TOP 10 reasons YOU *(and your colleagues)* should attend
CGI ADVANTAGE FORUM

1

70+ comprehensive educational sessions...
each session is presented by CGI's product, delivery and customer support experts.

2

Meet with over 350 Advantage users...
representing 60+ client sites from all over the country.

3

Exclusive insight into the Advantage road map...
provide input based on your feedback.

4

Take the credit...
over 75% of all Forum sessions offer the ability to earn CPE credits.

5

Let your voice be heard at the User Group meetings...
these town hall style meetings, run by the Steering Committee, give you the opportunity to share your perspective and hear the opinions of your peers.

6

Go at your own speed...
educational sessions cover a variety of topics. Whether you're new to a product or an experienced professional, there's valuable information for any level of user.

7

Dedicated time to network...
For the last 5 years, Forum attendees have rated networking as their #1 reason for attending. This year's event will offer even more opportunities to connect with your peers.

8

Hear from your peers...
at least 50% of Forum sessions are co-presented by actual Advantage clients.

9

Take a deeper dive...
visit the Technology Showcase for the opportunity to meet with CGI SMEs and technology partners 1:1 to address your specific questions.

10

Give back to the community...
kick things off Sunday at the Welcome Reception, where we will focus on giving back to the Louisville area and hopefully ignite your competitive spirit.
