Global Wellness Programs	
Pre-Assignment Assistance Program	Cigna Global Health Benefits' pre-assignment assistance is a unique clinical program that offers comprehensive case management, care coordination, inpatient management, evacuation assistance, and online expert second opinions for employees and dependents either in the U.S. or abroad. The tool can be accessed prior to or during assignment through Cigna's secure web portal, www.cignaenvoy.com . Employees that utilize the pre-assignment assistance program are more likely to have a successful assignment.
Health & Well-Being Assessment	The Health and Well-Being Assessment (HA) is a short, online assessment that is core to our wellness solutions and the first step to identifying personal health risks. Those who complete the HA receive a personalized health risk profile report. The HA is medically validated by the World Health Organization.
