## **CERTIFICATIONS**

### **CMMI Level 5**

In 2015, CGI's global delivery centers of excellence in India obtained the highest quality level rating for the application management and infrastructure management services.

### **CMMI Level 5**

In 2012, CGI Federal obtained the highest level rating for their Health & Compliance Program Business (HCP BU).

### **CMMI Level 5**

In 2005, CGI's India operations obtained the highest quality level rating of the Software Engineering Institute's (SEI) Capability Maturity Model (CMMI Level 5) for its software process capability.

### **CMMI Level 3, version 1.2**

In 2007, CGI's centers of excellence in Montreal and Quebec City specializing in application development obtained CMMI Level 3, version 1.2 certification, as defined by the Software Engineering Institute's Capability Maturity Model® Integration (CMMI).

### **CMMI Level 3**

In 2007, CGI's Atlantic Global Delivery Center (AGDC), located in Halifax, Nova Scotia, and Charlottetown, Prince Edward Island, attained CMMI Level 3 as defined by the Software Engineering Institute Capability Maturity Model® Integration (CMMI). In 2010, CGI Advantage™ ERP software engineering group attained this certification.

### **ISO 9001 Certified**

In 1994, CGI became the first North American company in its category to secure ISO 9001 certification for its Project Management Framework. Continuing a rich tradition of quality assurance, CGI has achieved this certification for its entire CGI Management Foundation, covering its three major stakeholder groups—clients, members (the term CGI uses for employees) and shareholders.
