

Holli Ploog

Vice President, CGI
Fairfax, VA

Holli Ploog, Vice President, Business Development reporting to the CGI Vice President of Global Government Markets.

As a Vice President within the Global Government Markets group, Holli will help grow CGI's State and Local business by initially focusing on driving large complex BPO & ITO outsourcing opportunities across all segments of the government market. In addition, Holli will leverage her expertise in the human services and healthcare marketplace to enhance CGI's go-to-market strategies in that segment of the industry including development of new service offerings.

Holli brings over 20 years of leadership experience and a proven track record of driving market share, revenue and profitable growth in public sector and healthcare markets.

Holli was the first private sector individual to serve as President of the National Child Support Enforcement Association, a not for profit organization of child support professionals from across the globe. Other civic and professional positions include: Chair of the Corporate Leadership, Council National Association of State CIOs; Director Center for Innovative Technology, Commonwealth of Virginia; Board Member of ITAA/TechAmerica State and Local Group; Chair Greater Reston Arts Center and Board Member Reston Chamber of Commerce.

Holli joins CGI from Unisys and prior to her tenure at Unisys, Holli held senior leadership positions with DynCorp, Lockheed Martin IMS, and served eight years in state and local government including as Director of the AK Child Support Department, AK Medicaid Rate Commission Chair, West Bay Health Planning Agency. In this capacity she received an Award of Excellence from the US Department of Health and Human Services.

Holli Ploog holds a Bachelor of Arts in International Relations from George Washington University and a Doctor of Jurisprudence from Golden Gate University School of Law receiving a book award in constitutional law.

About CGI

At CGI, we are in the business of satisfying clients. For 35 years, we have operated upon the principles of sharing in clients' challenges and delivering quality services to address them.

CGI is committed to partnering with U.S. defense, civilian and intelligence agencies to support their mission-essential needs at every stage of program, product and business lifecycle.

A leading IT and business process services provider, CGI operates in 125 offices worldwide, giving us the competitive advantage of close proximity to our clients. Through these offices, we offer local partnerships and a balanced blend of flexible delivery options to ensure clients receive the combination of value and expertise they require.

CGI defines success by exceeding clients' expectations and helping them achieve superior performance.
