Dear Mr. Secretary-General,

At CGI, we are committed to contributing to the development of an inclusive, collaborative and sustainable world. Corporate social responsibility (CSR) is one of our core values and we are engaged to supporting the well-being of our communities where we live and work.

This year, we accelerated our Corporate Social Responsibility engagement through various key initiatives, including the recent release of the 2020 CSR report, and by committing to achieve net-zero carbon emissions by 2030.

I am pleased to confirm that CGI reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In our CSR annual report, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. We also commit to share this information with our stakeholders using our primary channels of communication.

Sincerely yours,
