Each day of the Prize Draw Period is a **Prize Draw Day**. Each Prize Draw Day will open at 00:01 hours GMT and close at 24:00 hours GMT on the same day. To be valid and accepted entries must be received (via the link set out in section 4. below) within these hours on the relevant Prize Draw Day. 4. Entry Requirements

There are two stages to the Prize Draw. To enter the Prize Draw, participants must visit www.cgi-12days.co.uk and read and follow the instructions on www.cgi-12days.co.uk . There will be 12 "doors", numbered from 1 to 12, each "door" corresponding to one Prize Draw Day. Behind each "door" there will be information which

participants should read and then answer a question relating to that information. A correct answer to the question will enable the participant to enter a prize draw by completing and submitting a form (**entry form**) to provide their full name and email address. These details will then be entered into a randomly selected draw to win a prize. The winner will be the first entry randomly drawn from all the entries correctly submitted in the Prize Draw for that Prize Draw Day. The prize will be from a selection as described (or similar) in section 5. below.

Only one entry per person per Prize Draw Day is permitted. More than one entry submitted in any one Prize Draw Day by the same person will be void.

Entries must be received before 24:00 hours GMT on each Prize Draw Day.

No purchase or payment is required to enter the Prize Draws or to receive prizes.

5. Prizes

There will be one prize awarded each Prize Draw Day, making a total of 12 prizes over the Prize Draws Period. The prize will be selected at random from a range of technology items the same as or similar to those listed below with a value up to and not exceeding a typical retail price of £350.00 (three hundred and fifty pounds sterling) including VAT.
