procedures

In connection with the Corporation's registration obligations pursuant to this Agreement, the Corporation shall use its commercially reasonable efforts to effect the qualification for the offer and sale or other disposition or Distribution of Registrable Securities of any Holder (the "**Selling Persons**"), and pursuant thereof the Corporation shall as expeditiously as possible:

- (b) prepare and file with the applicable Canadian securities authorities (collectively, the "**Securities Regulators**") a preliminary Prospectus and Prospectus relating to the applicable Demand Registration or Piggy-Back Registration including all exhibits and financial statements required by the Securities Regulators to be filed therewith, and use its commercially reasonable efforts to cause such preliminary Prospectus and Prospectus to be receipted; provided, that the Corporation shall furnish to each Selling Person and the managing underwriters, if any, copies of such preliminary Prospectus and Prospectus and any amendments or supplements in the form filed with the Securities Regulators, simultaneously with the filing of such preliminary Prospectus and Prospectus, amendments or supplements;
- (c) prepare and file with the Securities Regulators such amendments to the preliminary Prospectus and Prospectus as may be necessary to complete the Distribution of all such Registrable Securities and as required under the Securities Act or under any applicable provisions of Securities Laws;
- (d) allow the Selling Persons, each of the managing underwriters, if any, and their respective representatives to:
 - (i) fully participate in the preparation of the preliminary Prospectus and Prospectus relating to the applicable Demand Registration or Piggy-Back Registration including all exhibits and financial statements required by the Securities Regulators to be filed therewith; and
 - (ii) conduct reasonable due diligence on the Corporation in order to enable such Persons to execute any certificate required to be executed by them under applicable Securities Laws, and, without limiting the generality of the foregoing, make available its senior management and use its commercially reasonable efforts to make available its auditors and its legal counsel to answer any questions in one or more due diligence sessions;
- (e) notify the Selling Persons and the managing underwriters, if any, and (if requested) confirm such advice in writing, as soon as practicable after notice thereof is received by the Corporation (i) when the preliminary Prospectus and Prospectus or any amendment thereto has been filed or been receipted, and, to furnish such Selling Persons and managing underwriters with copies thereof,

- (ii) of any request by the Securities Regulators for amendments to the preliminary Prospectus, the Prospectus or for additional information, (iii) of the issuance by the Securities Regulators of any stop order or cease trade order relating to the Prospectus or any order preventing or suspending the use of any preliminary Prospectus or Prospectus or the initiation or threatening for any proceedings for such purposes, and (iv) of the receipt by the Corporation of any notification with respect to the suspension of the qualification of the Registrable Securities for offering or sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose;
- (f) promptly notify the Selling Persons and the managing underwriters, if any, at any time during the period of effectiveness set forth in Section (1)(b) of this Schedule, when the Corporation becomes aware of the happening of any event as a result of which the preliminary Prospectus or the Prospectus contains any untrue statement of a material fact or omits to state a material fact necessary to make the statement therein (in the case of the preliminary Prospectus or Prospectus in light of the circumstances under which they were made) when such preliminary Prospectus or the Prospectus was delivered not misleading or, if for any other reason it shall be necessary during such time period to amend or supplement the preliminary Prospectus or the Prospectus in order to comply with Securities Laws and, in either case as promptly as practicable thereafter, prepare and file with the Securities Regulators, and furnish without charge to the Selling Persons and the managing underwriters, if any, a supplement or amendment to such preliminary Prospectus or Prospectus which shall correct such statement or omission or effect such compliance;
- (g) make every commercially reasonable effort to obtain the withdrawal of any stop order, cease trade order or other order suspending the use of any preliminary Prospectus or Prospectus or suspending any qualification of the Registrable Securities covered by the Prospectus;
- (h) furnish to each Selling Person and each managing underwriter, without charge, one executed copy and as many conformed copies as they may reasonably request, of the Prospectus and any amendment thereto, including financial statements and schedules, all documents incorporated therein by reference, and provide Selling Persons and their counsel with an opportunity to review, and provide comments to the Corporation on the Prospectus;
- (i) deliver to each Selling Person and the underwriters, if any, without charge, as many copies of the preliminary Prospectus and the Prospectus and any amendment or supplement thereto as such Persons may reasonably request (it being understood that the Corporation consents to the use of the preliminary Prospectus and the Prospectus or any amendment thereto by each of the Selling Persons and the underwriters, if any, in connection with the offering and sale of the Registrable Securities covered by the preliminary Prospectus and the Prospectus or any amendment or supplement thereto) and such other

documents as such Selling Person may reasonably request in order to facilitate the disposition of the Registrable Securities by such Person;

- (j) on or prior to the date on which a receipt is issued for the Prospectus by the applicable Securities Regulators, use its commercially reasonable efforts to qualify, and cooperate with the Selling Persons, the managing underwriter or agent, if any, and their respective counsel in connection with the qualification of such Registrable Securities for offer and sale under the Securities Laws of each province and other jurisdiction of Canada as any such Person, underwriter or agent reasonably requests in writing provided that the Corporation shall not be required to qualify generally to do business in any jurisdiction where it is not then so qualified or to take any action which would subject it to general service of process in any such jurisdiction where it is not then so subject;
- (k) in connection with any underwritten offering, enter into customary agreements, including an underwriting agreement on normal market terms;
- (l) as promptly as practicable after filing with the Securities Regulators any document which is incorporated by reference into the Prospectus, provide copies of such document to counsel for the Selling Persons and to the managing underwriters, if any; and
- (m) use its commercially reasonable efforts to obtain a customary legal opinion addressed to the Selling Persons.

(2) Holders' Obligations

The Corporation may require each Selling Person as to which any registration is being effected hereunder to furnish to the Corporation such information regarding the Distribution of such Registrable Securities and such other information relating to such Person and its ownership of Shares as the Corporation may from time to time reasonably request in writing. Each such Person agrees to furnish such information to the Corporation and to cooperate with the Corporation as necessary to enable the Corporation to comply with the provisions of this Agreement. Such Selling Persons shall notify the Corporation immediately upon the occurrence of any event as a result of which any of the aforesaid Prospectuses includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances under which they are made.
