WE LISTEN

We partner with clients on their most strategic and visible initiatives, helping to protect, grow, improve, develop and innovate the technology that runs their business. This begins with CGI's unique approach to listening to clients' perspectives.

- Annual face-to-face meetings with 1,000 business and IT leaders across 10 industries and 20 countries
- Ongoing in-person client satisfaction assessments to provide a "report card" on CGI's performance

WE INNOVATE

CGI aligns innovation programs and investments to the needs of our clients. From the creation of a new solution to the ongoing evolution of our top commercial business solutions, we accelerate clients' digital transformation and enable them to achieve their goals faster with reduced risk and enduring results.

- Global intellectual property (IP) initiative to evolve CGI's proven commercial software applications and digital enablers (reusable frameworks, tools and methodologies).
- Cross-company Innovation, Creativity and Experimentation (ICE) program that harnesses, generates, assesses and funds new innovation that benefits our clients.
